

Empatho Holdings Inc. Announces OTCQB Market Listing and Commencement of Trading

Toronto, Ontario--(Newsfile Corp. - June 3, 2022) - Empatho Holdings Inc. (CSE: EMPH) (formerly, Shane Resources Ltd.) ("**Empatho**" or the "**Company**") is pleased to announce that it has qualified for trading on the OTCQB Market (the "**OTCQB**") in the United States operated by the OTC Markets Group Inc. The Company's common shares will commence trading on the OTCQB under the symbol "EMPHF" as of the opening of the market today. Empatho's common shares will continue to trade on the Canadian Securities Exchange under the symbol "EMPH".

"Listing Empatho on the OTCQB is a first step to provide easier access and trading capability in our shares for both institutional and retail investors. Trading on OTCQB will contribute to our strategy to continue to enhance our share liquidity and broaden the reach and awareness of our technology and ultimately drive value for our shareholders," stated Yan Namer, CEO & Director of the Company.

The OTCQB offers investors transparent trading in entrepreneurial and development stage U.S. and international companies. To be eligible, companies must be current in their reporting and undergo an annual verification and management certification process. The OTCQB quality standards provide a strong baseline of transparency, as well as the technology and regulation to improve the information and trading experience for investors. Cautionary Statements

This news release contains "forward-looking statements" within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-looking statements.

Generally, such forward-looking information or forward-looking statements can be identified by the use of

forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved". The forward-looking information and forward- looking statements contained herein include, but are not limited to, comments regarding: the efficacy of the Company's proprietary applications and the commencement of trading of the Company's shares on the OTCQB.

Forward-looking information in this news release are based on certain assumptions and expected future events, namely: the Company's ability to continue as a going concern and the continued approval of the Company's activities by the relevant governmental and/or regulatory authorities.

These statements involve known and unknown risks, uncertainties and other factors, which may cause actual results, performance or achievements to differ materially from those expressed or implied by such statements, including but not limited to: risks associated with general economic conditions, adverse industry events, marketing costs, loss of markets, future legislative and regulatory developments, the inability to access sufficient capital on favourable terms, income tax and regulatory matters, the ability of the Company to execute its business strategies, the inability of the Company's proprietary applications to carry out the enumerated functions and risks associated with the Company's common shares trading on the CSE and OTCQB.

Forward-looking statements contained in this news release are expressly qualified by this cautionary statement and reflect the Company's expectations as of the date hereof and are subject to change thereafter. The Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, estimates or opinions, future events or results or otherwise or to explain any material difference between subsequent actual events and such forward-looking information, except as required by applicable law.
