

Micromem Technologies Inc. announces both Exercise and Extension of Warrants, also website photo of productized High Speed Control Circuit

TORONTO AND NEW YORK, Aug. 20, 2012 /CNW/ - Micromem Technologies Inc. (the "Company") (CNSX: MRM, OTCBB: MMTIF) announces issuance of 596,480 Common Shares through a combination of debenture conversion and warrant exercise for total proceeds of CDN \$48,277.56. These Warrants were originally issued in connection with financings completed in 2011. The proceeds will be used for general working capital purposes.

In addition the Company has extended the expiration date by one year of a total of 200,000 Warrants. These Warrants were originally issued with respect to a private placement completed in 2010.

Please visit our website for a photo of our fully productized, assembly line ready high speed control circuit delivered to GSI Westwind.

Safe Harbor Statement

This press release contains forward-looking statements. Such forward-looking statements are subject to a number of risks, assumptions and uncertainties that could cause the Company's actual results to differ materially from those projected in such forward-looking statements. In particular, factors that could cause actual results to differ materially from those in forward looking statements include: our inability to obtain additional financing on acceptable terms; risk that our products and services will not gain widespread market acceptance; continued consumer adoption of digital technology; inability to compete with others who provide comparable products; the failure of our technology; the infringement of our technology with proprietary rights of third parties; inability to respond to consumer and technological demands; inability to replace significant customers; seasonal nature of our business; and other risks detailed in our filings with the Securities and Exchange Commission. Forward-looking statements speak only as of the date made and are not guarantees of future performance. We undertake no obligation to publicly update or revise any forward-looking statements. When used in this document, the words "believe," "expect," "anticipate," "estimate," "project," "plan," "should," "intend," "may," "will," "would," "potential," and similar expressions may be used to identify forward-looking statements.

The CNSX or any other securities regulatory authority has not reviewed and does not accept responsibility for the adequacy or accuracy of this press release that has been prepared by management.
