MANAGEMENT INFORMATION CIRCULAR FOR ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

(Containing information as at January 3, 2021, unless otherwise stated)

SOLICITATION OF PROXIES

This management information circular (the “Circular”) is furnished in connection with the solicitation of proxies by the management of Class 1 Nickel and Technologies Limited (the “Corporation”), for use at the annual and special meeting (the “Meeting”), of the holders (“Shareholders”) of common shares without par value in the capital of the Corporation (the “Shares”), to be held on Wednesday, the 3rd day of February, 2021, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof. It is expected that the solicitation of proxies on behalf of management will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers, employees or agents of the Corporation. The cost of soliciting proxies on behalf of management will be borne by the Corporation. The Corporation may also reimburse brokers and other persons holding Shares in their names or in the name of nominees, for their costs incurred in sending proxy materials to beneficial owners and obtaining their proxies or voting instructions.

APPOINTMENT OF PROXIES

The persons named in the accompanying form of proxy (the “Proxy”) are representatives of management of the Corporation and are directors and/or officers of the Corporation. **A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM/HER ON HIS/HER BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED PROXY. TO EXERCISE THIS RIGHT, A SHAREHOLDER MAY STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE PROXY AND INSERT THE NAME OF HIS/HER NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS RETURNED TO CTA IN ACCORDANCE WITH THE INSTRUCTIONS SET OUT IN THE FORM OF PROXY**

ACCOMPANYING THE MANAGEMENT INFORMATION CIRCULAR, NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ANY ADJOURNMENT THEREOF.

The Proxy must be signed by the Shareholder or by his/her attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

NON-REGISTERED HOLDERS

Only those Shareholders whose names appear on the books and records of the Corporation (“**Registered Shareholders**”), or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Corporation has distributed copies of the Meeting materials to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward Meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries will often use service companies to forward the Meeting materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting materials will either:

- A. be given a voting instruction form which must be completed and signed by the Non-Registered Holder in accordance with the directions on the voting instruction form (which may in some cases permit the completion of the voting instruction form by telephone); or
- B. be given a Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Shares beneficially owned by the Non-Registered Holder, but which is otherwise uncompleted. This Proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a Proxy should otherwise properly complete the form of Proxy and deposit it with CTA, as described above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Shares they beneficially own. Should a Non-Registered Holder who receives either a Proxy or a voting instruction form wish to attend and vote at the Meeting in person (or have another person

attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the Proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. *In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies.*

REVOCATION

A Registered Shareholder who has given a Proxy may revoke the Proxy by:

- (a) completing and signing a Proxy bearing a later date and depositing it with CTA as described above;
- (b) depositing an instrument in writing executed by the Shareholder or by the Shareholder's attorney authorized in writing: (i) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of the Meeting, at which the Proxy is to be used, or (ii) with the chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment of the Meeting; or
- (c) in any other manner permitted by law.

A Non-Registered Holder may revoke a voting instruction form or a waiver of the right to receive meeting materials and to vote given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary may not be required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting materials and to vote that is not received by the Intermediary at least seven days prior to the Meeting.

VOTING OF PROXIES

The management representatives designated in the enclosed Proxy will vote or withhold from voting the Shares in respect of which they are appointed by Proxy on any ballot that may be called for in accordance with the instructions of the Shareholder as indicated on the Proxy and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly. **Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Shares represented by such form of proxy, properly executed FOR the matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting.**

The enclosed Proxy confers discretionary authority upon the management representatives designated in the Proxy with respect to amendments to or variations of matters identified in the notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Corporation know of no such amendments, variations or other matters.

Although the forward-looking statements contained in this Circular are based upon what management believes are reasonable assumptions, there can be no assurance that actual results will be consistent with such forward-looking statements. All forward-looking statements are made as of the date of this Circular, and the Corporation assumes no obligation to update or revise them to reflect new events or circumstances. Accordingly, readers should not place undue reliance on forward-looking statements.

Stock Option Plans and Other Compensation Securities

The Corporation created a stock option plan that was approved by the Board on December 21, 2020 (the “Stock Option Plan”). The purpose of the Stock Option Plan is to assist the Corporation in attracting, retaining and motivating directors, officers, employees and consultants (together, “service providers”) of the Corporation and of its affiliates and to closely align the personal interests of such service providers with the interests of the Corporation and its Shareholders.

The Stock Option Plan provides that the aggregate number of Common Shares reserved for issuance pursuant to options granted under the Stock Option Plan will not exceed 10% of the number of Common Shares of the Corporation issued and outstanding from time to time.

The Stock Option Plan is administered by the Board, which has full and final authority with respect to the granting of all options thereunder subject to the express provisions of the Stock Option Plan.

Options may be granted under the Stock Option Plan to such directors, employees, consultants or management company employees of the Corporation and its subsidiaries, if any, as the Board may from time to time designate. Option exercise prices will be determined by the Board, but will, in no event, be lower than the greater of the closing market prices of the underlying securities on (a) the trading day prior to the date of grant of the stock options, and (b) the date of grant of the stock options. The Stock Option Plan complies with National Instrument 45-106 *Prospectus Exemptions*

and provides that the number of Common Shares which may be reserved for issuance on a yearly basis to any one related person upon exercise of all stock options held by such individual may not exceed 5% of the issued Common Shares calculated at the time of grant. Moreover, the Corporation cannot issue grants to related persons if in the aggregate their grants would, on a fully diluted basis, exceed 10% of the issued and outstanding Common Shares of the Corporation.

The Stock Option Plan is the Corporation's only equity compensation plan. As of the date of this Circular, the Corporation has no options outstanding to purchase Common Shares. The following table is a summary setting out the options which have been granted to directors, officers, employees, consultants or others as at the date of this Circular:

CORPORATE GOVERNANCE

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

General

The board of directors (the “**Board**”) of the Corporation believes that effective corporate governance contributes to improved corporate performance and enhanced Shareholder value. The Corporation’s governance practices are subject to at least an annual review and evaluation through the Board’s Nominating and Corporate Governance Committee to ensure that, as the Corporation’s business develops and grows, changes in structure and process necessary to ensure continued good governance are identified and implemented.

The Canadian Securities Administrators (“**CSA**”) have adopted National Policy 58-201 *Corporate Governance Guidelines*, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Corporation. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) which prescribes certain disclosure by the Corporation of its corporate governance practices.

This section sets out the Corporation’s approach to corporate governance and provides the disclosure requested by Form NI 58-101F2. The following statement has been prepared by the Nominating and Corporate Governance Committee and approved by the Board.

BOARD OF DIRECTORS

As of the date hereof, the Board is comprised of four members. All four of the directors as at the date hereof are standing for re-election. The Board is responsible for determining whether or not each director is “independent”. To do this, the Board analyzes all the relationships of the directors with the Corporation and its subsidiaries. Pursuant to NI 58-101 and National Instrument 52-110 *Audit Committees* (“**NI 52-110**”), a director is independent if such director has no direct or indirect material relationship with the Corporation, which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member’s independent judgment. None of the independent directors are engaged in the day-to-day operations of the Corporation or are a party to any material on-going contracts with the Corporation. More information about each director can be found in the Circular under the heading “*Information Concerning Nominees Submitted by Management*”.

The role of the Chairman for each Board meeting is determined on a revolving basis among the various members of the Board. The primary roles for the meeting’s Chairman is setting the meeting

agenda and chairing meetings of the Board, working to ensure that the Board works together as a cohesive team with open communication.

Mr. Benjamin Cooper currently serves as the Chief Executive Officer and President of the Corporation and is therefore not considered to be “independent”.

Mr. David Fitch, Mr. Mathew Gilbertson, and Mr. David Crevier are considered to be “independent” in that none of them has any direct or indirect material relationship with the Corporation.

The Role of the Chief Executive Officer

The Chief Executive Officer of the Corporation is a member of the Board. In addition to being the primary liaison with the Board itself, the Chief Executive Officer’s role is to directly oversee the day-to-day operations of the Corporation, lead and manage the senior management of the Corporation, and to implement the strategic plans, risk management and policies of the Corporation. The Board and the Chief Executive Officer work together to ensure that critical information flows to the Board, that discussions and debate of key business issues are fostered and afforded adequate time and consideration, that consensus on important matters is reached, and decisions, delegation of authority and actions are taken in such a manner as to enhance the Corporation’s business and functions. The Board currently believes that it is in the best interests of the Corporation and its shareholders that the Chief Executive Officer of the Corporation is a member of the Board.

DIRECTORSHIPS

The following table provides details regarding directors of the Corporation who served as a director on the board of another reporting issuer as of the date of the Circular:

Director	Other Company
Benjamin Cooper	N/A
David Fitch	QEM Limited (ASX: QEM)
Mathew Gilbertson	N/A
David Crevier	Goldstar Minerals Inc. (TSX: GDM)

ORIENTATION AND CONTINUING EDUCATION

The Corporation does not provide a formal orientation or education program for new directors. However, when new directors are appointed, they receive an informal orientation, commensurate with their previous experience, relating to the Corporation’s industry, business and operations and the responsibilities of directors of public companies, as well as training with respect to the Corporation’s corporate strategy and the role of the Board, its committees and its directors by the current directors and senior officers. The members of the Board have experience in mineral

exploration projects, mining, legal, financial and audit matters and capital markets and they continue to work in these areas. New directors meet with management of the Corporation in addition to the other directors of the Corporation to discuss the Corporation's business. The Board receives a monthly report from management with respect to the Corporation's business. The Board encourages directors to participate in continuing education opportunities in order to ensure that directors maintain or enhance their skills and abilities as directors, and maintain a current and thorough understanding of the Corporation's business.

ETHICAL BUSINESS CONDUCT

The Board has determined that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation, the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

NOMINATION OF DIRECTORS

The Board periodically reviews the size of the Board and any possible requirement for an increase or decrease in members of the Board. It also recruits and reviews candidates for the position of director and selects the most appropriate for consideration as a potential director nominee.

The Board's considerations include:

- (a) competencies and skills that the Board, as a whole, should possess and the competencies and skills of each current director. The Board reviews, on an annual basis, the requisite skills and criteria for Board members as well as the composition and size of the Board as a whole in order to ensure that the Board has the requisite expertise, that its membership consists of persons with sufficiently diverse and independent backgrounds, and that its membership consists of an appropriate number of independent directors;
- (b) identification of individuals qualified to become Board members, consistent with criteria set out by the Board; and
- (c) questions of independence and possible conflicts of interest of members of the Board and of senior managers.

COMPENSATION

The Board determines compensation and incentive awards for the directors and senior officers of the Corporation based on the individual's skill level and the comparative industry compensation level.

OTHER BOARD COMMITTEES

The Board currently has no other committees other than the Audit Committee.

ASSESSMENTS

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and Board committees.

The Board assesses, on an informal basis, the effectiveness of the Board as a whole, the Chairman of the Board, Board committees and the contribution of individual directors. The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and its committees. As a result of the Corporation's size, its stage of development, and the number of directors of the Corporation, the Board has considered this assessment process to be appropriate at this time. The Board will review this process periodically and make recommendations with respect to the assessment process as necessary.

COMPOSITION OF THE AUDIT COMMITTEE

The Corporation’s Audit Committee is comprised of three directors, consisting of Benjamin Cooper, Mathew Gilbertson and David Crevier. The following table sets out the names of the members of the Audit Committee and whether they are “independent” and “financially literate” for the purposes of National Instrument 52-110 *Audit Committees* (“NI 52-110”).

Name of Member	Independent ⁽¹⁾	Financially Literate ⁽²⁾
Benjami Cooper	No	Yes

Mathew Gilbertson	Yes	Yes
David Crevier	Yes	Yes

Notes:

- (1) To be independent, a member of the Audit Committee must not have any direct or indirect “material relationship” with the Corporation. A material relationship is a relationship, which could, in the view of the Board, reasonably interfere with the exercise of a member’s independent judgment. Accordingly, an executive officer of the Corporation is not independent, nor is a director that is paid consulting fees for non-director services provided to the Corporation.
- (2) To be considered financially literate, a member of the audit committee must have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the corporation’s financial statements.

RELEVANT EDUCATION AND EXPERIENCE

NI 52-110 provides that an individual is “financially literate” if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation’s financial statements.

All of the members of the Corporation’s current audit committee are “financially literate” as that term is defined in NI 52-110.

Benjamin Cooper: Mr. Cooper has more than 20 years of experience working in the capital markets as a corporate advisor and public company director in Australia. Most recently, he founded Vanicom Resources Limited, an Australian privately held mineral exploration company and previously Legendary’s sole shareholder, and served as an executive director thereof (June 2018 to September 2019). As director (July 2007 to Present) of Cooper Corporate & Consulting Pty Ltd, a consulting firm focused on the resource extraction industry, Mr. Cooper has assisted public companies in raising capital through various equity and debt financings, and has served in a number of roles related to the financing, administration, marketing and management of public companies. He has significant experience working as an advisor to resource industry participants.

Mathew Gilbertson: Mr. Gilbertson has more than 25 years of management experience in both the public and private sectors, as an executive and as a board member. As a board member, Mr. Gilbertson has utilized his financial understanding and operational experience to help rescue distressed not-for-profit organisations. Practically, Mr. Gilbertson has worked on technology implementation and integration projects across Australia, US and Europe, and is an executive consultant helping senior leaders utilise technology efficiently. Mr. Gilbertson has extensive operational experience, gained through his extensive construction and mining background and his many years consulting across many different business verticals, which enables him to bridge operational, financial, technical and governance requirements.

David Crevier: Mr. Crevier is a member of the Barreau du Quebec and has practiced as a lawyer since 1975, primarily in the area of commercial law, assisting public and private companies in the natural resource and technology sectors. Mr. Crevier has acted as a director for Goldstar Minerals

Inc., a TSX Venture-listed issuer, since September 2016. Mr. Crevier has acted as a director for several publicly traded companies focusing on corporate governance and public disclosure. Mr. Crevier has previously served as a director or officer of Yorbeau Resources Inc., Cancor Mines Inc., Sierra Metals Inc., and Keywest Energy Corporation, among others.

All members have an understanding of the accounting principles used by the Corporation to prepare its financial statements and have an understanding of its internal controls and procedures for financial reporting.

AUDIT COMMITTEE OVERSIGHT

At no time since the commencement of the Corporation's most recently completed financial year was a recommendation of the Committee to nominate or compensate an external auditor adopted by the Board. At the Meeting, it is proposed to re-appoint Wasserman Ramsay as auditor of the Corporation and to authorize remuneration to be fixed by the Board. The auditor of the Corporation will hold office until the next annual general meeting of the Shareholders or until its successor is appointed.

RELIANCE ON CERTAIN EXEMPTIONS

Since the commencement of the Corporation's most recently completed financial year, the Corporation has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

PRE-APPROVAL POLICIES AND PROCEDURES

Formal policies and procedures for the engagement of non-audit services are set out in the Audit Committee Charter.

EXEMPTION

In respect of the most recently completed financial year, the Corporation relied upon the exemption set out in section 6.1 of NI 52-110 with respect to compliance with the requirements of Part 3 (Composition of the Committee) and Part 5 (Reporting Obligations) of NI 52-110.
