

World Class Announces Closing of Business Combination and Conditional Approval from the CSE

Toronto, ON – March 11, 2019 – World Class Extractions Inc. (formerly, CBD Med Research Corp., the “**Corporation**”) is pleased to announce that it has completed its previously announced business combination with an Ontario corporation formerly known as World Class Extractions Inc. (“**Old World Class**”).

On February 13, 2019, the Corporation and Old World Class entered into a definitive business combination agreement (the “**Business Combination Agreement**”) with CBD Acquisition Corp. (“**SubCo**”), a wholly-owned subsidiary of the Corporation, incorporated for the purpose of the business combination. Pursuant to the Business Combination Agreement, the Corporation changed its name to World Class Extractions Inc. and completed a business combination with Old World Class by way of a three-cornered amalgamation pursuant to which Old World Class amalgamated with SubCo (the “**Transaction**”). The resulting amalgamated corporation carried on in the name of World Class Extractions (Ontario) Inc. as a wholly-owned subsidiary of the Corporation. Following the completion of the Transaction, the Corporation intends to carry on the business of Old World Class. For the purposes of this press release, the term “**Resulting Issuer**” means the Corporation following completion of the Transaction.

On February 11, 2019, Old World Class held a special meeting of the shareholders of Old World Class where the shareholders approved the amalgamation with Subco and a split of the issued and outstanding common shares of Old World Class.

Name Change

In connection with the Transaction, and as previously announced in its press release of February 26, 2019, the Corporation effected a share split of its issued and outstanding common shares (“**Common Shares**”) and changed its name to “World Class Extractions Inc.”

Board of Directors

As part of the Transaction, Gary F. Zak resigned from the Corporation solely in his capacity as Chief Executive Officer, Kenneth Philippe resigned as a director and Chief Financial Officer, and H. Barry Hemsworth resigned as a director of the Corporation. The outgoing management and board of directors were replaced by Michael McCombie (Chief Executive Officer), Donal Carroll (Chief Financial Officer and director), Jon Bridgman (director), Donal Carroll (director), Gary F. Zak (director), Dr. K. Sethu Raman (director) and Binyomin Posen (director). The Corporation wishes to thank Mr. H. Barry Hemsworth and Mr. Kenneth Philippe for their many years of dedicated service.

Escrow Release

Further to a previously announced private placement of subscription receipts (“**Subscription Receipts**”) of Old World Class for gross proceeds of approximately \$23,000,000 (the “**Financing**”), Old World Class is pleased to announce that it has satisfied the escrow release conditions set out in the subscription receipt agreement dated October 30, 2018 between Old World Class, Garfinkle Biderman LLP, and First Republic Capital Corporation, and that the net proceeds of \$20,470,000 have been released to the Corporation.

CSE Listing

The Resulting Issuer's securities are not currently listed on any stock exchange. The Resulting Issuer has applied to list the common shares in the capital of the Resulting Issuer (“**Common Shares**”) on the Canadian Securities Exchange (the “**CSE**”), and conditional approval to list the Common Shares has been granted. The Corporation anticipates that the Common Shares will commence trading on the CSE under the ticker symbol “PUMP”. The

Company will provide an update once the CSE has issued a bulletin confirming the date on which trading on the CSE will commence. There is no assurance that the Resulting Issuer will ultimately be able to satisfy the listing requirements of the CSE.

About World Class Extractions Inc.

The Corporation is a Canadian based developer of an innovative extraction process for both the hemp and cannabis industry. The Corporation intends to provide single step continuous flow extraction services to the hemp and cannabis industry. Using patent pending technology, the Corporation's results produce higher yields and better quality crude hemp oil at faster rates. The technology allows the extraction of CBD Oil and other related extracts from wet or dried natural plants. The Corporation can save its clients floor space, utility drying costs, equipment and processing labour costs.

Garfinkle Biderman LLP and Morton Law LLP acted for, respectively, Old World Class and the Corporation in connection with the Transaction.
