

Graph Blockchain and Ronaldinho Create Upcoming NFT Campaign in Toronto

Toronto, Ontario--(Newsfile Corp. - April 6, 2022) - **Graph Blockchain Inc. (CSE: GBLC) (OTC Pink: REGRF) (FSE: RT5A)** ("Graph" or the "Company") is pleased to announce that its wholly owned subsidiary **New World Inc. ("New World")** and their newest global ambassador Ronaldinho have joined forces in Toronto, after New World flew in Ronaldinho to film and produce a marketing campaign that is part of an upcoming exclusive NFT collection on the New World platform and in-person event later this year. During production, New World created both photo and video content as well as utilized 3D scanning technology in order to create NFTs of Ronaldinho in augmented reality.

While in town, Ronaldinho had the chance to commemorate Canadian soccer with Toronto FC and celebrate both Brazil and Canada in qualifying for the upcoming World Cup. Ronaldinho also had the opportunity to sit courtside with Superfan Nav Batia at the Toronto Raptors game where he flaunted a Diogo Snow New World hoodie to tease his upcoming NFT drop with fans and players worldwide including former Toronto Raptor Kyle Lowry.

As New World expands their network and global outreach to artists, celebrities and musicians to join their platform, they look forward to creating NFTs with a global focus and continue to innovate within the augmented reality space.

About New World Inc.

New World is an augmented reality art focused NFT company that allows creators, musicians, and celebrities to have access to an NFT distribution canvas to create and sell digital art. By selling digital art, artists can reach a broader market (both geographically and demographically), and as a result of the blockchain, continue to benefit financially through economic participation in future sales. New World has built this platform and has already signed such notable artists as Diogo Snow, who has produced

numerous pieces for celebrity clients including Drake, and Fetty Wap, an American rapper, singer and songwriter who has over 6.5 million Instagram Followers, as well as many others. Additional information on New World is available at <http://newworldinc.io>.

About Graph Blockchain Inc.

Graph Blockchain provides shareholders with exposure to various areas of Decentralized Finance (DeFi). Focusing on altcoins through its wholly owned subsidiaries Babbage Mining Corp., a Proof of Stake ("POS") miner, and Beyond the Moon Inc. an IDO focused company, Graph gives investors exposure to the vast emerging market of cryptocurrencies with the significant technological disruption and potential gains altcoins represent. In addition, through its investment in New World, Graph is providing its shareholders with exposure to rapidly growing and emerging NFT market. Additional information on the Company is available at www.graphblockchain.com.

Forward-Looking Statements

This news release contains "forward-looking statements" within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-looking statements.

Generally, such forward-looking information or forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved". The forward-looking information and forward-looking statements contained herein include, but are not limited to, statements regarding: the continued growth of the art-focused NFT market. Forward-looking information in this news release are based on certain assumptions and expected future events. These statements involve known and unknown risks, uncertainties and other factors, which may cause actual results, performance or achievements to differ materially from those expressed or implied by such statements, including but not limited to: the potential inability of the Company to continue as a going concern; the potential inability of New World to continue as a going concern; the risks associated with the blockchain and NFT industry in general; increased competition in the art-focused NFT market; the potential future unviability of the NFT market in general, and the art-focused NFT market in specific. Readers are cautioned that the foregoing list is not exhaustive. Readers are further cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions, or expectations upon which they are placed will occur. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated.

Forward-looking statements contained in this news release are expressly qualified by this cautionary statement and reflect the Company's expectations as of the date hereof and are subject to change thereafter. The Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, estimates or opinions, future events or results or otherwise or to explain any material difference between subsequent actual events and such forward-looking information, except as required by applicable law.

The CSE does not accept responsibility for the adequacy or accuracy of this release.

Neither the Canadian Securities Exchange nor its Market Regulator (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release.
