

Legible Initiates Content Streaming with LiveOne into its Slacker Radio Service, Including Audiobook Previews in Tesla

- All 1.5M+ subscribers of Tesla's Premium Connectivity package in North America will have access to Legible's audiobooks
- LiveOne members will now have access to millions of audiobooks and eBooks, 45M music tracks, 400K hours of podcast episodes, 500+ expertly curated radio stations
- Audiobook market projected to grow from over US\$2B now to US\$35B by 2030

January 31, 2024 - Vancouver, BC - [Legible Inc.](#) (CSE: READ) (OTCQB: LEBGF) (FSE: D0T) ("Legible", or the "Company"), a leading infotainment platform and publishing house, and LiveOne, Inc. ([NASDAQ: LVO](#)) ("LiveOne"), a pioneer in digital broadcasting, are very pleased to now provide users with a seamless access to millions of book titles within the Slacker Radio platform, including audiobook previews in Tesla cars.

Legible is providing audiobook and eBook content through its newly released Legible Connect service, a fully secure book content delivery tool for B2B clients. Additionally, Legible's diverse and extensive library of audiobooks and eBooks combined with Slacker Radio's best-in-class technology will provide customers with endless hours of fascinating entertainment wherever they listen.

Legible's contracts with four of the Big Five publishers, the world's largest book distributor, Ingram CoreSource, and many other publishers, along with a continually growing catalogue, offer users a wide range of audiobooks spanning fiction, non-fiction, self-help and productivity, biographies, kids' books, and educational content.

"As the audio entertainment experience evolves, LiveOne and Slacker remain committed to developing new and diverse entertainment experiences to meet and exceed consumer demand. Our partnership with Legible and the integration of audiobooks represents a significant step forward in redefining the listening experience for our B2C customers and B2B partners. We're thrilled to embark on this new path with Legible's unique infotainment platform," said Rob Ellin, CEO of LiveOne.

"This partnership underscores our commitment to pushing the boundaries of innovation in digital publishing content solutions, especially in the automotive space. By combining technology, content curation, and personalized recommendations, Legible, LiveOne, and Slacker Radio are set to create an immersive and unparalleled audiobook experience for both new and long-time listeners alike," said Kaleeg Hainsworth, CEO of Legible.

LiveOne is the world's first all-in-one music and entertainment destination that combines premium livestreams of concerts and festivals, expertly-curated streaming radio stations, podcasts, and original artist video and audio content, with a mission to bring music and entertainment to as many people as possible around the globe. LiveOne's subsidiaries, Slacker Radio and PodcastOne, deliver music and podcasts to automotive users.

Cautionary Note Regarding Forward Looking Information

This Press Release contains certain statements which constitute forward-looking statements or information ("forward-looking statements"), including statements regarding Legible's business. Such forward-looking statements are subject to numerous risks and uncertainties, some of which are beyond Legible's control, including the impact of general economic conditions, industry conditions, currency fluctuations, the lack of availability of qualified personnel or management, stock market volatility and the ability to access sufficient capital from internal and external sources. Although Legible believes that the expectations in its forward-looking statements are reasonable, they are based on factors and assumptions concerning future events which may prove to be inaccurate. Those factors and assumptions are based upon currently available information. Such statements are subject to known and unknown risks, uncertainties and other factors that could influence actual results or events and cause actual results or events to differ materially from those stated, anticipated or implied in the forward- looking information. As such, readers are cautioned not to place undue reliance on the forward- looking information, as no assurance can be provided as to future results, levels of activity or achievements. The forward-looking statements contained in this document are made as of the date of this document and, except as required by applicable law, Legible does not undertake any obligation to publicly update or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise. The forward-looking statements contained in this document are expressly qualified by this cautionary statement.
