

WatchReporter.com Beta Release Website Launches Serving Global Watch Enthusiast Market

Toronto, Ontario – September 25, 2024 – New World Solutions Inc. (CSE: NEWS) (OTC Pink: REGRF) (FSE: RT5) (“New World” or the “Company”) announces that its majority-owned dialMKT Corp. (“dialMKT”) subsidiary has launched an updated version of its website at www.WatchReporter.com. The site is an integrated part of the company’s content strategy and media platform including social media, serving the global watch enthusiast market.

dialMKT’s global watch enthusiast community is 18,000 across Instagram, YouTube, WatchReporter.com, and e-mail newsletter subscribers

WatchReporter.com is written by watch enthusiasts - for watch enthusiasts and features the latest relevant articles, and videos on: watch auction news, collector interviews, watch reviews, and a growing database on buyer guides on vintage and modern watches.

dialMKT CEO and New World Chairman Jack Marks commented “dialMKT has a fast-growing online community of almost +18,000 users across its website and social media channels, including, YouTube, Instagram, and a growing e-mail newsletter. From our interactions with our community, we know many of these enthusiasts have watch collections worth \$50,000 to \$1 million. Our business model anticipates that a significant number of our community members will turn into customers on our e-commerce platform to buy, sell and trade their collections in the months ahead”

dialMKT’s e-commerce platform is expected to launch in the next 30 days and be integrated into WatchReporter.com to align with the upcoming fourth-quarter end-of-the-year Holiday sales season.

Current top content on www.WatchReporter.com includes:

About dialMKT

dialMKT is addressing the digital transformation of the multi-billion dollar global wrist watch enthusiast market by developing a blockchain-powered digital ecosystem that integrates content, e-commerce, and community. The WatchReporter.com site will serve as an integral part of the three pillar content/commerce/community growth strategy.

The global pre-owned watch market is expected to reach \$29-32 billion by 2025, according to a recent report from McKinsey & Co.

Forward-Looking Statements

This news release contains "forward-looking statements" within the meaning of applicable securities laws. All statements contained herein that are not clearly historical in nature may constitute forward-looking statements.

Generally, such forward-looking information or forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved". Forward-looking information in this news release are based on certain assumptions and expected future events. These statements involve known and unknown risks, uncertainties, and other factors, which may cause actual results, performance, or achievements to differ materially from those expressed or implied by such statements, including but not limited to: the potential inability of the Company to continue as a going concern; the risks associated with the blockchain in general, the risk that the Transaction will not be completed as contemplated or at all. Readers are cautioned that the foregoing list is not exhaustive. Readers are further cautioned not to place undue reliance on forward-looking statements, as there can be no assurance that the plans, intentions, or expectations upon which they are placed will occur. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated.

Forward-looking statements contained in this news release are expressly qualified by this cautionary statement and reflect the Company's expectations as of the date hereof and are subject to change thereafter. The Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, estimates or opinions, future events or results, or otherwise or to explain any material difference between subsequent actual events and such forward-looking information, except as required by applicable law.

The Canadian Stock Exchange (the "CSE") does not accept responsibility for the adequacy or accuracy of this release.

Neither the CSE nor its Market Regulator (as that term is defined in the policies of the CSE) accepts responsibility for the adequacy or accuracy of this release.
