

POWR Lithium Announces Closing of Private Placement

VANCOUVER, BC, April 4, 2025 (GLOBE NEWSWIRE) —POWR Lithium Corp. (CSE: POWR) (FRA: 6JX / WKN: A3D6BS) (OTCQB: PWRLF) (“POWR” or the “Company”), a mineral exploration and development company focused on American lithium deposits to support domestic demand, is pleased to announce the closing of its non-brokered private placement, which consisted of 4,090,000 units (the “Units”) of the Company at a price of \$0.05 per Unit for gross proceeds of \$204,500 (the “Private Placement”).

Each Unit consists of one common share (each, a “Share”) and one Share purchase warrant (each, a “Warrant”). Each Warrant entitles the holder thereof to purchase one additional Share at an exercise price of \$0.05 until April 5, 2029.

The Company paid finder’s fees to an arms-length brokerage firm (the “Finder”) in connection with the closing of the Private Placement, in the amount of \$1,650. The Company also issued to the Finder 33,000 Share purchase warrants (each, a “Finder’s Warrant”), which Finder’s Warrants are exercisable on the same terms as the Warrants.

The gross proceeds of the Private Placement are expected to be used for general working capital.

There may be circumstances where, for sound business reasons, a reallocation of the funds may be necessary.

All securities issued pursuant to the Private Placement are subject to a statutory hold period expiring August 5, 2025, in accordance with applicable Canadian securities law.

The securities referred to in this news release have not been, nor will they be, registered under the United States (U.S.) Securities Act of 1933, as amended, and may not be offered or sold in the U.S. or to, or for the account or benefit of, U.S. persons absent registration or an applicable exemption from the registration requirements. This news release does not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

On Behalf of The Board of Directors,

Sincerely,

Forward Looking Information Disclaimer

This news release contains statements and information that, to the extent that they are not historical fact, may constitute “forward-looking information” within the meaning of applicable securities legislation. Forward-looking information may include financial and other projections, as well as statements regarding future plans, objectives, or economic performance, or the assumption underlying any of the foregoing. In some cases, forward-looking statements can be identified by terms such as “may”, “would”, “could”, “will”, “likely”, “except”, “anticipate”, “believe”, “intend”, “plan”, “forecast”, “project”, “estimate”, “outlook”, or the negative thereof or other similar expressions concerning matters that are not historical facts. Examples of such statements include, but are not limited to, statements with respect to the development of the Company’s projects, including exploration and technical work; and the use of proceeds from the Private Placement.

Forward-looking information is based on the assumptions, estimates, analysis, and opinions of management made in light of its experience and its perception of trends, current conditions and expected developments, as well as other factors that management believes to be relevant and reasonable in the circumstances at the date that such statements are made, but which may prove to be incorrect. The material factors and assumptions used to develop the forward-looking information contained in this news release include, but are not limited to, key personnel and qualified employees continuing their involvement with the Company; the Company’s ability to secure additional financing on reasonable terms; the competitive conditions of the sector in which the Company operates; and laws and any amendments thereto applicable to the Company.

Forward-looking information involves known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the forward-looking information, including, without limitation, risks relating to the future business plans of the Company; risks that the Company will not be able to retain its key personnel; risks that the Company will not be able to secure financing on reasonable terms or at all, as well as all of the other risks as described in the Company’s annual Management Discussion and Analysis dated December 6, 2024, under the heading “Risks and Uncertainties.” Accordingly, readers should not place undue reliance on any such forward-looking information. Further, any forward-looking information speaks only as of the date on which such statement is made. New factors emerge from time to time, and it is not possible for the Company’s management to predict all such factors and to assess in advance the impact of each such factor on the Company’s business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking information. The Company does not undertake any obligation to update any forward-looking information to reflect information or events after the date on which it is made or to reflect the occurrence of unanticipated events, except as required by law, including securities laws.
