

BioVaxys Technology Corp. Announces Debt Settlement Agreement

// NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES //

VANCOUVER, BC, April 1, 2025 /CNW/ -- BioVaxys Technology Corp. (CSE: BIOV) (FRA: 5LB) ("**BioVaxys**" or the "**Company**") announces that it has entered into a debt settlement agreement with THECCSGROUP (the "**Lender**") to settle an aggregate of \$60,000 in debt owed to the Lender by issuing 1,200,000 common shares in the capital of the Company (each, a "**Share**") at a deemed value of \$0.05 per Share (the "**Debt Settlement**"). The board of directors of the Company has determined that it is in the best interests of the Company to settle the outstanding debt through the issuance of Shares in order to preserve the Company's cash for working capital purposes.

All securities proposed to be issued in connection with the Debt Settlement will be subject to a statutory hold period of four months from the date of issuance in accordance with applicable securities legislation. The closing of the Debt Settlement is conditional upon the receipt of all applicable corporate and regulatory approvals, including the acceptance of the Canadian Securities Exchange.

This news release does not constitute an offer to sell or a solicitation of an offer to buy of any securities in the United States. The securities described herein have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**"), or any state securities laws, and may not be offered or sold within the United States except in compliance with the registration requirements of the U.S. Securities Act and applicable state securities laws or pursuant to available exemptions therefrom.

About BioVaxys Technology Corp.

BioVaxys Technology Corp. (www.biovaxys.com), a biopharmaceuticals company registered in British Columbia, Canada, is a clinical-stage biopharmaceutical company dedicated to improving patient lives with novel immunotherapies based on the DPX™ immune-educating technology platform and its HapTenix© 'neoantigen' tumor cell construct platform, for treating cancers, infectious disease, antigen desensitization, and other immunological fields. The Company's clinical stage pipeline includes maveropepimut-S which is in Phase II clinical development for advanced Relapsed-Refractory Diffuse Large B Cell Lymphoma (DLBCL) and platinum resistant ovarian cancer, and BVX-0918, a personalized immunotherapeutic vaccine using its proprietary HapTenix© 'neoantigen' tumor cell construct platform which is soon to enter Phase I in Spain for treating refractive late-stage ovarian cancer.

The Company is also capitalizing on its tumor immunology know-how and creation of a unique library of T-lymphocytes & other datasets post-vaccination with its personalized immunotherapeutic vaccines to utilize predictive algorithms and other technologies to identify new targetable tumor antigens.

BioVaxys common shares are listed on the Canadian Securities Exchange under the stock symbol "BIOV" and trade on the Frankfurt Bourse (FRA: 5LB) and in the U.S. on the OTC Markets (OTCQB marketplace). For more information, visit www.biovaxys.com and connect with us on X and LinkedIn.

Cautionary Statements Regarding Forward Looking Information

*This news release includes certain "forward-looking information" and "forward-looking statements" (collectively "**forward-looking statements**") within the meaning of applicable securities legislation. All statements, other than statements of historical fact, included herein, without limitation, statements relating to the Debt Settlement, including the related issuance of the Shares and the receipt of approval thereof, are forward-looking statements. Forward-looking statements are frequently, but not always, identified by words such as "expects", "anticipates", "believes", "intends", "estimates", "potential", "possible", and similar expressions, or statements that events, conditions, or results "will", "may", "could", or "should" occur or be achieved. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those expressed or implied in such forward-looking statements.*

These forward-looking statements reflect the beliefs, opinions and projections on the date the statements are made and are based upon a number of assumptions and estimates, primarily the assumption that BioVaxys will be successful in developing and testing vaccines, that, while considered reasonable by BioVaxys, are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. Many factors, both known and unknown, could cause actual results, performance or achievements to be materially different from the results, performance

or achievements that are or may be expressed or implied by such forward-looking statements and the parties have made assumptions and estimates based on or related to many of these factors. Such factors include, without limitation, the ability of the Company to obtain the necessary approvals to proceed with the Debt Settlement. BioVaxys does not assume any obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by applicable securities laws.

The Canadian Securities Exchange has not reviewed, approved nor disapproved the contents of this press release and does not accept responsibility for the adequacy or accuracy of this release.
