*Vancouver, British Columbia* – June 8, 2022 – Legible Inc. (CSE: READ) (FSE: D0T) ("Legible" or the "Company"), announces that, further to its June 6, 2022 News Release, it has increased the size of its private placement of debenture units ("Debenture Units") from up to \$1,000,000 to up to \$2,000,000 (the "Private Placement").

In addition, Legible also announced that it has completed the closing of the first tranche of the Private Placement. Legible issued 100.63 Debenture Units at a price of \$10,000 per Debenture Unit for gross proceeds of \$1,006,300 (and, less the finder's fee of \$12,000 for net proceeds of \$994,300; \$390,800 of which was the settlement of outstanding indebtedness). The Company intends to use the proceeds from the Private Placement for general working capital purposes. All securities issued in connection with the Private Placement are subject to a hold period that expires on October 9, 2022. It is anticipated that Legible will close a second tranche of the Private Placement within the next two weeks.

Mr. David Van Seters, a director of Legible, subscribed for 2.1 Debenture Units and Ms. Shannon Kaustinen, also a director of Legible, subscribed for 1 Debenture Unit under the Private Placement. Legible has determined that exemptions from the various requirements of Multilateral Instrument 61-101 are available for the issuance of the Debenture Units (Formal Valuation - Issuer Not Listed on Specified Markets; Minority Approval - Fair Market Value Not More Than \$2,500,000).

Each Debenture Unit consists of: (i) a 15% unsecured convertible debenture of the Company ("Debenture") in the principal amount of \$10,000; and (b) 50,000 common share purchase warrants ("Warrant"). The Debentures mature on the date that is three (3) years following the closing (the "Maturity Date") and are convertible at the holder's option, at any time, after the date that is four months and one day from the closing, into common shares of the Company ("Common Shares") at a conversion price of \$0.10 per share. The Debentures bear interest at a rate of fifteen percent (15%) per annum calculated annually. The full amount of the interest owing until the date that is two (2) years following the closing shall be pre-paid at closing by the issuance of 20,000 Common Shares (at a deemed price of \$0.15 per share) per Debenture Unit, and thereafter interest shall be due and

payable in cash on the earlier of: (i) the Maturity Date; and (ii) in the event of conversion of the Debentures prior to the Maturity Date of the entire principal amount, 30 days following the conversion date. Each Warrant entitles the holder to purchase one Common Share at a price of \$0.15 for a period of two (2) years from closing; provided that if, at any time, after the date that is four months and one day following the closing, the volume weighted average trading price of the common shares on the Canadian Securities Exchange (the "CSE") is at least \$0.40 per share for a period of 5 consecutive trading days, the expiry date of the Warrants may be accelerated by the Company to a date that is not less than 21 days after the date that notice of such acceleration is provided to the Warrant holders, which notice may be by way of general press release.

As noted above, a finder acting in connection with the Private Placement received a fee in the amount of \$12,000 and 120,000 finder's warrants. Each finder's warrant may be exercised to acquire one Common Share at a price of \$0.10 per share for a period of two (2) years from the closing; provided that if, at any time, after the date that is four months and one day following the closing, the volume weighted average trading price of the Common Shares on the CSE is at least \$0.40 per share for a period of 5 consecutive trading days, the expiry date of the finder's warrants may be accelerated by the Company to a date that is not less than 21 days after the date that notice of such acceleration is provided to the finder's warrant holders, which notice may be by way of general press release.
