Anglo Aluminum Increases Size Of Private Placement Offering

VANCOUVER, BC – Anglo Aluminum Corp. (the “Company”) announces that further to its news release of April 19, 2011, it has increased the size of its previously announced non-brokered private placement from 2,000,000 units (the “Units”) to up to 2,660,000 Units at a price of \$0.25 per Unit for aggregate proceeds of up to \$665,000. As previously announced, each Unit will consist of one common share in the capital of the Company and one share purchase warrant (a “Warrant”). Each Warrant entitles the holder to purchase one additional common share at a price of \$0.35 per share for a period of one year from the completion of the private placement.

In accordance with applicable securities legislation, all securities issued will be subject to a hold period of four months and a day from the date of completion of the offering. The proceeds of the private placement will be used by the Company to advance its Koba Bauxite Project, located in the Republic of Guinea, West Africa, and for general working capital.
