

# Mia Martina Signs with New World Inc. NFT Platform

Toronto, Ontario--(Newsfile Corp. - August 12, 2021) - **Graph Blockchain Inc. (CSE: GBLC) (OTC Pink: REGRF) (FSE: RT5A) ("Graph")** or (the "**Company**") is pleased to announce that its newest acquisition, New World Inc., has signed multi-platinum, international recording artist **Mia Martina** to create exclusive non-fungible tokens ("**NFTs**") on New World Inc. platform.

As a singer-songwriter and strategic businesswoman, Martina sees vast opportunity in the NFT space as a new way to showcase her many talents. She is excited to be working with New World Inc. and celebrity artist Diogo Snow to create beautiful visual and audio experiences. As a platform, New World leaves the creativity of NFT exhibition to its contributors and collaborators. Martina is excited to creatively utilize the capabilities of the New World Inc. platform to create new and exciting ways to communicate and showcase herself and her music.

**About Mia Martina**

With a career spanning over a decade long boasting a catalogue of chart-topping hits and a best-selling debut book, Mia Martina has made a name for herself as a multi-platinum, international recording artist and author. Mia made her solo recording debut in 2010 with the global smash, "Stereo Love." Soon after, she secured 8 gold records, 2 platinum records and dominated charts all over the world. Mia's success continued with the release of smash-hits like, "Latin Moon," "Burning" and "Heartbreaker" from her debut album, Devotion, and later with classic collaborations like, "Beast," "Danse," "Sooner or Later" and many more. In 2019, Mia released her long-anticipated EP, Daydream, which included her infectious single, "Different Kind of Love."

Proving herself as more than just a singer-songwriter, Mia has been celebrated as a strategic and savvy businesswoman, providing coaching and mentorship to young girls and businesswomen alike. She has also become a strong advocate for the LGBTQ+ community, inspiring all to stay true to who they are and participating in activism initiatives worldwide. As she continues to perform internationally, Mia is constantly working on new music and released her best-selling book, Boss Up Your Life: A Girl's Guide to Her Dream Career that debuted in NYC's Times Square.

### **About New World Inc.**

New World is an augmented reality art focused NFT company that allows creators, musicians, and celebrities to have access to an NFT distribution canvas to create and sell digital art. By selling digital art, artists are able to reach a broader market (both geographically and demographically), and as a result of the blockchain, continue to benefit financially through economic participation in future sales. New World has built this platform and has already signed such notable artists as Diogo Snow, who has produced numerous pieces for celebrity clients including Drake, and Fetty Wap, an American rapper, singer and songwriter who has over 6.5 million Instagram Followers, as well as many others. Additional information on New World is available at <http://newworldinc.io>.

### **About Graph Blockchain Inc.**

Graph Blockchain provides shareholders with exposure to various areas of Decentralized Finance (DeFi). Focusing on altcoins through its wholly owned subsidiaries Babbage Mining Corp., a Proof of Stake ("POS") miner, and Beyond the Moon Inc. an IDO focused company, Graph gives investors exposure to the vast emerging market of cryptocurrencies with the significant technological disruption and potential gains altcoins represent. In addition, through its investment in New World, Graph is providing its shareholders with exposure to rapidly growing and emerging NFT market.

### **Forward-Looking Statements**

This news release contains "forward-looking statements" within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-

looking statements.

Generally, such forward-looking information or forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved". The forward-looking information and forward-looking statements contained herein include, but are not limited to, statements regarding: the continued growth of the art-focused NFT market. Forward-looking information in this news release are based on certain assumptions and expected future events. These statements involve known and unknown risks, uncertainties and other factors, which may cause actual results, performance or achievements to differ materially from those expressed or implied by such statements, including but not limited to: the potential inability of the Company to continue as a going concern; the potential inability of New World to continue as a going concern; the risks associated with the blockchain and NFT industry in general; increased competition in the art-focused NFT market; the potential future unviability of the NFT market in general, and the art-focused NFT market in specific. Readers are cautioned that the foregoing list is not exhaustive. Readers are further cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions, or expectations upon which they are placed will occur. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated.

Forward-looking statements contained in this news release are expressly qualified by this cautionary statement and reflect the Company's expectations as of the date hereof and are subject to change thereafter. The Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, estimates or opinions, future events or results or otherwise or to explain any material difference between subsequent actual events and such forward-looking information, except as required by applicable law.

The CSE does not accept responsibility for the adequacy or accuracy of this release.

Neither the Canadian Securities Exchange nor its Market Regulator (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release.
