URBANA CORPORATION - NOTICE OF INTENTION TO PURCHASE SHARES

Toronto, Ontario – August 27, 2014 – Urbana Corporation (“Urbana”) (TSX: URB.A) announced today that the Toronto Stock Exchange (“TSX”) has accepted its notice of intention to conduct a normal course issuer bid to enable it to purchase up to 4,855,693 of its non-voting Class A shares (the “Class A Shares”), representing 10% of the public float, pursuant to TSX rules.

Purchases under the bid may commence on August 29, 2014, and will terminate on the earlier of August 28, 2015, the date Urbana completes its purchases pursuant to the notice of intention to make a normal course issuer bid filed with the TSX or the date of notice by Urbana of termination of the bid. Purchases will be made on the open market by Urbana through the facilities of the TSX or the Canadian Securities Exchange (“CSE”) in accordance with the rules and policies of the TSX. Caldwell Securities Ltd. will make all purchases pursuant to the bid on behalf of Urbana. The price that Urbana will pay for any such shares will be the market price of such shares on the TSX at the time of acquisition. Class A Shares purchased under the bid will be cancelled. Urbana will not purchase in any given 30 day period, in the aggregate, more than 980,000 Class A Shares, being 2% of the 49,000,000 issued and outstanding Class A Shares as at August 26, 2014.

Pursuant to a previous notice of intention to conduct a normal course issuer bid accepted by the TSX on August 27, 2013 for the period of August 29, 2013 to August 28, 2014, Urbana has purchased, as of August 26, 2014, 5,386,000 Class A Shares on the open market at an average purchase price of \$1.78 per share.

To the knowledge of Urbana, no director, senior officer or other insider of Urbana currently intends to sell any Class A shares under the bid. However, sales by such persons through the facilities of the TSX or the CSE may occur if the personal circumstances of any such person change or if any such person makes a decision unrelated to the bid. The benefits to any such person whose shares are purchased would be the same as the benefits available to all other holders whose shares are purchased.

Urbana believes that the market price of its Class A Shares at certain times may be attractive and that the purchase of Class A Shares from time to time would be an appropriate use of corporate funds in light of potential benefits to remaining shareholders.
