

Urbana Corporation
Management Information Circular

March 29, 2018

Solicitation of Proxies

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation by management (“Management”) of Urbana Corporation (“Urbana” or the “Corporation”) of proxies to be used at the annual meeting of shareholders (the “Meeting”) of Urbana to be held on May 9, 2018 at 11:00 a.m. (Toronto time) at the St. Andrew’s Club and Conference Centre, 150 King Street West, 27th Floor, Toronto, Ontario M5H 1J9 and at any adjournment or adjournments thereof. It is expected that the solicitation will be primarily by mail. Proxies may also be solicited by telephone, facsimile and/or in person. The costs of the solicitation will be borne by Urbana.

Who can vote?

Holders of common shares of Urbana (the “Common Shares”) as at the close of business on March 13, 2018 are entitled to vote. Each Common Share entitles the holder thereof to one vote. As of March 13, 2018, Urbana had 10,000,000 Common Shares issued and outstanding. Holders of the non-voting Class A shares of Urbana (the “Class A Shares”) may attend the Meeting but are not entitled to vote at meetings of shareholders of Urbana except as provided by law and will not be entitled to vote on any matter at the Meeting.

Exercise of Discretion by Proxies

The Common Shares represented by any proxy received by Management will be voted for, withheld from voting or voted against, as appropriate, by the persons named in the enclosed form of proxy or voting instruction form in accordance with the direction of the shareholders appointing them on any ballot that may be called for at the Meeting or any adjournment or adjournments thereof. **In the absence of any direction to the contrary, it is intended that the shares represented by proxies received by Management will be voted on any ballot: (a) “For” the election of each of the directors referred to in this Circular; and (b) “For” the appointment of Deloitte LLP as the auditor of Urbana.** The enclosed form of proxy or voting instruction form confers discretionary authority upon the persons named therein with respect to matters not specifically mentioned in the Notice of Meeting, but which may properly come before the Meeting or any adjournments thereof and with respect to amendments to or variations of matters identified in the notice of Meeting. As at the date hereof, Management knows of no such amendment, variation or other matters to come before the Meeting other than the matters referred to in the notice of Meeting and routine matters incidental to the conduct of the Meeting. If any further or other business is properly brought before the Meeting, it is intended that the person appointed as proxy will vote on such other business in such manner as such person then considers to be proper.

Appointment of Proxy Holder

The persons specified in the enclosed form of proxy or voting instruction form are directors and/or senior officers of Urbana. **Each holder of Common Shares has the right to appoint a person or company (who need not be a shareholder of Urbana) other than the person(s) designated by Management in the enclosed form of proxy or voting instruction form to attend and act on the shareholder’s behalf at the Meeting or at any adjournment thereof.** Such right may be exercised by striking out the names of the specified persons and inserting the name of the shareholder’s nominee in the space provided, or by completing another appropriate form of proxy or voting instruction form.

In the case of registered holders of Common Shares, the completed, dated and signed form of proxy should be sent in the enclosed envelope or otherwise to Proxy Department, AST Trust Company (Canada), P.O. Box 721, Agincourt, Ontario M1S 0A1, by fax at 416-368-2502 (North American Toll Free 1-866-781-3111), or by email at proxymvote@astfinancial.com. In the case of non-registered holders of Common Shares who receive these materials through their broker or other intermediary, the shareholder should contact the broker or other intermediary and proceed in accordance with the instructions provided by such broker or other intermediary. To be effective, a proxy must be received by AST Trust Company (Canada) no later than May 7, 2018 at 5:00 p.m. (Toronto time), or in the case of any adjournment of the Meeting, not less than 48 hours, Saturdays and Sundays excepted, prior to the time of the adjournment.

Revocation of Proxy

A shareholder who has given a proxy may revoke it by depositing an instrument in writing executed by the shareholder or by the shareholder's attorney authorized in writing, or by transmitting, by telephonic or electronic means, a revocation signed by electronic signature by the shareholder or the shareholder's attorney authorized in writing, to or at the registered office of Urbana at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, or by any other manner permitted by law.

Voting Shares and Principal Holders of Voting Shares

Urbana has fixed March 13, 2018, as the record date for shareholders entitled to receive notice of the Meeting. As at March 13, 2018, Urbana had authorized capital consisting of an unlimited number of Common Shares, an unlimited number of Class A Shares and an unlimited number of preferred shares. As at March 13, 2018, Urbana had outstanding 10,000,000 Common Shares, 40,000,000 Class A Shares and no preferred shares. Holders of Common Shares are entitled to one vote in respect of each Common Share held.

To the best knowledge of the directors and officers of Urbana, as at March 13, 2018, two shareholders of Urbana beneficially own or exercise control or direction over more than 10% of the Common Shares. Thomas S. Caldwell beneficially owns or directly or indirectly exercises control or direction over 4,437,861 Common Shares, representing approximately 44.38% of the outstanding Common Shares. Brendan T. N. Caldwell beneficially owns or directly or indirectly exercises control or direction over 1,057,833 Common Shares, representing approximately 10.58% of the outstanding Common Shares.

Restricted Shares

Holders of Class A Shares are not entitled to vote at meetings of shareholders of Urbana except as provided by law and will not be entitled to vote on any matter at the Meeting. In certain circumstances, if a take-over bid is made for the Common Shares, a holder of Class A Shares may, at his or her option, and for the purpose of tendering to such take-over bid, convert any or all of the Class A Shares then held by such holder into Common Shares on the basis of one Common Share for each Class A Share so converted during a specified period of time.

MATTERS TO BE ACTED UPON AT THE MEETING

1. Election of Directors

A board of five directors is to be elected at the Meeting. Each director holds office until the next annual meeting of shareholders or until a successor is duly elected or appointed. Each nominee is voted for on an individual basis. The persons named in the enclosed form of proxy or voting instruction form intend to vote for the election of each of the nominees named below unless otherwise directed. All of the nominees are currently members of the board of directors of Urbana (the “Board”) and have been since the years indicated below.

Management does not contemplate that any of the proposed nominees will be unable to serve as a director but, if that should occur for any reason prior to the Meeting, the persons named in the enclosed form of proxy or voting instruction form reserve the right to vote for another nominee in their discretion. The Board has adopted the following majority voting policy for uncontested elections of directors: if any proposed nominee as a director receives more “withhold” than “for” votes, the Board will promptly consider asking that nominee to resign as a director and it is anticipated that such a request will be made barring unusual circumstances.

The following table sets forth the name of each nominee, his or her principal occupation and the office with Urbana currently held by him or her, the year each nominee became a director of the Corporation, the number of Common Shares and Class A Shares beneficially owned directly or indirectly or over which control or direction is exercised by each of them as of the date hereof and the percentage of Common Shares and Class A Shares this represents.

⁽²⁾ Member of the Governance, Nominating and Compensation Committee.

The information as to shares beneficially owned, controlled or directed, not being within the knowledge of Urbana, has been furnished by the nominees.

2. Appointment of Auditor

Management proposes that Deloitte LLP be reappointed as the auditor of Urbana to hold office until the close of the next annual meeting of shareholders and that the directors be authorized to fix the remuneration of the auditor. In the absence of a contrary instruction, the persons specified in the enclosed proxy form or voting instruction form intend to vote FOR the appointment of Deloitte LLP as the auditor of Urbana, to hold office until the next annual meeting of shareholders or until its successor is appointed and the fixing of the auditor's remuneration by the Board.

STATEMENT OF EXECUTIVE COMPENSATION

The Board has established a Governance, Nominating and Compensation Committee (the "Committee") which, among other matters, (a) reviews and recommends the compensation of the CEO and the other executive officers of the Corporation, (b) recommends the compensation of the directors of the Corporation, and (c) has the authority to make recommendations to the Board with respect to equity and incentive based plans and with respect to any other compensation matters that require approval of the Board.

The Committee members are: Beth Colle (independent), George D. Elliott (independent) Charles A.V. Pennock (independent) and Michael Gundy (non-independent), each of whom has direct experience that is in some way relevant to Committee responsibilities with respect to director and executive compensation. The Committee members have significant experience in investment banking, law, executive search and business consulting.

The Committee has considered the risks associated with Urbana's compensation policies and practices and determined that such risks are not material in relation to the income or assets of Urbana given that (i) the directors receive relatively low annual fees set by the Board which are only supplemented when extra assignments are taken on by individual directors, (ii) there are no employee incentive programs in place or in prospect, (iii) the CFO is employed and compensated by Caldwell Securities Ltd. and not by Urbana, and (iv) the CEO's cash compensation is paid by the Investment Manager, as defined below, not by Urbana. As part of an overall effort to control costs associated with the compensation of its executive officers, Urbana operates with only two named executive officers ("NEOs"), as defined in Form 51-102F6 – *Statement of Executive Compensation*, the CEO and CFO. Further details regarding the significant elements of compensation earned by Urbana's NEOs and directors, directly or indirectly, are set out in the footnotes to the Summary Compensation Table on page 5 below and in the Director Compensation Table on page 6 below.

The Corporation invests part of its portfolio in publicly marketable securities to provide growth, income and liquidity. For some years, Urbana has invested a significant portion of its portfolio (generally in excess of 50% of its investable assets) in liquid North American equities and debt securities. This part of the Urbana portfolio generates dividends and interest income but is available for sale to generate proceeds that can be redeployed to private or less liquid investments as opportunities present themselves.

The Corporation's strategy is to seek out, and invest in, private investment opportunities for capital appreciation and to invest in publicly traded securities to provide growth, income and liquidity. Urbana monitors the private investments it makes on an ongoing basis, at least quarterly, including by reviewing financial statements, engaging in discussions with management and monitoring market and industry conditions. When Management makes private company investments, members of the Board usually vet the investment opportunities and, subsequent to investment, Management and/or Urbana directors may act as directors of the investee company or participate in its board of advisors or provide attention to the affairs of the investee from time to time or on an ongoing basis. The Investment Manager provides services to assist with this work such as asset valuation analysis.

With private investees, there can be a mismatch between the value of such private investments and the amount of time required of Urbana to manage them. Urbana anticipates that the percentage of the portfolio invested in private issuers will rise in future so this issue is likely to persist. As part of its ongoing oversight of compensation, the Board and/or the Committee expects to address the risk of under compensation for time spent in identifying, monitoring and advancing these private investments by proposing changes to the PM Agreement, as defined below, recommending that Urbana retain more employees directly, or a combination of these two approaches.

During the year ended December 31, 2017, (i) no executive officer received compensation in excess of \$150,000 directly from the Corporation, (ii) the compensation in respect of activities performed for Urbana by its Chief Financial Officer during the period was paid pursuant to an Administrative Services Agreement between Urbana and Caldwell Securities Ltd. dated January 1, 2016 (the “Admin Agreement”), (iii) the Chief Executive Officer (the “CEO”) did not receive compensation from the Corporation in his capacity as the CEO of the Corporation, and (iv) the only NEOs of the Corporation were the CEO and CFO. Caldwell Securities Ltd. is a sister company of the Investment Manager – see heading “INVESTMENT MANAGER AND INVESTMENT MANAGEMENT AGREEMENT”.

The directors and officers of the Corporation are not permitted to purchase financial instruments that are designed to hedge or offset a decrease in the market value of the equity securities of the Corporation held directly or indirectly by the directors or officers.

The following table summarizes the compensation paid directly by Urbana to its NEOs in respect of services provided to Urbana in the last three completed financial years:

The following performance graph compares the total cumulative return of a \$100 investment in the Common Shares and Class A Shares from January 1, 2013 to December 31, 2017 with the cumulative return on the S&P/TSX Composite Total Return Index for the same period. All dividends are assumed to be reinvested. INVESTMENT MANAGER AND INVESTMENT MANAGEMENT AGREEMENT

Urbana has retained Caldwell Investment Management Ltd. (the “Investment Manager”) to manage its portfolio assets as described below in accordance with the investment objective of Urbana as from time to time disclosed by Urbana in its continuous disclosure filings, pursuant to a fund management and portfolio management agreement made between Urbana and the Investment Manager dated August 10, 2011 (the “PM Agreement”). The Board has determined that the objective and strategy of Urbana is to seek and acquire investments for income and capital appreciation through a combination of public and private investments.

The Investment Manager is a wholly-owned subsidiary of Caldwell Financial Ltd., a company controlled by Thomas S. Caldwell, a principal holder of Urbana’s Common Shares (see “Voting Shares and Principal Holders of Voting Shares” above). The Investment Manager and its affiliates provide full service investment management and advisory services to financial institutions, public and private pension funds, endowment funds, foundations and private family accounts. The Investment Manager is also the manager of (i) the Caldwell Mutual Funds, a group of open-end unit trusts providing investors with exposure to actively managed diversified portfolios of securities, (ii) Caldwell Clearpoint Funds, a group of mutual funds marketed separately from the Caldwell Mutual Funds, (iii) Caldwell Growth Opportunities Trust, Caldwell ICM Market Strategy Trust, Caldwell Strategic Investment Pool and Pendragon Fund, each being an open-end unit trust offered on a private placement basis, and (iv) Caldwell U.S. Dividend Advantage Fund, a closed-end investment trust.

Pursuant to the PM Agreement, the Investment Manager manages Urbana’s portfolio assets, provides investment analysis and recommendations, makes investment decisions on publicly-traded securities, and makes brokerage arrangements relating to the portfolio assets. The Investment Manager does not make decisions in respect of Urbana’s private investments. Rather, when Management makes private company investments, members of the Board usually vet the investment opportunities and, subsequent to investment, may act as directors of the investee company or participate in its board of advisors. The PM Agreement provides that the Investment Manager is entitled to an investment management fee equal to 1.5% per annum of the market value of the Corporation’s investment portfolio. The investment management fees are accrued daily and paid quarterly in arrears. For the year ended December 31, 2017, the Investment Manager earned \$4,269,204 (HST inclusive) of investment management fees from Urbana.
