

Intellabridge to Present Karma at the Emerging Growth Conference on July 17, 2024

Karma invites individual and institutional investors as well as advisors and analysts, to attend its real-time, interactive presentation on the Emerging Growth Conference.

Boulder, Colorado and Vancouver, British Columbia--(Newsfile Corp. - July 17, 2024) - Intellabridge Technology Corporation (CSE: KASH) (OTCQB: KASHF) (FSE: KASH), Karma Card Corporation, a fintech company with a mission to be a force for good by integrating philanthropy with financial services, is pleased to announce that it has been invited to present on the Emerging Growth Conference on July 17, 2024.

This dynamic, online event offers both existing shareholders and the investment community the chance to engage live with John Eagleton, CEO of Karma and Intellabridge. The presentation will include an overview of Karma's innovative financial solutions and its positive impact on societal and environmental challenges. The presentation is updated on our investor webpage: intellabridge.com.

Intellabridge will be presenting at 2:50 PM ET. John Eagleton will be open to answer investor questions. Please submit your questions in advance to questions@emerginggrowth.com or ask your questions during the event and he will do his best to get through as many questions as possible.

Please [register here](#) to ensure you are able to attend the conference and receive any updates that are released.

If attendees are not able to join the event live on the day of the conference, an archived webcast will also be made available on EmergingGrowth.com and on the Emerging Growth YouTube Channel, <http://www.YouTube.com/EmergingGrowthConference>. We will release a link to that after the event.

About the Emerging Growth Conference

The Emerging Growth conference is an effective way for public companies to present and communicate their new products, services and other major announcements to the investment community from the convenience of their office, in a time efficient manner.

The Conference focus and coverage includes companies in a wide range of growth sectors, with strong management teams, innovative products & services, focused strategy, execution, and the overall potential for long term growth. Its audience includes potentially tens of thousands of Individual and Institutional investors, as well as Investment advisors and analysts.

All sessions will be conducted through video webcasts and will take place in the Eastern time zone.

We are pleased to announce that our updated investor presentation is now available on our website. This presentation provides comprehensive insights into our recent performance, strategic initiatives, and future outlook. We invite all investors and stakeholders to view the updated presentation by visiting the Investor Relations section of our website.
