

QNB extends option for hydrogen and other green energy initiatives

Montreal, Quebec, March 27, 2025 – QNB Metals Inc. (CSE: TIM.X) (USOTC: QNBMF) announces the extension of the option to acquire all the issued and outstanding common shares of *ReSolve Energie Inc.* to April 30, 2025.

This exclusive right (“Option”) allows QNB Metals (the “Corporation”) to acquire all the common shares of *ReSolve Energie Inc.* and, thereby, obtain the balance of the 50.1% interest in the newly created *Resolve Hydrogen Inc.* (Press release: January 16, 2025) and other highly prospective patent pending IP for other green energy initiatives already prequalified for government grants. The Option was to expire on March 31, 2025.

The Corporation announces the resignation of Nikolas Perrault from the board of directors. The board would like to thank Mr. Perrault for his efforts and wish him well in his future endeavors.

About QNB

QNB Metals is exploring for natural or white hydrogen in Ontario and Quebec, using leading patent pending detection technology on highly prospective claims known to host elevated levels of hydrogen. The Corporation also holds the Kingsville Salt Reservoir Project in Nova Scotia.
