

Nifiable and Station Gallery Announces NFT Partnership and OBV's next NFT

Toronto, Ontario--(Newsfile Corp. - June 10, 2022) - **Graph Blockchain Inc. (CSE: GBLC) (OTC Pink: REGRF) (FSE: RT5A) ("Graph" or the "Company")** is pleased to announce recent operational updates for the Company's wholly-owned subsidiary, Nifiable. Nifiable has executed a partnership agreement with Whitby Arts Inc. (o/a "Station Gallery") and will aid Station Gallery in the creation of non-fungible tokens ("NFTs") advise on the marketing strategy, sale of the NFTs and post-sale of the NFTs.

Station Gallery will source both the artists and artwork that will be minted as NFTs and look forward to working with Nifiable in anticipation for the launch of their first collaborative piece this summer.

Station Gallery's mission is to unleash the power of arts and culture to educate, connect and inspire our diverse communities in meaningful and compelling ways.

For more information on Station Gallery, please visit: www.stationgallery.ca.

"This is a new frontier for artists in Whitby and we are pleased to partner with Nifiable to explore new avenues of art experiences," said Natasha Downes, Executive Director of Station Gallery.

"We are extremely happy to have Station Gallery as a partner and help guide them through the NFT world. We continue to hold that NFTs are a new venue for charities to access for fundraising. Furthermore, we look forward to showcasing some of the artists and artwork from Station Gallery this summer," said Michael Yeung, President of Nifiable Inc.

"We welcome Station Gallery as one of our partners for Nifiable. We are excited for them to get into the NFT world. With another charity onboard, we continue to believe that the charity space for NFTs is a massive opportunity for our shareholders," said Paul Haber, CEO of the Company.

One Body Village

Nifiable is also pleased to announce that One Body Village, in collaboration with Nifiable intends to launch its next NFT by the end of this month. Nifiable believes that NFT's and the crypto market are showing stability and timing would be ideal for the launch of a subsequent NFT.

About Station Gallery

Station Gallery is a public art gallery and a registered charity. SG is a creative hub in the community and shows art exhibitions of emerging, mid-career and established artists. SG brings art and culture to kids, youth, adults and families of all ages and abilities through programs, classes, and workshops, performances, and special events. Station Gallery is a resource to artists and champion of creativity and empowerment.

About Graph Blockchain

Graph Blockchain provides shareholders with exposure to various areas of Decentralized Finance (DeFi). Focusing on altcoins through its wholly owned subsidiaries Babbage Mining Corp., a Proof of Stake ("POS") miner, and Beyond the Moon Inc. an IDO focused company, Graph gives investors exposure to the vast emerging market of cryptocurrencies with the significant technological disruption and potential gains altcoins represent. In addition, through its investment in New World, Graph is providing its shareholders with exposure to rapidly growing and emerging NFT market. Additional information on the Company is available at www.graphblockchain.com.

Forward-Looking Statements

This news release contains "forward-looking statements" within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-looking statements.

Generally, such forward-looking information or forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved". The forward-looking information and forward-looking statements contained herein include, but are not limited to, statements regarding: the continued growth of the art-focused NFT market. Forward-looking information in this news release are based on certain assumptions and expected future events. These statements involve known and unknown risks, uncertainties and other factors, which may cause actual results, performance or achievements to differ materially from those expressed or implied by such statements, including but not limited to: the potential inability of the Company to continue as a going concern; the potential inability of New World to continue as a going concern; the risks associated with the blockchain and NFT industry in general; increased competition in the art-focused NFT market; the potential future unviability of the NFT market in general, and the art-focused NFT market in specific. Readers are cautioned that the foregoing list is not exhaustive. Readers are further cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions, or expectations upon which they are placed will occur. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated.

Forward-looking statements contained in this news release are expressly qualified by this cautionary statement and reflect the Company's expectations as of the date hereof and are subject to change thereafter. The Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, estimates or opinions, future events or results or otherwise or to explain any material difference between subsequent actual events and such forward-looking information, except as required by applicable law.

The CSE does not accept responsibility for the adequacy or accuracy of this release.

Neither the Canadian Securities Exchange nor its Market Regulator (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release.
