

American Aires Presenting at the Planet Microcap Showcase on April 23, 2025

- Planet MicroCap events target the global microcap investing community
- 1x1 investor meetings hosted throughout day two of conference
- Aires has sold 400K+ units globally & had record \$18.2M sales in 2024 (preliminary, unaudited number)

Toronto, Ontario--(Newsfile Corp. - April 15, 2025) - [American Aires Inc.](#) (CSE: WIFI) (OTCQB: AAIRF) ("**Aires**" or the "**Company**"), a pioneer in cutting-edge technology designed to protect against electromagnetic field (EMF) radiation and optimize human health, announces the Company will be presenting at the Planet MicroCap Showcase: VEGAS 2025 in partnership with MicroCapClub on Wednesday, April 23, 2025 at 9:30am PT / 12:30pm ET. Attending this conference is a natural progression of the Company's investor relations strategy to broaden its presence amongst a global audience. The Planet MicroCap conference this year is expected to be visited by a record number of over 500 investors, from approximately 30 different countries, which aligns with American Aires' goal of gaining the attention of relevant investors. Communications Director Grant Pasay will host the presentation and answer investor questions. Mr. Pasay will also host 1x1 investor meetings throughout the following day (Thursday, April 24, 2025). Planet MicroCap's exclusive pre-conference video interview with Aires CEO Josh Bruni can be viewed here:

"Our exclusive partnerships with UFC, WWE, and Canada Basketball helped us increase our 2024 sales to a record \$18.2 million (preliminary, unaudited number stated in [Jan. 27, 2025 press release](#))," said Mr. Pasay. "And 2025 will be Aires' first full year to amplify and benefit from those world-class partnerships, which have contributed to the Company reaching sales of 400K+ units across 93 countries to date. We've also expanded our offerings to include EMF-friendly spaces for business and venues, with the Minnesota Timberwolves teaming with us to create a first-of-its-kind EMF-friendly arena for fans, players and employees at Target Center. These are only some of the positive developments that have occurred recently for American Aires. I look forward to updating investors at the upcoming Planet MicroCap Showcase."

About American Aires Inc.

American Aires Inc. is a Canadian-based nanotechnology company committed to enhancing well-being and environmental safety through science-led innovation, education, and advocacy. The company is selling a line of proprietary patented silicon-based resonator products that protect against the potentially harmful effects of electromagnetic field (EMF) radiation.* Aires' Lifetune products diffract EMF radiation emitted by consumer electronic devices such as cellphones, computers, baby monitors, and Wi-Fi, including the more powerful and rapidly expanding high-speed 5G networks. The Aires Certified Spaces™ ([AiresCertifiedSpaces.com](#)) standard is a set of protocols for implementing EMF modulation solutions to create authorized EMF-friendly spaces that support well-being in a tech-driven world. Aires is listed on the CSE under the ticker 'WiFi' and on the OTCQB under the symbol 'AAIRF'. Learn more at [www.investors.airestech.com](#) and [airestech.com/blogs/emf-education](#).

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding future financial position, future market position, growth, innovations, global impact, business strategy, product adoption, use of proceeds, corporate vision, proposed acquisitions, strategic partnerships, joint ventures and strategic alliances and co-operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to materially differ from any future results or performance expressed or implied by the forward-looking information. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions and dependence upon regulatory approvals. Certain material assumptions regarding such forward-looking statements may be discussed in this news release and the Company's annual and quarterly management's discussion and analysis filed at www.sedarplus.ca. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by securities laws.

No securities regulatory authority has either approved or disapproved of the contents of this news release. The Shares have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, or any state securities laws, and may not be offered or sold in the United States, or to or for the account or benefit of any person in the United States, absent registration or an applicable exemption from the registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy any common shares in the United States, or in any other jurisdiction in which such offer, solicitation or sale would be unlawful. We seek safe harbour.
