Forward Looking Information

This news release contains certain “forward-looking information” and “forward-looking statements” (collectively “**forward-looking statements**”) within the meaning of applicable securities legislation. Forward-looking statements are frequently, but not always, identified by words such as “expects”, “anticipates”, “believes”, “intends”, “estimates”, “potential”, “possible”, and similar expressions, or statements that events, conditions, or results “will”, “may”, “could”, or “should” occur or be achieved. All statements, other than statements of historical fact, included herein, without limitation, relating to the change of the name of the Company, with the related CUSIP/ISIN assignment and change to trading symbol, including the anticipated timing thereof, are forward-looking statements. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Forward-looking statements reflect the beliefs, opinions and projections on the date the statements are made and are based upon a number of assumptions and estimates that, while considered reasonable by Interra, are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. Many factors, both known and unknown, could cause actual results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements and the parties have made assumptions and estimates based on or related to many of these factors. Such factors include, without limitation, risks associated with the ability of the Company to receive all necessary regulatory approvals for the name and trading symbol changes. Although the Company believes that the assumptions underlying these statements are reasonable, they may prove to be incorrect, and the Company can give no assurance that the name change, trading symbol change, or any other forward-looking events will occur as anticipated or at all. Readers should not place undue reliance on the forward-looking statements and information contained in this news release concerning these items. Interra does not assume any obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by applicable securities laws.
