The solicitation of proxies will be primarily by mail but may be supplemented by telephone or other personal contact by the directors of the Corporation. The cost of solicitation of proxies will be borne by the Corporation.

If you cannot attend the Meeting in person, complete and return the enclosed form of proxy following the instructions therein.

QUORUM FOR THE TRANSACTION OF BUSINESS

The Corporation’s By-Laws provide that the quorum at a meeting of the shareholders of the Corporation shall be constituted by the attendance of two or more shareholders, present in person or represented by proxy, holding at least 10 % of the votes attached to outstanding voting shares.

APPOINTMENT OF PROXIES

The persons named in the enclosed form of proxy are directors and officers of the corporation. a shareholder has the right to appoint as his or her proxy a person, who need not be a shareholder, other than those whose names are printed on the accompanying form of proxy. A shareholder who wishes to appoint some other person to represent him or her at the meeting may do so either by inserting such other person’s name in the blank space provided in the form of proxy and signing the form of proxy or by completing and signing another proper form of proxy.

REVOCAION OF PROXIES

A shareholder may revoke a proxy at any time by sending an instrument in writing executed by him or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized in writing, at the same address where the form of proxy was sent and within the delays mentioned therein or two business days preceding the date the meeting resumes if it is adjourned, or remit to the chairman of such meeting on the day of the meeting or any adjournment thereof if applicable.

VOTING OF COMMON SHARES REPRESENTED BY PROXIES

If the enclosed form of proxy is properly completed and submitted in favour of the persons designated in the printed portion thereof, the common shares represented by such form of proxy will be voted on any ballot that may be called for and where the person whose proxy is solicited specifies a choice with respect to any matter identified therein, the common shares shall be voted in accordance with the specification so made. **Where shareholders have not specified in the form of proxy the manner in which the designated**

proxy holders are required to vote the common shares represented thereby as to any matter to be voted on, such common shares will be voted in favour of such matter.

The enclosed form of proxy confers discretionary authority with respect to amendments or variations to the matters identified in the notice of meeting and with respect to matters other than those identified in the notice of meeting which may properly come before the meeting. As of the date hereof, the management of the corporation is not aware that any such amendments, variations, or other matters are to be presented for action at the meeting. **If such amendments or new points were to be brought before the meeting, the persons named in the enclosed form of proxy will vote on such matters in the way they consider advisable.**

ADVICE TO NON REGISTERED SHAREHOLDERS

Only registered holders of common shares of the Corporation, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, common shares of the Corporation beneficially owned by a holder (a “**Non-Registered Shareholder**”) are registered either:

- A. in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Shareholder deals with in respect of the common shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered retirement savings plans, registered retirement income funds and registered educational savings plans and similar plans; or
- B. in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the notice of meeting, this information circular and the form of proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Shareholders.

Intermediaries are required to forward Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- A. be given a proxy which has already been signed by the Intermediary (typically by facsimile, stamped signature) which is restricted as to the number of common shares beneficially owned by the Non-Registered Shareholder but which is otherwise uncompleted. This form of proxy need not be signed by the Non-Registered Shareholder. In this case, the Non-Registered Shareholder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it as described in the form of proxy; or
- B. more typically, be given a voting instruction form that must be completed and signed by the Non-Registered Shareholder in accordance with the directions on the voting instruction form (which may in some cases permit the completion of the voting form by telephone).

The purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the common shares they beneficially own. Should a Non-Registered Shareholder who receives either a form of proxy, a proxy or a voting instruction form wish to attend and vote at the Meeting in person (or have

another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the names of the persons named in the proxy and insert the Non-Registered Shareholder's (or such other corresponding directions on the form.) **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediaries, including those regarding when and where the proxy or the proxy authorization form is to be delivered, and the instructions of their service companies.**

Non-Registered Shareholders who wish to vote their common shares in person at the Meeting must insert their own name in the space provided on the request for voting instructions or proxy form, as the case may be, in order to appoint themselves as proxy holders and follow the signature and return instructions provided by their nominees. Non-Registered Shareholders who appoint themselves as proxy holders should present themselves at the Meeting to a representative of Computershare Investor Services Inc.

All references to shareholders in this Circular, the enclosed form of proxy and the Notice of Meeting are to the registered shareholders unless specifically stated otherwise.

RECORD DATE

The board of directors of the Corporation (the "**Board**") fixed the close of business on April 22, 2014, as the record date (the "**Record Date**") for determining which shareholders shall be entitled to receive Notice of the Meeting and to vote in person or by proxy at the Meeting or any adjournment thereof. Pursuant to the *Canada Business Corporations Act*, the Corporation is required to prepare, no later than ten (10) days after the Record Date, an alphabetical list of the shareholders entitled to vote as of the record date that shows the number of shares held by each shareholder. A shareholder whose name appears on the list referred to above is entitled to vote the shares shown opposite his or her name at the meeting. COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

A – COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

Interpretation

“Named executive officer” (“**NEO**”) means:

- (a) a Chief Executive Officer (“**CEO**”);
- (b) a Chief Financial Officer (“**CFO**”);
- (c) each of the three most highly compensated executive officers of the Corporation, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

The NEOs who are the subject of this Compensation Discussion and Analysis are André Audet, Chairman and CEO, and Sabino Di Paola, CFO.

Compensation Program Objectives

The Corporation’s process with respect to executive compensation is not based on any formal criteria or analysis, however, in determining compensation the Compensation Committee will ensure that compensation is internally equitable. When determining the compensation of the NEO’s, the Board takes into account the limited resources of the Corporation and certain general principles including:

- to attract, retain and motivate talented executives who create and sustain the Corporation’s continued success;
- to align the interests of the Corporation’s executives with the interests of the Corporation’s shareholders; and
- to provide total compensation to executives that is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Overall, the executive compensation program aims to design executive compensation packages that meet executive compensation packages for executives with similar talents, qualifications and responsibilities at companies with similar financial, operating and industrial characteristics. The Corporation is a mining company involved in exploration and will not be generating significant revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate

profitability, is not considered by the Corporation to be appropriate in the evaluation of the performance of the NEOs.

Purpose of the Compensation Program

The Corporation's executive compensation program has been designed to reward executives for reinforcing the Corporation's business objectives and values, for achieving the Corporation's performance objectives and for their individual performances.

Elements of Compensation Program

The executive compensation program consists of a combination of base salary, performance bonus, and stock option incentives.

Purpose of Each Element of the Executive Compensation Program

The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

In addition to a fixed base salary, each NEO is eligible to receive a performance-based bonus meant to motivate the NEO to achieve short-term goals. Awards under this plan are made by way of cash payments only, which payment are typically made during the first calendar quarter following the end of a fiscal year.

Stock options are generally awarded to NEOs on an annual basis. The granting of stock options upon hire aligns NEOs' rewards with an increase in shareholder value over the long term. The use of stock options encourages and rewards performance by aligning an increase in each NEO's compensation with increases in the Corporation's performance and in the value of the shareholders' investments.

Determination of the Amount of Each Element of the Executive Compensation Program

Intervention of the Board of Directors

Compensation of the NEOs of the Corporation is reviewed annually by the Board.

Base Salary

The base salary and/or compensation of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

The base salary and/or compensation of the NEOs of the Corporation, is reviewed annually by the Compensation Committee. The Compensation Committee then makes its recommendations to the Board. The Board approves the base salary and/or compensation of each NEO based on the recommendations of the Compensation Committee.

The base salary and/or compensation is based on the executive officer's personal performance and expertise, contribution to the business of the Corporation and the stage of development of the Corporation.

Performance Bonuses

The Compensation Committee may, from time to time, exercise its discretion to recommend to the Board to allow that a bonus be paid based on the overall performance of the Corporation, exceptional market conditions or when exceptional strategic achievements that could increase the value of the Corporation are realized during the year. The bonus is not based on known or measured corporate or individual performance objectives.

Stock Options

The Corporation has established a formal plan (the "**Stock Option Plan**") under which stock options are granted to directors, officers, employees, and consultants as an incentive to serve the Corporation in attaining its goal of improved shareholder value. The Board determines which NEOs (and other persons) are entitled to participate in the Corporation's Stock Option Plan; determines the number of options granted to such individuals; and determines the date on which each option is granted and the corresponding exercise price. For further information regarding the Stock Option Plan refer to "*Securities Authorized for Issuance Under Equity Compensation Plans*".

The Board makes these determinations subject to the provisions of the existing Stock Option Plan and, where applicable, the policies of the TSX Venture Exchange.

Link to Overall Compensation Objectives

Each element of the executive compensation program has been designed to meet one or more objectives of the overall program.

The fixed base salary of each NEO, combined with the performance bonuses and granting of stock options, has been designed to provide total compensation which the Board believes is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

The Board has not at this time taken any measures to provide continuing education for the directors. However, the directors of the Corporation are encouraged to attend, at the Corporation's expense, any seminar given by the TSX Venture Exchange or the Canadian Securities Administrators relating to the management of a public company or relating to their responsibilities as a director of a public company. Furthermore, the directors are given access to the Corporation's legal advisors for any questions they may have relating to such responsibilities.

Ethical Business Conduct

The Board has taken steps to encourage and promote a culture of ethical business conduct by adopting a code of business conduct and ethics (the "Code") applicable to all employees, officers, directors, consultants and contractors of the Corporation and its subsidiaries. All such persons are expected to adhere to the principles contained in the Code and failure to observe the terms of the Code may result in disciplinary action, including suspension, termination of employment or removal from the Board.

The Code covers a wide range of business practices and principles including the need for: (i) compliance with applicable laws and regulations, (ii) acting honestly and in good faith having in view the Corporation's best interest (iii) advancing the Corporation's legitimate interests, (iv) compliance at all times with prescribed accounting, internal accounting, and auditing procedures and controls (to this regard, the Corporation has instituted a "whistleblower" program whereby any infractions can be reported to the Chair of the Audit Committee), (v) compliance with applicable securities laws prohibiting trading in the securities of a company while in possession of material, non-public information regarding such company (insider trading), (vi) respect of confidential information regarding the Corporation, (vii) protection and proper use of the Corporation's assets (viii) property of inventions, developments and improvements conceived by employees during their period of employment, (ix) respect of co-workers, their integrity and their dignity and (x) respect of applicable environmental laws and regulations. Nomination of Directors

The Chairman of the Board and President of the Corporation seek qualified candidates to be considered for nomination as directors. Proposed nominations are subject to review and approval by the Board.

Assessments

The Board has not established any formal procedures for assessing the performance of the Board or its committees and members. Generally, those responsibilities have been carried out on an informal basis by the Board itself. Furthermore, it is the view of the Board that, in light of its small size and the close and open relationship among its members, the formality of a committee would not be as effective as the current arrangement and is unnecessary.

Management knows of no other matter to become before the Meeting. However, if any other matters which are known to the management should properly come before the Meeting, the accompanying form

of proxy confers discretionary authority upon the persons' named therein to vote on such matters in accordance with their best judgement.
