

Pineapple Express Delivery Announces Expansion of Cannabis Delivery Services

VANCOUVER, April 6, 2020 – World-Class Extractions Inc. (CSE: PUMP) (FRA:WCF) (OTCQB:WCEXF) (the “Company” or “World-Class”), is pleased to report that its subsidiary Pineapple Express Delivery Inc. (“Pineapple Express Delivery” or “PED”), a leading company offering legal cannabis delivery services for both the medical and recreational markets, is growing its delivery services footprint in three (3) new cities in Ontario, Canada.

Pineapple Express Delivery is expanding its services into the cities of Barrie, Ottawa and London. Pineapple Express Delivery is one of Canada’s premier same-day, next day and other delivery companies for the medical and recreational markets servicing both B2B and B2C customers in the legal cannabis industry. Pineapple Express Delivery offers a personalized experience for its customers and has established in-depth security and delivery protocols to facilitate cannabis delivery across Canada.

Rosy Mondin, CEO of World-Class extractions remarked, “With the closure of retail cannabis stores in Ontario due to the COVID-19 pandemic, Pineapple Express Delivery is ramping up its services to offer Ontarians safe access to legal medical and recreational cannabis. We’re proud that our recent investment in Pineapple Express Delivery is allowing them to expand to additional cities at a time when their services are greatly needed. There has been no interruption of PED’s delivery services to date, and it continues to expand services to meet the growing needs of clients. Pineapple Express Delivery continues to serve and assist both Licensed Producers and other legal suppliers to the Canadian cannabis industry during these trying times. COVID-19 is having an unprecedented impact on our daily lives and PED is helping to minimize the impact by providing reliable delivery so that patients and consumers have confidence their legal cannabis purchases will arrive at their door in a safe and timely fashion.”

Randy Rolph, CEO of Pineapple Express Delivery stated, “We are very pleased to be rapidly expanding to other cities in Ontario, allowing PED to better assist in keeping the public safe during these trying times. With our team’s experience and expertise, we hope to help the surge, and provide safe and secure deliveries throughout the province where we can.”

Through the COVID-19 pandemic, Pineapple Express Delivery has seen a substantial increase in volume throughout the provinces in which it delivers medical and recreational cannabis. In response to an increase in volume from the recreational market in Ontario, Pineapple Express Delivery is in the process of increasing the number of delivery drivers from 104 (currently) to 200.
