

# Netcoins Shareholders Voluntarily Lock-Up Over 24 Million Shares

**THIS NEWS RELEASE IS NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES FOR DISSEMINATION IN THE UNITED STATES**

VANCOUVER, British Columbia, March 28, 2018 -- **GAR Limited d/b/a Netcoins** ("**Netcoins**" or the "**Company**") (CSE:NETC) is pleased to announce that the Company has entered into Voluntary Common Share Pooling Agreements (the "**Agreements**") with various shareholders of the Company to restrict the resale of over 24 million shares (collectively the "**Lock-Up Securities**"), representing approximately 21% of the Company's total issued and outstanding shares.

The Lock-Up Securities will be released under the terms of the Agreement as follows:

- 33 1/3% of the Common shares on the date which is six months from after the effective date of the Agreement;
- 33 1/3% of the Common shares on the date which is nine months from after the effective date of the Agreement; and
- 33 1/3% of the Common shares on the date which is twelve months from after the effective date of the Agreement.

Mark Binns, President & CEO states, "The significant voluntary share lock-up demonstrates a tremendous amount of support and belief in the Company by our key shareholder group. Given the current volatility being experienced in the cryptocurrency space, the lock-up will allow Netcoins to build our shareholder base as a newly listed public company and time to execute on our business and growth plans."

## About the Company

The Company is in the business of developing software to better facilitate the purchase and sale of bitcoin for end-users. Netcoins enables the sale of bitcoin through its software at retail outlets, through individual agents and directly to clients purchasing in large quantities.
