

BIOVAXYS ANNOUNCES EXTENSION OF PRIVATE PLACEMENT CLOSING DATE

// NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES //

VANCOUVER, BC, Jan. 23, 2025 /CNW/ -- BioVaxys Technology Corp. (CSE: BIOV) (FRA: 5LB) ("**BioVaxys**" or the "**Company**") is pleased to announce, further to its news release of January 10, 2025, an extension of its previously announced non-brokered private placement offering of units of the Company (the "**Units**") at a price of \$0.05 per Unit (the "**Private Placement**"). Each Unit consists of one (1) common share in the capital of the Company (each, a "**Share**") and one (1) whole Share purchase warrant (each, a "**Warrant**"), whereby each Warrant is convertible into one additional Share at an exercise price of \$0.15 for a period of 24 months from the date of issuance.

In order to provide sufficient time for additional investors to participate in the Private Placement, the Company has extended the closing date of its fourth and final tranche (the "**Final Tranche**") of the Private Placement previously scheduled for January 24, 2025, to on or about, but no later than, February 7, 2025. The Company intends to use the net proceeds of the Final Tranche for working capital. All securities to be issued pursuant to the Final Tranche will be subject to a statutory hold period of four months and one day from the date of issuance in accordance with applicable securities law.

This news release does not constitute an offer to sell or a solicitation of an offer to buy of any securities in the United States. The securities described herein have not been, and will not be, registered under the *United States Securities Act of 1933*, as amended (the "**U.S. Securities Act**"), or any state securities laws, and may not be offered or sold within the United States except in compliance with the registration requirements of the U.S. Securities Act and applicable state securities laws or pursuant to available exemptions therefrom.

About BioVaxys Technology Corp.

BioVaxys Technology Corp. (www.biovaxys.com), a company registered in British Columbia, Canada, is a clinical-stage biopharmaceutical company dedicated to improving patient lives with novel immunotherapies based on the DPX™ immune-educating technology platform and its HapTenix® 'neoantigen' tumor cell construct platform, for treating cancers, infectious disease, antigen desensitization, and other immunological fields. DPX™ is a patented antigen delivery platform that can incorporate a range of bioactive molecules to produce targeted, long-lasting immune responses enabled by various formulated components. The DPX platform facilitates antigen delivery to regional lymph nodes and has been demonstrated to induce robust and durable T cell and B cell responses in pre-clinical and clinical studies for both cancer and infectious disease. BioVaxys' common shares are listed on the Canadian Securities Exchange under the stock symbol "BIOV", on the Frankfurt Bourse (FRA: 5LB), and quoted in the US on the OTC Markets. Cautionary Statements Regarding Forward Looking Information

*This news release includes certain "forward-looking information" and "forward-looking statements" (collectively "**forward-looking statements**") within the meaning of applicable securities legislation. All statements, other than statements of historical fact, included herein, without limitation, statements relating to the Private Placement, including the Final Tranche thereof, are forward-looking statements. Forward-looking statements are frequently, but not always, identified by words such as "expects", "anticipates", "believes", "intends", "estimates", "potential", "possible", and similar expressions, or statements that events, conditions, or results "will", "may", "could", or "should" occur or be achieved. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those expressed or implied in such forward-looking statements.*

These forward-looking statements reflect the beliefs, opinions and projections on the date the statements are made and are based upon a number of assumptions and estimates, primarily the assumption that BioVaxys will be successful in developing and testing vaccines, that, while considered reasonable by BioVaxys, are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. Many factors, both known and unknown, could cause actual results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements and the parties have made assumptions and estimates based on or related to many of these factors. Such factors include, without limitation, the closing of the Final Tranche. BioVaxys does not assume any obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by applicable securities laws.

The Canadian Securities Exchange has not reviewed, approved nor disapproved the contents of this press release and does not accept responsibility for the adequacy or accuracy of this release.
