

DELTA ANNOUNCES EFFECTIVE DATE OF NAME CHANGE TO REGENERA INSIGHTS INC.

Calgary, Alberta – March 28, 2025 – Delta CleanTech Inc. (“**Delta**” or the “**Corporation**”) (CSE:DELT, FRA: 66C).

Further to the announcements on March 24, and March 26, 2025, Delta changed its name to Regenera Insights Inc. (“**Regenera**”), with a new trading symbol “RGEN”. Due to delay in eligibility receipt of the Corporation’s ISIN, the common shares have been halted until **Monday, March 31, 2025**, at which time the Corporation will begin trading again on the CSE under the new symbol, RGEN.

Regenera is a 19-year ESG-driven company and a historically recognized global technology leader in post combustion CO₂ Capture, Solvent & Glycol Reclamation, Blue Hydrogen Production, and Carbon Credit Aggregation and Management.

Regenera will provide solutions to clients globally through technologies and processes that reduce the CO₂ footprint in the decarbonization of oil, gas, and electricity. The Corporation continues to be highly active in biodiversity, nature-based carbon credit certification, tokenization, and streaming.
