1. Nature of operations and going concern

GAR Limited (the "Company") was incorporated on February 20, 1987 under the Business Corporations Act (Ontario). The Company is in the business of acquiring, exploring for and developing mineral properties in Canada. Substantially all of the efforts of the Company are devoted to these business activities. To date the Company has not earned significant revenue and is considered to be in the exploration stage. The ability of the Company to carry out its business plan rests with its ability to secure equity and other financing.

On June 23, 1998, the Ontario Securities Commission ("Commission") issued a Notice of Order (Cease Trade Order) against the Company for failure to file financial statements and management's discussion and analysis. Other provincial securities commissions subsequently also issued Cease Trade Orders. Its shares were subsequently delisted from the Canadian Venture Exchange. The Company has not conducted any material business since the date of the CTO in 1998. The Company has been on a "care and maintenance" status since then. The Company is attempting to become to become compliant with the Securities Regulators in Ontario, Alberta and British Columbia and have the CTO revoked.

The Company is in the process of exploring its resource mining properties and has not yet determined whether these properties contain economically recoverable reserves. The continued operations of the Company and the amounts recoverable on these mining properties are dependent upon the economically recoverable reserves, the ability of the Company in obtaining the financing to complete the necessary exploration and development upon attaining future profitable production or proceeds from disposition of the mining properties.

Although the Company has taken steps to verify title to mining properties in which it has an interest according to industry standards for the stage of exploration and development of such properties, these procedures may not guarantee the Company's title. Properties may be subject to undisclosed prior agreements or transfers and title may be affected by undetected defects.

The Company's continued existence as a going concern is dependent upon its ability to continue to obtain adequate ongoing debt and/or equity financing with creditors, officers, directors and stakeholders. In addition the Company must also ultimately become profitable.

These financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") applicable to a going concern. Accordingly, they do not give effect to adjustments that would be necessary should the company be unable to continue as a going concern and therefore be required to realize its assets and liquidate its liabilities and commitments in other than the normal course of business and at amounts different from those in the accompanying financial statements.

1. Nature of operations and going concern - continued

The company has incurred a loss of \$7,552 for the three month period ended April 30, 2013 and a of loss of \$33,178 for the year ended January 31, 2013 and has a working capital deficiency of \$764,470 as at April 30, 2013 and \$757,223 as at January 31, 2013. The ability of the Company to remedy its working capital deficiency and to carry out its business plan rests with its ability to secure additional equity and other financing.

2. Basis of preparation and adoption of IFRS

Statement of Compliance

The Company applies International Financial Reporting Standards (“IFRS”), as issued by the International Accounting Standards Board (“IASB”). These condensed interim financial statements have been prepared in accordance with International Accounting Standard 34, Interim Financial reporting. Accordingly, they do not include all of the information required for full annual financial statements required by IFRS and interpretations issued as issued by IFRS as issued by IASB and interpretations issued by IFRIC.

The policies applied in these condensed interim financial statements are based on IFRSs issued and outstanding as of September 9, 2013, the date the Board of Directors approved the statements. The same accounting policies and methods of computation are followed in these condensed interim financial statements as compared with the most recent annual financial statements as at and for the year ended January 31, 2013. Any subsequent changes to IFRS that are given effect in the Company’s annual financial statements for the year ended January 31, 2014 could result in restatement of these condensed interim financial statements.

New standards not yet adopted and interpretations issued but not in effect in the most recent annual statements as at and for the year ended January 31, 2013.

There are no relevant changes in accounting standards applicable to future periods other than as disclosed in the most recent annual statements as at and for the year ended January 31, 2013.
