

CBT Corp files “BITPASS” Trademark in preparation for new product launch

VANCOUVER, British Columbia (August 19, 2019) — Cryptanite Blockchain Technologies Corp. (CSE: NITE, OTCQB: CRBTF, FRA: 98AA) today announced that the United States Patent & Trademark Office has issued a Notice of Allowance (NOA) to the company for the trademark “BITPASS” with Serial Number: 88325489.

No opposition was filed for this “intent to use” application, which was published in the Official Gazette. The issue date of this NOA establishes the due date for the filing of a Statement of Use registration application or a Request for Extension of Time to file a Statement of Use . The issuance of the NOA is an important step in the trademark registration process

About Cryptanite Blockchain Technologies Corp.

Cryptanite Blockchain Technologies Corp. Forward-Looking Statements

This news release contains certain forward-looking information and forward-looking statements within the meaning of applicable securities legislation (collectively “forward-looking statements”). The use of any of the word “will” and similar expressions are intended to identify forward-looking statements. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. Such forward-looking statements should not be unduly relied upon. Actual results achieved may vary from the information provided herein as a result of numerous known and unknown risks and uncertainties and other factors. The Company believes the expectations reflected in those forward-looking statements are reasonable, but no assurance can be given that these expectations will prove to be correct. The Company does not undertake to update these forward-looking statements, except as required by law.
