## GLOBAL HELIUM CORP. ANNOUNCES SALE OF STANDING WELL AND LANDS IN MONTANA

CALGARY, ALBERTA, April 2, 2025 – Global Helium Corp. ("**HECO**" or the "**Company**") (CSE: HECO, OTC: HECOF) is pleased to announce the successful sale of one standing well and one section of associated mineral rights located in the Rudyard area of Montana. The purchaser of the assets was an arm's length helium operator, and the Company received cash consideration of USD \$300,000.00 for the sale. The sale is expected to enhance the company's liquidity while it continues to focus on its core operations in Canada.

### **About Global Helium Corp.**

Global Helium is a Canadian helium exploration and development company, focused on the exploration, acquisition, development, and production of helium, done right. The Company has carved out a differentiated position through a unique Farm-In Agreement with industry veteran, Rubellite Energy Corp., through which HECO can access approximately 369,000 acres in Alberta's Manyberries helium trend via joint venture. HECO brings a seasoned team of industry professionals and technical experts who have established connections with North American and international helium buyers. #### ***Forward Looking Statements***

No securities regulatory authority has reviewed nor accepts responsibility for the adequacy or accuracy of the content of this news release.

This news release contains forward-looking statements and other statements that are not historical facts. Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects" and similar expressions. All statements other than statements of historical fact, included in this internal announcement are forward-looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations include the failure to satisfy the conditions of the relevant securities exchange(s) and other risks detailed from time to time in the filings made by the Company with securities regulators. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company.

The reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this internal announcement are expressly qualified by this cautionary statement. The forward-looking statements contained in this internal announcement are made as of the date of this internal announcement and the Company will update or revise publicly any of the included forward-looking statements as expressly required by applicable law.
