

AUXICO RESOURCES CANADA INC.

NEWS RELEASE

AUXICO APPOINTS NEW CHAIRMAN AND AUDIT COMMITTEE CHAIR

Montreal, Québec / February 19, 2025 - Auxico Resources Canada Inc. (“Auxico”) (CSE: AUAG) is pleased to announce the nomination of Kenneth “Buzz” West as Chairman of the Board and Dan Amadori as Director and Chair of the Audit Committee, effective immediately.

Kenneth “Buzz” West – Chairman of the Board: Mr. West’s experience includes being General Manager of the Middle East & Africa at Reuters and more recently, Founder and Chairman of Kingswood Holdings, wealth managers with circa £12bn in fum. He was also Chair at the leading Loss Adjustor, GAB Robins, where he oversaw its trade sale to Crawford and Co in the U.S.

Dan Amadori – Director and Chair of the Audit Committee: Mr. Amadori, Founder of Lamerac Financial Corp., has led over 125 transactions, totalling roughly \$1.75 billion, across diverse sectors, and offers extensive expertise in corporate finance, supported by credentials from McGill University, Western Business School, and professional designations as a CPA and ICD.D.

“Both appointees bring a wealth of cross-industry experience and proven business track records, and we are very pleased by the vote of confidence they have given the company by accepting these nominations” said Pierre Gauthier, President of Auxico.

Cautionary Note Regarding Forward-Looking Statements

This press release contains statements that constitute “forward-statements.” Such forward looking statements involve known and unknown risks, uncertainties and other factors that may cause the Company’s actual results, performance or achievements, or developments to differ materially from the anticipated results, performance or achievements expressed or implied by such forward-looking statements.

Although the Company believes, in light of the experience of its officers and directors, current conditions and expected future developments and other factors that have been considered appropriate that the expectations reflected in this forward-looking information are reasonable, undue reliance should not be placed on them because the Company can give no assurance that they will prove to be correct. When used in this press release, the words “estimate”, “project”, “belief”, “anticipate”, “intend”, “expect”, “plan”, “predict”, “may” or “should” and the negative of these words or such variations thereon or comparable terminology are intended to identify forward-looking statements and information. The forward-looking statements and information in this press release include information relating to the planned studies, drill program and the development of the Minastyc, El Bento/Monte Verde or other Projects, its sampling programs, indications and other mining projects and prospects thereof, related to the Company’s operations in Colombia and/or Bolivia. Such statements and information reflect the current view of the Company. Risks and uncertainties that may cause actual results to differ materially from those contemplated in those forward-looking statements and information.

By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements.

The forward-looking information contained in this news release represents the expectations of the Company as of the date of this news release and, accordingly, is subject to change after such date. Readers should not place undue importance on forward-looking information and should not rely upon this information as of any other date. The Company undertakes no obligation to update these forward-looking statements in the event that management’s beliefs, estimates or opinions, or other factors, should change.

The Company cautions investors that any forward-looking information provided by the Company is not a guarantee of future results or performance, and that actual results may differ materially

from those in forward-looking information as a result of various risk factors. These factors include, among others, uncertainties arising from the COVID-19 pandemic, and general economic conditions or conditions in the financial markets. The reader is referred to the Company's public filings for a more complete discussion of such risk factors, and their potential effects, which may be accessed through the Company's profile on SEDAR+ (www.sedarplus.ca). Except as required by securities law, the Company does not intend, and does not assume any obligation, to update or revise any forward-looking information, whether as a result of new information, events or otherwise.
