Cautionary Note Regarding Forward-Looking Statements

Except for the statements of historical fact contained herein, the information presented in this news release constitutes "forward-looking statements" as such term is used in applicable United States and Canadian laws. These statements involve known and unknown risks, assumptions, uncertainties, and other factors that may cause actual results or events to differ materially. These statements relate to analyses and other information that are based on forecasts of future results, estimates of amounts not yet determinable and assumptions of management. Any other statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, using words or phrases such as "expects" or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans, "estimates" or "intends", or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved) are not statements of historical fact and should be viewed as "forward-looking statements". The Company believes there is a reasonable basis for the expectations reflected in the forward-looking statements, however these expectations may not prove to be correct. Such statements are only projections and predictions, are based on assumptions known to management at this time, and are subject to risks and uncertainties that may cause actual results, performance or developments to differ materially from those contained in the forward-looking statements, certain of which may be beyond the control of the Company including that the Company may not be able to obtain adequate financing to pursue its business plan; general business, economic, competitive, political and social uncertainties; failure to obtain any necessary approvals in connection with the proposed agreements, and other factors beyond the Company's control. Although the Company has attempted to identify important factors that could cause actual actions, events, or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events, or results not to be as anticipated, estimated, or intended. There can be no assurance that such statements will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements contained in this news release and in any document referred to in this news release. The Company assumes no obligation to update or supplement any forward-looking statements whether as a result of new information, future events or otherwise, except as required by applicable law. This press release shall not constitute an offer to sell or the solicitation of an offer to buy securities.

Forward-looking statements include, but are not limited to, the anticipated closing of any acquisitions by the Company, the continued growth and expansion of the Company's operations, and the receipt of regulatory approvals, including the approval of the CSE.

Neither the CSE nor its Market Regulator (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release.
