VANCOUVER and SACRAMENTO, February 3, 2025, Izotropic Corporation (CSE: IZO) (OTCQB: IZOZF) (FSE: 1R3) (“Izotropic” or the “Company”), a medical device company commercializing imaging-based products utilizing innovative and emerging technologies for the more accurate screening, diagnoses, and treatment of breast cancers, is pleased to announce that CEO Robert Thast will be presenting at the Small Cap Growth Virtual Investor Conference this week and will be covering key aspects of the Company’s recent achievements, U.S. and EU regulatory approvals, near-term-objectives, and funding options.

Date: February 6, 2025

Time: 3:00 – 3:30 pm EST / 12:00 – 12:30 pm PST

1 x 1 Meetings: See availability here: <https://calendly.com/izotropic/meeting-with-ceo>

This will be the first public presentation by Izotropic since unveiling its new regulatory strategy for U.S. FDA approval and timelines to market launch of its first medical imaging device, IzoView- a dedicated breast CT imaging system, with contrast-enhancement for breast cancer screening adjunctive to digital breast tomosynthesis, commonly referred to as 3D mammography, for patients with dense breast tissue.

After the formal presentation, attendees will have the opportunity and are encouraged to ask relevant questions through an interactive portal. For anyone registered who cannot attend the live event, an archived webcast will be made available.

Forward-Looking Statements:

This document may contain statements that are "Forward-Looking Statements," which are based upon the current estimates, assumptions, projections, and expectations of the Company's management, business, and its knowledge of the relevant market and economic environment in which it operates. The Company has tried, where possible, to identify such information and statements by using words such as "anticipate," "believe," "envision," "estimate," "expect," "intend," "may," "plan," "predict," "project," "target," "potential," "will," "would," "could," "should," "continue," "contemplate" and other similar expressions and derivations thereof in connection with any discussion of future events, trends or prospects or future operating or financial performance, although not all forward-looking statements contain these identifying words.

These statements are not guarantees of performance and involve risks, including those related to capital requirements and uncertainties that are difficult to control or predict, and as such, they may cause future results of the Company's activity to differ significantly from the content and implications of such statements. Forward-Looking Statements are pertinent only as of the date on which they are made, and the Company undertakes no obligation to update or revise any Forward-Looking Statements to reflect new information or the occurrence of future events or circumstances unless otherwise required to do so by law. Neither the Company nor its shareholders, officers, and consultants shall be liable for any action and the results of any action taken by any person based on the information contained herein, including, without limitation, the purchase or sale of Company securities. Nothing in this document should be deemed to be medical or other advice of any kind. All images are for illustrative purposes only. IzoView has not yet been approved or cleared for sale.
