

Niftable Launches Station Gallery's NFT

Toronto, Ontario--(Newsfile Corp. - September 19, 2022) - **Graph Blockchain Inc. (CSE: GBLC) (OTC Pink: REGRF) (FSE: RT5A) ("Graph" or the "Company")** is pleased to announce that its wholly-owned subsidiary, Niftable Inc. ("Niftable"), has launched its third charity focused NFT.

Niftable in collaboration with Station Gallery has dropped Station Gallery's next NFT named "Kaleidoscope". The NFT is a limited edition (only 500 mints available) priced at approximately CAD\$50 each mint.

The Kaleidoscope was an illustration produced by an aspiring artist, Michaela Rae. Michaela Rae is an emerging young artist in the Durham Region. Michaela has been connected to Station Gallery since she was young, which inspired her love of the arts. Michaela Rae explores her creativity by exploring using different mediums and styles in innovative ways.

"Station Gallery presents so many great opportunities to young artists. It is an excellent community for artists to grow and share their work. I am so excited to be working with Niftable and Station Gallery for my first NFT. Kaleidoscope is intended to be perceived uniquely, taking on a new perspective each time its viewed", said Michaela Rae.

"Station Gallery is extremely excited to work with artist Michaela Rae and Niftable on our first NFT - adding another layer to SG's constantly evolving works of art. As a not-for-profit organization, Station Gallery is always looking for dynamic ways to raise funds and support artists. Michaela Rae and Niftable have brought forth a new opportunity for growth and we cannot wait to see where this venture takes us and Michaela Rae's future as an artist", said Natasha Downes, Executive Director of Station Gallery.

"We are excited to launch another charity focused NFT. We are proud supporter of Station Gallery as they provide art and culture to kids, youth, adults and families of all ages. We continue to believe NFTs are a great new way for charities to fundraise", said Paul Haber, CEO of the Company.

About Graph Blockchain

Graph Blockchain provides shareholders with exposure to various areas of Decentralized Finance (DeFi). Focusing on altcoins through its wholly owned subsidiaries Babbage Mining Corp., a Proof of Stake ("POS") miner, and Beyond the Moon Inc. an IDO focused company, Graph gives investors exposure to the vast emerging market of cryptocurrencies with the significant technological disruption and potential gains altcoins represent. In addition, through its investment in New World, Graph is providing its shareholders with exposure to rapidly growing and emerging NFT market. Additional information on the Company is available at www.graphblockchain.com.

Forward Looking Statements

This news release contains "forward-looking statements" within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-looking statements.

Generally, such forward-looking information or forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved". The forward-looking information and forward-looking statements contained herein include, but are not limited to, statements regarding: the continued growth of the art-focused NFT market. Forward-looking information in this news release are based on certain assumptions and expected future events. These statements involve known and unknown risks, uncertainties and other factors, which may cause actual results, performance or achievements to differ materially from those expressed or implied by such statements, including but not limited to: the potential inability of the Company to continue as a going concern; the potential inability of New World to continue as a going concern; the risks associated with the blockchain and NFT industry in general; increased competition in the art-focused NFT market; the potential future unviability of the NFT market in general, and the art-focused NFT market in specific. Readers are cautioned that the foregoing list is not exhaustive. Readers are further cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions, or expectations upon which they are placed will occur. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated.

Forward-looking statements contained in this news release are expressly qualified by this cautionary statement and reflect the Company's expectations as of the date hereof and are subject to change thereafter. The Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, estimates or opinions, future events or results or otherwise or to explain any material difference between subsequent actual events and such forward-looking information, except as required by applicable law.

The CSE does not accept responsibility for the adequacy or accuracy of this release.

Neither the Canadian Securities Exchange nor its Market Regulator (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release.
