## **Forte Minerals Engages Trion Communications GmbH for European Investor Awareness**

**VANCOUVER, British Columbia, April 17, 2025 – Forte Minerals Corp. ("Forte" or the "Company")** ([CSE: CUAU](#)) ([OTCQB: FOMNF](#)) ([Frankfurt: 2OA](#)) is pleased to announce its engagement of **Trion Communications GmbH** ("Trion") to provide investor relations and communication services in the **German-speaking markets**, effective **April 1, 2025**, in accordance with Canadian Securities Exchange ("CSE") policies.

Trion Communications GmbH will support Forte in enhancing visibility among investors in Germany, Austria, and Switzerland. Their role includes distributing company news, translating shareholder communications, coordinating editorial placements in German financial publications, and fielding investor inquiries via multiple channels.

As per the consulting agreement, Trion will receive a monthly fee of €2,500 during an initial three-month trial period ending June 30, 2025. If the Company finds the engagement effective, the term may be extended by an additional three months at the same rate. In addition, Trion will be granted 50,000 stock options of Forte Minerals, vesting quarterly over one year, with a two-year expiry from the grant date, subject to CSE approval.

### **About Trion Communications GmbH**

Trion Communications GmbH is a Germany-based investor relations firm specializing in capital markets outreach for resource and exploration companies. With a proven track record across the DACH region (Germany, Austria, Switzerland), Trion delivers visibility and investor engagement through targeted campaigns, editorial placement, and shareholder communications.

### **About Forte Minerals Corp.**

Forte Minerals Corp. is an exploration company with a strong portfolio of high-quality copper ("Cu") and gold ("Au") assets in Perú. Our strategic partnership with GlobeTrotters Resources Perú S.A.C. ("GTR") grants us access to a comprehensive project pipeline, enabling us to target the most promising opportunities. This collaboration focuses on historically discovered, drill-ready targets, driving significant value in Cu and Au resource development.

*Certain statements included in this press release constitute forward-looking information or statements (collectively, "forward-looking statements"), including those identified by the expressions "anticipate", "believe", "plan", "estimate", "expect", "intend", "may", "should" and similar expressions to the extent they relate to the Company or its management. The forward-looking statements are not historical facts but reflect current expectations regarding future results or events. This press release contains forward looking statements. These forward-looking statements are based on current expectations and various estimates, factors and assumptions and involve known and unknown risks, uncertainties and other factors.*

*Forward-looking statements are not a guarantee of future performance and involve risks, uncertainties and assumptions which are difficult to predict. Factors that could cause the actual results to differ materially from those in forward-looking statements include the continued availability of capital and financing, and general economic, market or business conditions, including the effects of COVID-19. Forward-looking statements contained in this press release are expressly qualified by this cautionary statement. These statements should not be read as guarantees of future performance or results. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from those implied by such statements. Although such statements are based on management's reasonable assumptions, there can be no assurance that the statements will prove to be accurate or that management's expectations or estimates of future developments, circumstances or results will materialize. The Company assumes no responsibility to update or revise forward-looking information to reflect new events or circumstances unless required by law. Readers should not place undue reliance on the Company's forward-looking statements.*

*Neither the Canadian Securities Exchange (the "CSE") nor its Regulation Services Provider (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release.*
