

Micromem Releases Responses to Romgaz/Chevron Q&A

Toronto, Ontario and New York, New York--(Newsfile Corp. - December 20, 2019) - Micromem Technologies, Inc. (CSE: MRM) (OTCQB: MMTIF) ("Micromem") ("the Company") is pleased to announce an update on the Romgaz due diligence process. Romgaz provided Micromem with a series of questions and the Company has worked directly with a senior engineer from Chevron to prepare the responses. The results can be found at <https://micromeminc.com/wp-content/uploads/2019/12/QA-Romgaz-due-diligence-process-for-Website-PR-2019-1219.pdf>. The Q & A gives an overview and a timeline of the work completed on the AROMA Tracer analyzer technology (ARTRA 171) and its numerous uses in smart well technology and the Internet of Things (IoT) applications.

About Micromem.

Safe Harbor Statement

This press release contains forward-looking statements. Such forward-looking statements are subject to a number of risks, assumptions and uncertainties that could cause the Company's actual results to differ materially from those projected in such forward-looking statements. In particular, factors that could cause actual results to differ materially from those in forward looking statements include: our inability to obtain additional financing on acceptable terms; risk that our products and services will not gain widespread market acceptance; continued consumer adoption of digital technology; inability to compete with others who provide comparable products; the failure of our technology; the infringement of our technology with proprietary rights of third parties; inability to respond to consumer and technological demands; inability to replace significant customers; seasonal nature of our business; and other risks detailed in our filings with the Securities and Exchange Commission. Forward-looking statements speak only as of the date made and are not guarantees of future performance. We undertake no obligation to publicly update or revise any forward-looking statements. When used in this document, the words "believe," "expect," "anticipate," "estimate," "project," "plan," "should," "intend," "may," "will," "would," "potential," and similar expressions may be used to identify forward-looking statements.

The CSE or any other securities regulatory authority has not reviewed and does not accept responsibility for the adequacy or accuracy of this press release that has been prepared by management.
