**SPARC AI Appoints Former Military Leader to Advisory Board**

**April 1, 2025 – Toronto, Canada – SPARC AI INC. (CSE: SPAI) (OTCQB: SPAIF) (Frankfurt: 5OV0) (“SPAI” or the “Company”)** has appointed Greg Daly as a strategic adviser to the Company. Greg Daly is a respected strategic leader with 30+ years’ experience across Defence, National Security and Interagency sectors, including leading Australia’s SAS. Greg has led multi-disciplinary teams internationally, including in the Middle East and Ukraine and with U.S. Special Operations Command and NATO. He has been recognised for delivering innovative solutions to complex problems, influencing strategic defence policy, and mentoring high-performance teams. His work has shaped future operating concepts for the Australian Defence Force and advanced capability development, including integrating all domain interagency targeting.

Greg holds multiple postgraduate degrees in Defence Studies, Strategy and International Security, and is a Graduate of the Australian Institute of Company Directors. During military service Greg was awarded the Distinguished Service Cross, Member of the Order of Australia, NATO Meritorious Service Medal and the U.S. Defence Meritorious Service Medal. Greg brings strategic foresight, integrity and a commitment to professional growth, capability development and productivity.

Anoosh Manzoori, chief executive officer, said: " I am delighted to have Greg join our team. Greg is our second appointment from the defence industry and his expertise and connections will be instrumental as we engage with defence departments globally."

The Company will grant, as compensation 150,000 incentive stock options (the “Options”) exercisable at CAD \$0.31 per share to subscribe to 150,000 ordinary shares. The options carry a 6-month vesting period and will expire two (2) years.

**About SPARC AI**

SPARC AI has developed a new Target Acquisition System that calculates geolocation coordinates (latitude and longitude) of any distance object without using radar, lidar, GPS, sensors, satellites, or the Internet.

**FORWARD LOOKING INFORMATION**

This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. These statements relate to future events or future performance. All statements other than statements of historical fact may be forward-looking statements or information.

The Company provides forward-looking statements for the purpose of conveying information about current expectations and plans relating to the future and readers are cautioned that such statements may not be appropriate for other purposes. By its nature, this information is subject to inherent risks and uncertainties that may be general or specific and which give rise to the possibility that expectations, forecasts, predictions, projections or conclusions will not prove to be accurate, that assumptions may not be correct and that objectives, strategic goals and priorities will not be achieved. These risks and uncertainties include but are not limited those identified and reported in the Company's public filings under the Company's SEDAR profile at [www.sedar.com](http://www.sedar.com). Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise unless required by law.

Accordingly, readers should not place undue reliance on the forward-looking statements, timelines and information contained in this news release. Readers are cautioned that the foregoing list of factors, assumptions and exclusions is not exhaustive.

The forward-looking statements and information contained in this news release are made as of the date hereof and no undertaking is given to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws or the Canadian Securities Exchange. The forward-looking statements or information contained in this news release are expressly qualified by this cautionary statement.
