

Great Thunder Gold Changes U.S. Ticker Symbol, Seeks Trading on OTCQB Venture Market

October 2nd, 2020, Vancouver, British Columbia – Great Thunder Gold Corp. (CSE: GTG OTC: GTGFF FSE: M4KQ-FF) (“Great Thunder” or the “Company”) is pleased to report it has applied for trading in the United States on the OTCQB Venture Market and, in conjunction, DTC eligibility.

Application to Trade on the OTCQB

Great Thunder’s application to trade on the OTCQB is anticipated to provide greater liquidity and a more seamless trading experience for our U.S. shareholders and potential investors. With enhanced reporting requirements and greater transparency, approval for trading on OTCQB would also provide exemptions from the U.S. state securities laws or “blue sky” exemptions which may help to further increase liquidity and expand investment advisors’ ability to research and recommend investment in Great Thunder Gold.

Application for DTC Eligibility

In conjunction with its OTCQB application, the Company is also applying for approval from the Depository Trust Company to make the Company’s common shares eligible to clear electronically and settle through DTC. This approval would further facilitate trading in the United States.

New U.S. Trading Symbol

The Company’s request to change its U.S. trading symbol from MLBVF to **GTGFF** has been approved.

Quote from CEO

Great Thunder’s President & CEO, Blair Naughty, commented, “With gold stabilizing at all time highs and its possibility to maintain and increase these high levels in the years ahead, and with GTG’s first drill program about to commence on properties situated in, around, and on-trend to exciting deposits and discoveries, we want to assure our U.S. investors that we will strive to make it seamless to invest in our company. Trading on the OTCQB Venture Market will broaden our reach, and make it as smooth as possible for investors within North America to join us on our journey. This enhanced listing will play a vital part in our corporate developments.”
