"By rebranding Maka, which means earth, we are staying aligned to the vision of responsible use. We are providing Maka costumers with free access to expert knowledge while building a community around growth and connection. We believe we need more connection on and to Earth, and we are proud of this initiative," said Todd Shapiro, Chief Executive Officer and Director of the Company. "The new Maka product offerings, produced by the Red Light Holland Truffle Farm which will be distributed by our wholly owned subsidiary plus our e-commerce websites show true vertical integration and hence, create increased profit margins. We believe the Smart Shops will love this rebrand, of an already familiar product, so we are excited to get them on shelves too!"

"The use of psychedelics can be a powerful, life-changing experience. Preparation, a safe set and setting, a healthy mindset and understanding how to integrate the experience are all an integral part of the psychedelic journey and we at Maka are here to support those who go on this journey," said Jeff Hamburg, Red Light Holland therapist and psychedelic journey expert.

Maka Magic Truffles powered by Red Light Holland will be made available at [www.WorldOfMaka.com](http://www.WorldOfMaka.com), for sale only in the Netherlands to adults 18+ by mid-November 2021.
