

Graph Blockchain Announces First Sale Through BluStem Ecommerce

Toronto, Ontario--(Newsfile Corp. - September 23, 2020) - Graph Blockchain Inc. (**CSE: GBLC**) ("**Graph**" or the "**Company**") is please to announce that the Company has received the first order of Personal Protective Equipment ("**PPE**") and other ancillary product through the BluStem Ltd. ("**BluStem**") multi-channel eCommerce market place. The value of the sales is approximately \$63,000.

Graph has seen a dramatic increase in demand due to COVID-19 for protection equipment (PPE) over the past few months. Company management and team members are working diligently to establish supply chains both inside Canada and around the globe to help fill that demand.

Andrew Ryu, CEO of the Company commented, the sale of PPE represents the further streamlining of our operations and a considerable step forward in our long-term strategy to optimize BlueStem. With this sale, we will continue to expand our online footprint and strengthen our focus on sustainable, value-driving plans associated with growing PPE business."

About BluStem Ltd.

BluStem Ltd. is a wholly-owned subsidiary of Graph Blockchain Inc. BluStem is an eCommerce ecosystem for B2C and B2B audiences in support of scaling both its own and its partnership brands. The Company will feature COVID-19 related products such as PPE. Forward-Looking Statements

This news release contains "forward-looking statements" within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-looking statements. In some cases, forward-looking statements can be identified by words or phrases such as "may", "will", "expect", "likely", "should", "would", "plan", "anticipate", "intend", "potential", "proposed", "estimate", "believe" or the negative of these terms, or other similar words, expressions and grammatical variations thereof, or statements that certain events or conditions "may" or "will" happen, or by discussions of strategy. Readers are cautioned to consider these and other factors, uncertainties and potential events carefully and not to put undue reliance on forward-looking statements. Such statements may prove to be incorrect and actual results may differ materially from those anticipated.

Forward-looking statements contained in this news release are expressly qualified by this cautionary statement and reflect the Company's expectations as of the date hereof and are subject to change thereafter. The Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, estimates or opinions, future events or results or otherwise or to explain any material difference between subsequent actual events and such forward-looking information, except as required by applicable law.
