Eligible Person continuously since the Option Date. Absence on leave, with the approval of the Company, shall not be considered an interruption of employment for the purpose of the Plan.

(c) Termination

All rights to exercise Options shall terminate upon the earliest of:

- (ii) the end of the period of time permitted for exercise of the Option (such period of time to not be in excess of six months and to be determined by the Board at the time of the grant of an Option or the cessation of the Optionee as an Eligible Person), after the Optionee ceases to be an Eligible Person for any reason other than death, disability or cause;

(e) Transferability of Option

(f) Other Terms and Conditions

The Option Agreement may contain such other provisions as the Board deems appropriate, provided such provisions are not inconsistent with the Plan and the requirements of the Exchange.

In addition, for as long as the Common Shares of the Company are listed on the TSX Venture Exchange, the Company shall comply with the following requirements:

- (i) Options to acquire more than 2% of the issued and outstanding Common Shares of the Company may not be granted to any one Consultant in any 12 month period;

- (ii) Options to acquire more than an aggregate of 2% of the issued and outstanding Common Shares of the Company may not be granted to persons employed to provide Investor Relations Activities in any 12 month period;
- (iii) Options issued to Eligible Persons performing Investor Relations Activities must vest in stages over 12 months with no more than one-quarter of the Options vesting in any three month period;
- (iv) Without disinterested shareholder approval, the Company shall not:
 - A. grant Options to any one individual in any 12 month period to acquire more than 5% of the issued and outstanding Common Shares of the Company;
 - B. make any amendment to or reduction in the exercise price of the Option if the Optionee is an insider of the Company at the time of the amendment;
 - C. for grants of Options if the Plan, together with all of the Company's previously established and outstanding stock option plans or grants, could result at any time in the grant to insiders of the Company, within a 12-month period, of a number of Option Shares exceeding 10% of the Company's issued Common Shares; and
 - D. grant Options, if a stock option plan, together with all of the Company's previously established and outstanding stock option plans or grants, could result at any time in the number of shares reserved for issuance under stock options granted to Insiders exceeding 10% of the Company's issued shares.

For the purposes of this subsection, the term "insider" has the meaning assigned in the securities legislation applicable to the Company; and

- (v) for Options granted to the employees, Consultants or management company employees of the Company, the Company will represent that the Optionee is a *bona fide* employee, Consultant or management company employee of the Company, as the case may be.

8. ADJUSTMENT OF AND CHANGES IN THE OPTION SHARES

- (a) If the Option Shares are at any time to be listed or quoted on any stock exchange or stock quotation system other than the Exchange, to the extent that there are any Options which are outstanding and unexercised at the time of such application for listing, the Option Price, the aggregate number of Option Shares, the exercise period, and any other relevant terms of such Options, and the Option Agreements

in relation thereto, shall be amended in accordance with the requirements of any applicable securities regulation or law or any applicable governmental or regulatory body (including the Exchange). Subject to the requirements of the Exchange, any such amendment shall be effective upon receipt of Board approval of it, and the approval of any of the shareholders of the Company or any of the Optionees is not required to give effect to such amendment.

- (b) If the Option Shares, as presently constituted, are changed into or exchanged for a different number or kind of shares or other securities of the Company or of another corporation (whether by reason of merger, consolidation, amalgamation, recapitalization, reclassification, share subdivision or split, share consolidation or reverse split, combination of shares, or otherwise) or if the number of such Option Shares are increased through the payment of a stock dividend, then there shall be substituted for or added to each Option Share subject to or which may become subject to an Option under this Plan, the number and kind of shares or other securities into which each outstanding Option Share is so changed, or for which each such Option Share is exchanged, or to which each such Option Share is entitled, as the case may be. Outstanding Options under the Option Agreements shall also be appropriately amended as to price and other terms as may be necessary to reflect the foregoing events. If there is any other change in the number or kind of the outstanding Option Shares or of any shares or other securities into which such Option Shares are changed, or for which they have been exchanged, then, if the Board determines, in its sole discretion, that such change equitably requires an adjustment in any Option theretofore granted or which may be granted under the Plan, such adjustment shall be made in accordance with such determination.
- (c) Fractional shares resulting from any adjustment in Options pursuant to this Section 8 will be rounded up or down to a whole number of shares.
- (d) Notice of any adjustment shall be given by the Company to each holder of an Option which has been so adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.

9. PAYMENT

Subject as hereinafter provided, the full purchase price for each of the Option Shares shall be paid by certified cheque, money order or bank draft in favour of the Company upon exercise thereof. An Optionee shall have none of the rights of a shareholder in respect of the Option Shares until the shares are issued to such Optionee.

10. SECURITIES LAW REQUIREMENTS

No Option shall be exercisable in whole or in part, nor shall the Company be obligated to issue any Option Shares pursuant to the exercise of any such Option, if such exercise and issuance would, in the opinion of counsel for the Company, constitute a breach of any applicable laws

from time to time, or the rules from time to time of the Exchange. Each Option shall be subject to the further requirement that if at any time the Board determines that the listing or qualification of the Option Shares under any securities legislation or other applicable law, or the consent or approval of any governmental or other regulatory body (including the Exchange), is necessary as a condition of, or in connection with, the issue of the Option Shares hereunder, such Option may not be exercised in whole or in part unless such listing, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Board.

11. AMENDMENT OF THE PLAN

- (a) The Board may amend, suspend or terminate the Plan or any portion thereof at any time, but an amendment may not be made without shareholder approval if such approval is necessary to comply with any applicable regulatory requirement.
- (b) The Board shall have the power, in the event of:
 - (i) any disposition of substantially all of the assets of the Company, dissolution or any merger, amalgamation or consolidation of the Company, with or into any other Company, or the merger, amalgamation or consolidation of any other Company with or into the Company; or
 - (ii) any acquisition pursuant to a public tender offer of a majority of the then issued and outstanding Common Shares;

but subject to compliance with the rules of the Exchange, to amend any outstanding Options to permit the exercise of all such Options prior to the effectiveness of any such transaction, and to terminate such Options as of such effectiveness in the case of transactions referred to in subsection (i) above, and as of the effectiveness of such tender offer or such later date as the Board may determine in the case of any transaction described in subsection (ii) above. If the Board exercises such power, all Options then outstanding and subject to such requirements shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Board prior to the effectiveness of such transaction, and such Options shall also be deemed to have terminated as provided above.

12. POWER TO TERMINATE OR AMEND PLAN

Subject to the approval of the Exchange, the Board may terminate, suspend or amend the terms of the Plan but, the Board may not do any of the following without obtaining, within 12 months either before or after the Board's adoption of a resolution authorizing such action, shareholder approval, and, where required, disinterested shareholder approval, or by the written consent of the holders of a majority of the securities of the Company entitled to vote:

- (a) increase the aggregate number of Common Shares which may be issued under the Plan;
- (b) materially modify the requirements as to the eligibility for participation in the Plan which would have the potential of broadening or increasing Insider participation; and

- (c) materially increase the benefits accruing to participants under the Plan.

However, the Board may amend the terms of the Plan to comply with the requirements of any applicable regulatory authority without obtaining shareholder approval, including:

- (a) amendments of a housekeeping nature to the Plan;
- (b) a change to the vesting provisions of a security or the Plan; and
- (c) a change to the termination provisions of a security or the Plan which does not entail an extension beyond the original expiry date.

13. SHAREHOLDER APPROVAL

This Plan is subject to the approval of the shareholders of the Company at the next annual general meeting of the Company.
