ONE WORLD LITHIUM ANNOUNCES ENGAGEMENT OF MONTGOMERY AND ASSOCIATES

VANCOUVER, BC – August 01, 2019 - One World Lithium Inc. (OTCQB-OWRDF) (CSE-OWLI) (the “Company” or “OWL”) announces that it has engaged Montgomery and Associates (“M&A”) to consult with the Company on its exploration program at its Salar del Diablo lithium project located in Baja California, Mexico. M&A will consult with the Company and John Hiner, the Company’s Principal Geologist and Operator in planning the upcoming drilling program that is intended to reach a depth of 500 meters. M&A, from their Santiago, Chile offices has considerable success in recommending drilling and exploration programs to test lithium/brine projects in Argentina and Chile. M&A has worked closely with companies such as SQM, Millennial Lithium, Lithium Americas, Galaxy Lithium as well as numerous other lithium companies in South America and other parts of the world.

About Montgomery and Associates

M & A is a water resources consulting firm that also supports mine feasibility, permitting, and environmental impact studies. M&A’s client list includes most of the world’s major domestic and international mining entities. M&A’s headquarters are in Tucson, Arizona, and they have been working in South America since 1984, and have offices in Salta, Argentina, Santiago, Chile and Lima, Perú.

Doug Fulcher, One World Lithium’s CEO and President noted “With our second phase of drilling planned to begin this fall, we are pleased to have Montgomery and Associates as consultants. They have successfully assisted in completing exploration programs including drilling lithium/brine projects in Argentina and Chile.”
