**NAVASOTA RESOURCES' PERMIT EXTENSION FOR Koba Koumbia Bauxite Project in Guinea, West Africa
EXPIRES**

Navasota Resources Inc. ("Navasota") announces that it did not acquire the required exploitation permit covering the Koba Koumbia project in Guinea. The December 27, 2014 deadline imposed by an extension granted on August 27, 2014 has expired without the possibility for further extension and, as a result, Navasota no longer holds any interest in the project.

In addition, Navasota will not proceed with the non-brokered private placement announced on September 8th 2014 of up to 3,000,000 Units at a per Unit price of \$0.05.

Koba and Koumbia Bauxite Projects

Amig Navasota Mining International SARL ("AMIG") was the legal and recorded holder of one mineral exploration permit for two mining research licenses, covering the Koba and Koumbia projects, granted by the Ministry of Mines and Geology of the Republic of Guinea. Navasota held 51% of AMIG.
