

## **Netcoins Enables Credit Card Payment Method For Crypto Purchases**

VANCOUVER, British Columbia, Feb. 14, 2019 -- Netcoins Holdings Inc. ("NETC" or the "Company") (CSE: NETC) (OTC: GARLF) (WKN: 1WJ) is pleased to announce that it has partnered with Simplex to enable credit card payments for crypto purchases, effective immediately. Netcoins currently allows users to purchase crypto through its retail network, pre-paid vouchers and online with account funds (done via bank transfers, bill payments, or wires). This partnership with Simplex adds yet another payment method for users to select. New and existing Netcoins customers can now purchase crypto directly with their credit cards at Netcoins.app.

Simplex is a licensed financial institution that provides an online fraud-free payment processing solution. Simplex enables merchants worldwide to accept credit card payments with zero exposure to chargeback risk.

"We continue to work hard at making crypto more accessible to the mainstream public. Netcoins is uniquely positioned to service all levels of crypto traders, whether they are someone who prefers a familiar retail setting, or someone who wants a seamless online experience," said Netcoins CEO Mark Binns. "We are thrilled to be working with Simplex to enable credit card payments, and a fast and secure way for our users to purchase crypto via our portal."

## About the Company
