

# Nextleaf to Host Live Webinar, Featuring Canadian Cannabis Industry Trends and Insights

Vancouver, British Columbia--(Newsfile Corp. - January 20, 2025) - **Nextleaf Solutions Ltd. (CSE: OILS) (OTCQB: OILFF) (FSE: LOMA) ("Nextleaf", "OILS", or the "Company")**, a leading life science firm and licensed cannabis processor, invites shareholders, industry peers and media to the upcoming live webinar, "Extracting Value: Industry Trends and Insights." Taking place on January 22<sup>nd</sup>, 2025 (4pm EST/1pm PST), this engaging session will deliver fresh perspectives on market trends, emerging opportunities and Nextleaf's vision for growth.

The graphic is a vertical poster with a black background and yellow accents. On the left, there are two circular headshots. The top one is for Emma Andrews, CEO of Nextleaf, with the text 'FEAT. SPEAKER: EMMA ANDREWS CEO, NEXTLEAF' to her right. The bottom one is for Shadd Dales, host of The Dales Report, with the text 'MODERATOR: SHADD DALES HOST, THE DALES REPORT' to his right. Below the headshots is a QR code with the text 'RSVP:' to its left. On the right side, the title 'EXTRACTING VALUE' is in large white letters, followed by 'TRENDS AND INSIGHTS SHAPING THE FUTURE' in smaller white letters. Below that is a calendar icon and the text 'JANUARY 22 2025 4PM EST | 1PM PST'. At the bottom right, there is a paragraph: 'Explore the trends and insights shaping the competitive landscape and categories we play in.' The background features abstract yellow and white shapes, including a large yellow circle at the top left and a yellow liquid-like splash at the bottom left.

Nextleaf Webinar Features Cannabis Industry Trends and Insights

"Extracting Value: Industry Trends and Insights" live webinar event offers a rare chance to engage directly with thought leaders in the Canadian cannabis industry. This live session features candid discussions on macro forces shaping the market, with a spotlight on extract-based product categories and ingredients. Audience Q&A ensures a dynamic, interactive experience.

## Registration Information

Date: January 22, 2025

Time: 4pm EST / 1pm PST

Duration: 30min discussion, 15min Q&A

RSVP: [https://us06web.zoom.us/webinar/register/WN\\_gONUWanStuJdiP6DDpJKQ](https://us06web.zoom.us/webinar/register/WN_gONUWanStuJdiP6DDpJKQ)

## Featured Speakers

Insights will be led by Nextleaf Solutions CEO Emma Andrews, and moderated by Shadd Dales, Founder and Host of The Dales Report.

## **Emma Andrews, BA, RHN, NPDP**

Emma has been deeply involved in the legal cannabis industry since its inception, with hands-on experience across the entire supply chain—from harvesting technology and extraction to retail operations and product development. Emma brings over a decade of experience in building global brands within the Natural Products Industry prior to cannabis.

## **Shadd Dales**

Shadd Dales is the dynamic host and founder of The Dales Report, a leading media platform delivering cutting-edge insights on cannabis, psychedelics, and emerging industries. With a background in broadcasting and a passion for exploring market trends, Shadd has established himself as a trusted voice and thought leader in the investment community.

"We've intentionally designed this as a candid and interactive conversation - an opportunity for real time questions and insights into our perspective on the Canadian cannabis industry, and the categories we excel in," shares Emma Andrews, CEO.

"With our AGM approaching on January 30<sup>th</sup>, we wanted to provide stakeholders with a more personal forum to gain industry-leading insights, and how we are navigating evolving regulations and competitive dynamics," she continues.

Andrews emphasizes the webinar as an extension of the Company's commitment to transparency and thought leadership within the global cannabis space. "Our goal is to inspire confidence in the future we're building—one driven by innovation, high standards, and open dialogue."

## **About Nextleaf Solutions Ltd.**

Nextleaf® is an innovative cannabis processor and life science firm with a portfolio of federally regulated emerging consumer brands, market validated cannabis derivative products, and high-potency bulk ingredients. Nextleaf's multi-patented, highly automated, closed loop extraction and distillation technology sets the global standard for processing cannabis at scale.

With coast-to-coast distribution, Nextleaf brands are sold through both medical and recreational channels and includes acclaimed legacy-era brand Glacial Gold, and High Plains Cannabis.

The Company has been issued 19 U.S. patents, and 75+ patents globally, on cannabinoid processing including extraction, distillation, and acetylation.

On behalf of the Board of Directors of the Company,  
Emma Andrews, CEO

### **Disclaimers and Disclosure Statements:**

Certain statements contained in this press release constitute "forward-looking statements" within the meaning of applicable securities laws. All statements other than statements of historical fact contained in this press release, including, without limitation, statements regarding the Company's anticipated delivery of its products to provincial markets across Canada and those regarding the Company's strategy, plans, objectives, goals and targets, and any statements preceded by, followed by or that include the words "believe", "expect", "aim", "intend", "plan", "continue", "will", "may", "would", "anticipate", "estimate", "forecast", "predict", "project", "seek", "should" or similar expressions or the negative thereof, are forward-looking statements. These statements are not historical facts but instead represent only the Company's expectations, estimates and projections regarding future events. These statements are not guarantees of future performance and involve assumptions, risks and uncertainties that are difficult to predict. Therefore, actual results may differ materially from what is expressed, implied or forecasted in such forward-looking statements. Additional factors that could cause actual results, performance or achievements to differ materially include, but are not limited to the risk factors discussed in the Company's MD&A for the most recent fiscal period. Management provides forward-looking statements because it believes they provide useful information to investors when considering their investment objectives and cautions investors not to place undue reliance on forward-looking information. Consequently, all of the forward-looking statements made in this press release are qualified by these cautionary statements and other cautionary statements or factors contained herein, and there can be no assurance that the actual results or developments will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, the Company. These forward-looking statements are made as of the date of this press release and the Company assumes no obligation to update or revise them to reflect subsequent information, events or circumstances or otherwise, except as required by law. The Canadian Securities Exchange has not reviewed or approved the contents of this press release.
