

Molecule Partners with Great White North Growers to Sell Into the Québec Cannabis Market

June 18th, 2021 (Ottawa, Ontario) – Molecule Holdings Inc. (CSE: MLCL) (“**Molecule**” or the “**Company**”), a Canadian craft-focused cannabis beverage production company, is pleased to announce that the company has entered into a sales amendment partnership with Great White North Growers (“**GWNG**”) to sell into Québec, via the Société québécoise du cannabis (“**SQDC**”), Québec’s exclusive wholesale and retail distributor for the province.

“We are excited to enter the Québec market. We feel our unique family of beverages together with GWNG’s experience and highly Québec-centric focus is a winning combination. Entering Québec is the first step in our national expansion, expecting to now pick-up speed since launching in Ontario in April,” said Phil Waddington, President and CEO of Molecule.

“The decision to partner with Molecule makes good business sense for both companies. This partnership brings together a world-class product development and manufacturing team with a knowledgeable and experienced Québec operator. We look forward to getting started right away,” commented GWNG President and CEO Peter Schissler.

About Molecule Holdings Inc.

Molecule works with client-partners to engage in the production of cannabis-infused beverages and edibles. We provide the infrastructure, know-how, technology, and licensing for craft producers to create consumable cannabis products. Molecule’s goal is to be the on-ramp for companies wishing to enter into the cannabis beverage and edibles market, but who choose not to go through the significant process of obtaining

the required cannabis licences.

About Great White North Growers
