

Gold Hunter Resources Uplists to OTCQB, and Receives DTC Eligibility for American Investors

VANCOUVER, BRITISH COLUMBIA, March 25th, 2025 – Gold Hunter Resources Inc. (CSE: HUNT | OTCQB: HNTRF | Frankfurt: 6RH) ("Gold Hunter" or the "Company") is pleased to announce the Company has uplisted its American listing to the OTCQB® Venture Market, and has received DTC eligibility.

OTCQB Uplisting: Expanding Access to U.S. Investors

Gold Hunter is pleased to announce that its common shares have been uplisted to the OTCQB® Venture Market in the United States under the new trading symbol "HNTRF" effective immediately. The Company will continue to trade on the Canadian Securities Exchange (CSE: HUNT) as well as on the European Frankfurt Stock Exchange (6RH).

The OTCQB Venture Market serves as a premier trading platform for emerging companies, offering greater visibility, liquidity, and transparency to United States investors. Companies must meet stringent financial and regulatory requirements, including annual verification, management certification, and compliance with U.S. securities laws.

Gold Hunter's proactive uplisting aligns with upcoming OTC Market structure changes, including the introduction of the OTCID™ Basic Market, effective July 1, 2025. This shift highlights the importance of companies qualifying for OTCQB and OTCQX, where higher disclosure standards drive greater investor confidence and trading efficiency.

Gold Hunter Receives DTC Eligibility

The Company is also pleased to announce that its submitted application for Depository Trust Company (DTC) eligibility has been received and approved. DTC eligibility simplifies the trading process by allowing U.S. investors to trade, settle, and transfer shares electronically, increasing liquidity, reducing transaction costs, and streamlining stock transfers for shareholders.

About Gold Hunter Resources Inc.

Gold Hunter Resources Inc. is a Canadian mineral exploration company focused on acquiring and advancing high-potential precious and base metal projects. The Company employs data-driven exploration strategies to unlock value in Newfoundland's emerging mining districts.

Following the successful divestiture of its first consolidated district to FireFly Metals, Gold Hunter assembled the **Great Northern Project**, expanding its strike length by 64% to 40 kilometres. Positioned in one of Newfoundland's most prospective gold regions, the Company is committed to responsible exploration and maximizing shareholder value.
