NOTICE OF ANNUAL GENERAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that an Annual General Meeting (“**Meeting**”) of the shareholders of GAR Limited (the “**Corporation**” or “**GAR**”) will be held on Friday July 10, 2015, at 10:00 a.m. (Toronto time) at the offices of Capital Transfer Agency, Inc. at 121 Richmond Street West, Suite 401, Toronto, Ontario M5H 2K1 for the following purposes:

1. to receive and consider the audited financial statements of the Corporation for the year ended January 31, 2014 and the auditors’ report thereon;
2. to elect directors;
3. to appoint auditors for the ensuing year and to authorize the directors to fix their remuneration;
4. to confirm the existing stock option plan of the Corporation, all as further set forth in the management information circular of the Corporation dated November 14, 2013 (the “**Circular**”)
5. to transact such further and other business as may properly be brought before the meeting or any adjournment thereof.

The Board of Directors has fixed May 26, 2015 as the Record Date for the determination of shareholders entitled to notice of, and to vote at, this Annual General Meeting and any adjournment thereof. Accompanying this Notice of Meeting are the following documents: a Management Information Circular, dated as at May 26th, 2015, Audited Annual Financial Statements for the Year Ended January 31, 2014, Form of Proxy, a Supplemental Mailing List Reply Form and a return envelope.

An “ordinary resolution” is a resolution passed by at least a majority of the votes cast by Shareholders who voted in respect of that resolution at the Meeting. A “special” resolution is a resolution passed by at least 66 2/3% of the votes cast by Shareholders who voted in respect of that resolution at the Meeting. The nature of the business to be transacted at the Meeting is described in further detail in the Circular under the section entitled The Particulars of Matters to be Acted Upon.

Notice-and-Access

The Corporation is utilizing the notice-and-access mechanism (the “Notice-and-Access Provisions”) that came into effect on February 11, 2013 under National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer and National Instrument 51-102 – Continuous Disclosure Obligations, for distribution of Meeting materials to registered and beneficial Shareholders.

Website Where Meeting Materials are Posted

The Notice-and-Access Provisions are a new set of rules that allows reporting issuers to post electronic versions of proxy-related materials (such as proxy circulars and annual financial statements) on-line, via the System for Electronic Document Analysis and Retrieval (“SEDAR”) and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of the Circular, financial statements of the Corporation for the year ended January 31, 2014 (“Financial Statements”) and management’s discussion and analysis of the Corporation’s results of operations and financial condition

for 2014 (“MD&A”) may be found on the Corporation’s SEDAR profile at www.sedar.com and also on the Corporation’s website at www.zenyatta.ca under News. The Corporation will not use procedures known as “stratification” in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Circular to some Shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Circular.

Obtaining Paper Copies of Materials

The Corporation anticipates that using notice-and-access for delivery to all Shareholders will directly benefit the Corporation through a substantial reduction in both postage and material costs, and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials. Shareholders with questions about notice-and-access can call the Corporation’s transfer agent Capital Transfer Agency Inc. (“Capital Transfer”) toll-free at 1.800.631.0940. Shareholders may also obtain paper copies of the Circular, Financial Statements and MD&A free of charge by contacting Capital Transfer at the same toll-free number or upon request to the Corporation’s Corporate Secretary. A request for paper copies which are required in advance of the Meeting should be sent so that they are received by the Corporation or Capital Transfer, as applicable, by Wednesday, July 8, 2015 in order to allow sufficient time for Shareholders to receive the paper copies and to return their proxies or voting instruction forms to intermediaries not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof (the “Proxy Deadline”).

Voting

All Shareholders are invited to attend the Meeting and may attend in person or may be represented by proxy. A “beneficial” or “non-registered” Shareholder will not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his/her/its broker; however, a beneficial Shareholder may attend the Meeting as proxy holder for the registered Shareholder and vote the common shares in that capacity. Only Shareholders as of the Record Date are entitled to receive notice of and vote at the Meeting. Shareholders who are unable to attend the Meeting in person, or any adjournments or Postponements thereof, are requested to complete, date and sign the enclosed form of proxy (registered holders) or voting instruction form (beneficial holders) and return it in the envelope provided. To be effective, the enclosed form of proxy or voting instruction form must be mailed or faxed so as to reach or be deposited with Capital Transfer Agency Inc. (in the case of registered holders) at 121 Richmond Street, West, Suite 401, Toronto, Ontario M5H 2K1, Fax Number: 416.350.5008, prior to the Proxy Deadline, failing which such votes may not be counted, or your intermediary (in the case of beneficial holders) with sufficient time for them to file a proxy by the Proxy Deadline.

SHAREHOLDERS ARE REMINDED TO REVIEW THE CIRCULAR BEFORE VOTING.

Dated in Toronto, Ontario this 26th day of May, 2015.

BY ORDER OF THE BOARD

MANAGEMENT INFORMATION CIRCULAR

For the Annual General Meeting of Shareholders to be held on July 10, 2015

PART 1 – VOTING & GENERAL PROXY INFORMATION

SOLICITATION OF PROXIES

The information contained in this management information circular (the “**Circular**”) is furnished to the holders of common shares of **GAR Limited** (the “**Corporation**” or “**GAR**”) in connection with the solicitation by management of the Corporation of proxies to be voted at the Annual General Meeting (the “**Meeting**”) of the shareholders (the “**Shareholders**”) to be held at 10:00am (Toronto time) on Friday July 10, 2015 at the offices of Capital Transfer Agency, Inc. at 121 Richmond Street West, Suite 401, Toronto, Ontario M5H 2K1 for the purposes set forth in the accompanying Notice of Annual General Meeting (the “**Notice of Meeting**”) and at any adjournment thereof. Unless otherwise stated the information provided in this Circular is provided as of May 26, 2015.

The solicitation of proxies is made on behalf of the management of the Corporation. Such solicitation will be made primarily by mail, but proxies may be solicited personally or by telephone by directors and officers of the Corporation, who will not be remunerated therefore. The costs incurred in the preparation and mailing of the form of proxy, Notice of Meeting and this Circular will be borne by the Corporation. The cost of the solicitation will also be borne by the Corporation.

The Corporation’s board of directors (the “**Board**”) has fixed the close of business on May 26, 2015 as the record date, being the date for the determination of the registered Shareholders entitled to receive notice of, and to vote at, the Meeting (the “**Record Date**”).

APPOINTMENT OF PROXYHOLDERS

The persons named in the enclosed form of proxy are directors and/or officers of the Corporation. **A Shareholder has the right to appoint, as proxy holder or alternate proxy holder, a person, persons or a Corporation (who need not be a Shareholder) to represent such Shareholder at the Meeting, other than any of the persons designated in the enclosed form of proxy, and may do so either by inserting the name of his chosen nominee in the space provided for that purpose on the form and striking out the other names on the form, or by completing another proper form of proxy.**

Please note that Shareholders who receive their Meeting Materials (as defined in the “Advice to Beneficial Shareholders” section below) from Broadridge Investor Communication Solutions, Canada (“**Broadridge**”) must return the proxy forms, once voted, to Broadridge for the proxy to be dealt with.

DEPOSIT OF PROXY

An appointment of a proxy holder or alternate proxy holders, by resolution of the directors duly passed, **WILL NOT BE VALID FOR THE MEETING OR ANY ADJOURNMENT THEREOF UNLESS IT IS DEPOSITED WITH THE CORPORATION'S TRANSFER AGENT, CAPITAL TRANSFER AGENCY INC., NOT LATER THAN 48 BUSINESS HOURS PRECEDING THE DAY OF THE MEETING OR ANY ADJOURNMENT THEREOF**, or deposited with the Chairman of the Meeting or any adjournment thereof prior to the commencement thereof. A return envelope has been included with this material.

REVOCAION OF PROXIES

A Shareholder who has given a proxy ("**Proxy**") may revoke the Proxy:

- (a) by depositing an instrument in writing executed by the Shareholder or by the Shareholder's attorney authorized in writing:
 - (i) with Capital Transfer Agency Inc., not less than 48 business hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used;
 - (ii) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the Proxy is to be used;
 - (iii) with the chairman of the Meeting on the day of the Meeting or any adjournment thereof;or
- (b) in any other manner provided by law.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

EXERCISE OF DISCRETION

A Shareholder forwarding the enclosed form of Proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the Proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The common shares in the capital of the Corporation (the "**Common Shares**") represented by the Proxy submitted by a Shareholder will be voted or withheld from voting in accordance with the instructions, if any, of the Shareholder on any ballot that may be called for. If the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly by the Proxy.

In the absence of such direction in respect of a particular matter, such Common Shares will be voted in favour of such matter. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting.

As of the date of this Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. However, if any such amendments, variations or other matters which are not now known to the management of the Corporation should properly come before the Meeting, the Common Shares represented by the Proxies hereby solicited will be voted thereon in accordance with the best judgment of the person or persons voting such Proxies.

All of the matters that will come to a vote at the meeting as described in the attached Notice of Meeting, with the exception of the resolutions noted below are ordinary resolutions and can be passed by a simple majority – that is, if more than half of the votes that are cast are in favour, then the resolution is approved.

The debt settlement resolution to insiders (“**Debt Settlement Resolution**”) (as defined and the full text of which is set out herein) requires an approval of disinterested shareholders – that is, the shares to be issued in settlement of the debts summarized above must be approved by a majority of the votes cast by shareholders voting at the meeting, excluding votes attaching to shares beneficially owned by the Creditors and their respective associates.

Only registered holders of Common Shares of the Corporation or the persons they appoint as their proxies are permitted to vote at the Meeting. Many Shareholders are “non-registered” Shareholders (“**Non-Registered Shareholders**”) because the Common Shares they own are not registered in their names but are instead either (i) registered in the name of an intermediary (the “**Intermediary**”) that the Non-Registered Shareholder deals with in respect of the Common Shares, such as, among others, brokerage firms, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans, or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice of Meeting, this Circular, the Audited Annual Financial Statements and the enclosed form of proxy (collectively the “**Meeting Materials**”) to Intermediaries and clearing agencies for onward distribution to Non-Registered Shareholders of Commons Shares.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. A Non-Registered Shareholder who has not waived the right to receive the Meeting Materials will either be given:

- (a) a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service Corporation** in accordance with the directions of the Intermediary, will constitute voting instructions which the Intermediary must follow; or
- (b) a form of Proxy **which has already been signed by the Intermediary** (typically a facsimile signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. This form of Proxy does not require the Intermediary to sign when submitting the Proxy. In this case the Non-Registered Shareholder who wishes to submit a Proxy should properly complete the form of Proxy and **deposit it with the Corporation, care of Capital Transfer Agency Inc., located at 121 Richmond St. West, Suite 401, Toronto, Ontario, M5H 2K1.**

In either case, the purposes of these procedures are to permit the Non-Registered Shareholder to direct the voting of the Common Shares that the Non-Registered Shareholder beneficially owns. Should a Non-Registered Shareholder wish to attend and vote at the Meeting in person, (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the form of proxy and insert his or her name in the space provided for the purpose on the voting instructions form and return it in accordance with the directions of the Intermediary.

The Non-Registered Shareholder should carefully follow the instructions of his or her Intermediary, including those regarding when and where the Proxy or voting instructions form is to be delivered.

A Non-Registered Shareholder may revoke a Proxy or voting instructions form given to an Intermediary by contacting the Intermediary through which the Non-Registered Shareholder's Common Shares are held and following the instructions of the Intermediary respecting the revocation of Proxies. In order to ensure that an Intermediary acts upon a revocation of a Proxy or voting instruction form, the written notice should be received by the Intermediary well in advance of the Meeting.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Corporation presently consists of an unlimited number of Common Shares. As of May 26, 2015, the Corporation has issued and outstanding 11,698,630 fully paid and non-assessable Common Shares. All of the outstanding Common Shares are entitled to be voted at the Meeting and each shareholder of record will be entitled to one (1) vote for each Common Share held at the Meeting.

The Record Date for the Meeting is May 26, 2015. Each holder of Common Shares is entitled to one vote for each Common Share shown as registered in such holder's name on the list of Shareholders prepared as of the close of business on May 26, 2015 with respect to all matters to be voted on at the Meeting.

However, in the event of a transfer of Common Shares by any such holder after such date, the transferee is entitled to vote those Common Shares if such transferee produces a certificate in his or her name or properly endorsed share certificates or otherwise establishes that such transferee owns the Common Shares, and requests, not later than ten days before the Meeting, that the Corporation's transfer agent, Capital Transfer Agency Inc., include the transferee's name in the list of Shareholders entitled to vote at the Meeting.

To the knowledge of the directors and senior officers of the Corporation, as at May 26, 2015 no person beneficially owns, directly or indirectly, or exercises control over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares of the Corporation other than as follows:

Name	Number of Shares	Percentage of Total Issued and Outstanding Common Shares
John Rapski. ⁽¹⁾	5,720,000	48.889%
CDS & Co. ⁽²⁾	1,682,005	14.378%
2158879 Ontario Limited. ⁽³⁾	1,296,200	11.080%

Notes:

- (1) John Rapski is the President and Chief Executive Officer of Gar Limited and owns 92.12% of 2158879 Ontario Limited.
- (2) The Corporation is not aware of the beneficial ownership of the Common Shares held by this Intermediary.
- (3) 2158879 Ontario Limited is owned 92.12 % by .J. Rapski. J. Rapski has a 10.21% indirect interest in Gar Limited..

PART 3 – EXECUTIVE COMPENSATION

Unless otherwise stated, "Dollars" or "\$" means Canadian dollars.

COMPENSATION DISCUSSION AND ANALYSIS

This section of the Circular explains how the Corporation's executive compensation program is designed and operated with respect to the Corporation's named executive officers ("NEOs"). The following individuals were NEO's for any part of the most recently completed financial year: the individual who acted as the Corporation's Chief Executive Officer ("CEO") and the individual who acted as the Corporation's Chief Financial Officer ("CFO").

The following disclosure sets out the compensation that the Board intended to pay, make payable, award, grant give or otherwise provide to each NEO and director for the financial year ended January 31, 2014.

The Corporation had no executive officers whose total salaries and bonuses during the fiscal year ended January 31, 2014 exceeded \$150,000.

This section identifies the objectives and material elements of compensation awarded to the NEOs and the reasons for the compensation. For a complete understanding of the executive compensation program, this Compensation Discussion and Analysis should be read in conjunction with the Summary Compensation Table and other executive compensation-related disclosure included in this Circular.

The Corporation does not currently have a Compensation Committee. The Board of Directors as a whole is responsible for the compensation program for the Corporation's Named Executive Officers. The Corporation expects to have a Compensation Committee in place in the near future.

The philosophy of the Board with respect to remuneration is to determine compensation for the Corporation's executive officers relative to the performance of the Corporation in executing on its objectives. The Board has the responsibility for, among other things, establishing, reviewing and approving incentive plans and programs and awards under compensation and incentive plans and programs for the CEO, CFO and senior officers, with the intention of attracting, retaining and appropriately rewarding officers in order to motivate their performance in the achievement of the Corporation's business objectives and aligning their interest with the long-term interests of the shareholders of the Corporation.

The Board is responsible for establishing and monitoring the Corporation's long range plans and programs for attracting, retaining, developing and motivating employees. The Board also reviews recommendations for the appointment of persons to senior executive positions, considers terms of employment including succession planning and matters of compensation.

The service of the Corporation's CEO is provided through an unwritten agreement between the Corporation and the CEO that includes a monthly fee arrangement.

The service of the Corporation's CFO is provided through an unwritten agreement between the Corporation and the CFO that includes a monthly fee arrangement.

Stock Options

The Corporation has adopted an incentive stock option plan. The Corporation's compensation policies and programs are designed to recognize and reward executive performance consistent with the success of the Corporation's business.

The granting of options to the Named Executive Officers under the Corporation's Stock Option Plan provides an appropriate long-term incentive to management to create shareholder value. The number of options the Corporation grants to each Named Executive Officer reasonably reflects the Named Executive Officer's specific contribution to the Corporation in the execution of such person's responsibilities. However, the number of options granted does not depend upon nor does it reflect the fulfillment of any specific performance goals or similar conditions. Previous grants of options to Named Executive Officers are taken into consideration by the Board of Directors in developing its recommendations with respect to the granting of new options. No options were granted to the Named Executive Officers during the year ended January 31, 2014.

The granting of options to the non-management Directors of the Corporation under the Corporation's Stock Option Plan provides an appropriate long-term incentive to these Directors to provide proper independent oversight to the Corporation with a view to maximizing shareholder value. The number of options the Corporation grants to each of these Directors reasonably reflects each Director's contributions to the Corporation in his capacity as a Director and as a member of one or more committees of the Board (if applicable), including without limitation the Audit Committee. Previous grants of options awarded to the independent Directors of the Corporation are taken into consideration when the Corporation considers the granting of new options to the independent Directors. No options were granted to the Corporation's independent Directors during the year ended January 31, 2014.

The Corporation currently does not pay director fees to its independent Directors. Following the meeting, the Board of Directors will consider whether the payment of such fees is appropriate at the relevant time.

NAMED EXECUTIVE OFFICERS

The CEO, President and Director at the end of the most recently completed financial year-end was John Rapski. The CFO at the end of the most recently completed financial year-end was Wm. Andrew Campbell CA/CPA. Other than as disclosed above, at the end of the most recently completed fiscal year, the Corporation had no Named Executive Officers.

OBJECTIVES OF THE COMPENSATION PROGRAM

The objectives of the Corporation's executive compensation program are to attract and retain the key executives necessary for the Corporation's long term success; to encourage executives to further the development of the Corporation and its operations; to motivate qualified and experienced executives; to reward individual contributions in light of overall business results and to align the interests of the executives with the interests of the shareholders. The key element of the current executive compensation program is base salary.

ELEMENTS OF EXECUTIVE COMPENSATION

In the future, it is intended that Total Direct Compensation will be represented by the combined value of fixed compensation and performance-based variable incentive compensation, comprised of a base salaries, short-term incentive in the form of an annual cash bonus, and long-term incentives in the form of stock options. Currently, only base salary is used in administering Total Direct Compensation.

Base Fees

Base Fees form an essential component of the Corporation's compensation strategy as they are key to the Corporation remaining competitive, are fixed and therefore not subject to uncertainty, and can be used as the base to determine other elements of compensation and benefits.

Short-term Incentives

Currently the Corporation does not have a bonus plan.

Long-term Incentives

Currently the Corporation does have a stock option plan. During the financial year ended January 31, 2014 however, the Corporation did not grant any incentive stock options.

The Board of Directors believes that the future granting of stock options to officers, directors, and consultants will encourage retention and more closely aligns the interests of such key personnel with the interests of shareholders while at the same time not drawing on the limited cash resources of the Corporation. The Corporation will not utilize a set of formal objective measures to determine long-term incentive entitlements, rather, long-term incentive grants, such as stock options, to NEOs will be determined in a discretionary manner on a case by case basis.

In future, the dollar value to be ascribed to option to the NEO's and Directors shall be estimated using the Black-Scholes Model as at the date of grant.

Stock Options

The Corporation has been inactive in the past ten years and has therefore not granted any stock options. It is the intention of the Corporation to commence the granting of stock options on an annual basis in the future.

Other Compensation

Currently the Corporation does not have any other forms of compensation.

HOW THE CORPORATION DETERMINES COMPENSATION**The Role of Management**

Management has direct involvement in and knowledge of the business goals, strategies, experiences and performance of the Corporation. As a result, management plays an important role in the compensation decision-making process.

Corporate Performance

In the future, it is the intention that the Corporation's Board will approve annual corporate objectives in line with the Corporation's key longer-term strategies for growth and value creation. These quantitative and qualitative objectives will then be utilized by the Board as a reference when making compensation decisions.

Individual Performance

In the future, the Board intends to approve annual individual performance objectives for the NEOs that are intended to align with the corporate objectives and reflect key performance areas for each executive relative to his or her specific role.

SUMMARY COMPENSATION TABLE

There are no formal arrangements with the CEO or CFO with respect to compensation. No salary is paid to the CEO however, a monthly consulting fee is paid to the CEO and the CFO for managerial services. No targets have been set for bonuses, stock options or other remuneration.
