INFORMATION CIRCULAR

**FOR THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON NOVEMBER 4, 2014**

PURPOSE OF SOLICITATION

This information circular (“Information Circular”) is furnished in connection with the solicitation of proxies by the management of Top Strike Resources Corp. (“Top Strike” or the “Company”) for use at the annual and special meeting (the “Meeting”) of the holders (“Shareholders”) of common shares (“Common Shares”) of Top Strike.

The Meeting will be held at the offices of Torys LLP, Suite 4600, 525 - 8th Avenue S.W., Calgary, Alberta, at 10 a.m. (Calgary time) on November 4, 2014 and at any adjournment or postponement thereof for the purposes set forth in the Notice of Annual and Special Meeting of Shareholders (“**Notice of Meeting**”) accompanying this Information Circular. Information contained herein is given as of the date hereof unless otherwise specifically stated.

Solicitation of proxies will be primarily by mail but may also be by telephone, facsimile, online with the transfer agent or in person by directors, officers and employees of Top Strike who will not be additionally compensated therefor. Brokers, nominees or other persons holding Common Shares in their names for others shall be reimbursed for their reasonable charges and expenses in forwarding proxies and proxy material to the beneficial owners of such Common Shares. The costs of soliciting proxies will be borne by Top Strike.

APPOINTMENT AND REVOCATION OF PROXIES

Enclosed herewith is a form of proxy for use at the Meeting. The persons named in the form of proxy are directors and/or officers of Top Strike. **A Shareholder submitting a proxy has the right to appoint a nominee (who need not be a Shareholder) to represent him or her at the Meeting other than the persons designated in the enclosed proxy form of proxy by inserting the name of the chosen nominee in the space provided for that purpose on the form of proxy and by striking out the printed names.**

A form of proxy will not be valid for the Meeting or any adjournment or postponement thereof unless it is signed by the Shareholder or by the Shareholder’s attorney authorized in writing or, if the Shareholder is a corporation, it must be executed by a duly authorized officer or attorney thereof. The proxy, to be acted upon, must be deposited with the registrar and transfer agent of Top Strike, Computershare Investor Services Inc. (“**Computershare**”), at the following address, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1 by no later than 10:00 a.m. (Calgary time) on October 31, 2014, or two business days preceding the date of any adjournment or postponement thereof.

A Shareholder who has given a proxy may revoke it prior to its use, in any manner permitted by law, including by instrument in writing executed by the Shareholder or by his or her attorney authorized in writing or, if the Shareholder is a corporation, executed by a duly authorized officer or attorney thereof and deposited with Computershare at any time up to and including the second last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the chair of the Meeting on the day of the Meeting or any adjournment or postponement thereof.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name.

Only registered Shareholders, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a “**Beneficial Shareholder**”) are in the name of a clearing agency (such as CDS & Co., the registration name for the Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms) who is holding such Common Shares on behalf of an intermediary (an “**Intermediary**”) that the Beneficial Shareholder deals with in respect of the Common Shares. Intermediaries include securities dealers, or brokers, trustees or administrators of self-administered RRSPs, RRIFs, RESPs, TFSA’s and similar plans. If Common Shares are listed in a statement provided to a Beneficial Shareholder by a broker, those Common Shares will, in all likelihood, not be registered in the Shareholder’s name.

Common Shares held by Intermediaries and their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, the Intermediary or their nominee is prohibited from voting Common Shares for their clients. **Each Beneficial Shareholder should therefore ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Although a Beneficial Shareholder will not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary, a Beneficial Shareholder may attend at the Meeting as a proxyholder for the registered holder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder, should enter their own names in the blank space on the form of proxy provided to them and return the same to their Intermediary (or the agent of such Intermediary) in accordance with the instructions provided by such Intermediary well in advance of the Meeting.

There are two categories of Beneficial Shareholders: (i) objecting beneficial owners (“**OBOs**”) – those who object to their name being made known to the issuer of securities which they own; and (ii) non-objecting beneficial owners (“**NOBOs**”) – those who do not object to the issuer of the securities they own knowing who they are.

NOBOs

The Company has decided to take advantage of those provisions of NI 54-101 - *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), which permit it to directly deliver proxy-related materials to NOBOs of the Company who have not waived the right to receive such materials. As a result, NOBOs of the Company can expect to receive a scannable voting instruction form, together with the Information Circular from Computershare. These voting instruction forms are to be completed and returned to Computershare following the instructions provided in the form. Computershare will tabulate the results of the voting instruction forms received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the voting instruction forms received by it.

Should a NOBO of the Company wish to vote at the Meeting in person, the NOBO must, as set forth in the voting instruction form, request a form of legal proxy from Computershare that will grant the NOBO the right to attend the Meeting and vote in person. NOBOs that wish to change their vote must, in sufficient time in advance of the Meeting, contact Computershare to change their vote.

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the securities on your behalf. By choosing to send these materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

OBOs

In accordance with the requirements of NI 54-101, copies of this Information Circular have been distributed to the clearing agencies and Intermediaries for onward distribution to OBOs of the Company. Intermediaries are required

to forward the Information Circular to OBOs of the Company unless the OBO has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Information Circular to OBOs. With the Information Circular, Intermediaries or their service companies should provide OBOs with a “request for voting instruction form” which, when properly completed and signed by such OBO and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow. The purpose of this procedure is to permit OBOs to direct the voting of the Common Shares that they beneficially own. Should a OBO wish to vote at the Meeting in person, the OBO should follow the procedure in the request for voting instructions provided by or on behalf of the Intermediary and request a form of legal proxy which will grant the OBO the right to attend the Meeting and vote in person. OBOs should carefully follow the instructions of their Intermediary, including those regarding when and where the completed request for voting instructions is to be delivered. OBOs who wish to change their vote must, in sufficient time in advance of the Meeting, arrange with their respective Intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set out above.

If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance. **All references to Shareholders in this Information Circular and the accompanying form of proxy and Notice of Meeting are to registered Shareholders unless specifically stated otherwise.**

VOTING OF PROXIES

All Common Shares represented at the Meeting by properly executed proxies will be voted on any matter that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the accompanying form of proxy, the Common Shares represented by the proxy will be voted in accordance with such instructions. **In the absence of any such instruction, the persons whose names appear on the printed form of proxy will vote in favour of all the matters set out thereon. The enclosed form of proxy confers discretionary authority upon the persons named therein. If any other business or amendments or variations to matters identified in the Notice of Meeting properly comes before the Meeting, then discretionary authority is conferred upon the person appointed in the proxy to vote in the manner they see fit, in accordance with their best judgment.**

At the time of the printing of this Information Circular, the management of Top Strike knew of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting.

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders electing to submit a proxy may do so by:

- (a) complete, date and sign the enclosed form of proxy and return it to Computershare by fax within North America at 1-866-249-7775 and outside North America at (416) 263-9524, or by mail to 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;
- (b) use a touch-tone phone to transmit voting choices to the toll free number. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder’s account number and the proxy access number; or
- (c) use the internet at Computershare’s website, www.investorvote.com. Registered Shareholders must follow instructions given on Computershare’s website and refer to the enclosed proxy form for the holder’s account number and the proxy access number.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The board of directors of Top Strike (the “**Board**”) has fixed September 30, 2014 as the record date (the “**Record Date**”). Any registered Shareholder at the close of business on the Record Date is entitled to receive notice of the Meeting and to vote thereat or at any adjournments or postponements thereof on the basis of one vote for each Common Share held, except to the extent that: (i) a registered Shareholder has transferred the ownership of any

Common Shares, subsequent to the Record Date; and (ii) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than 10 days before the Meeting, that his or her name be included on the list of persons entitled to vote at the Meeting, in which case, the transferee shall be entitled to vote such Common Shares at the Meeting.

As of the date hereof, there were 16,431,428 Common Shares issued and outstanding.

To the knowledge of the directors and executive officers of the Company, there are no persons or companies who beneficially own, directly or indirectly, or control or direct Common Shares carrying 10% or more of the voting rights attached to all of the Common Shares.

As of the date hereof, the directors and executive officers of the Company, as a group, beneficially own, directly or indirectly, 944,233 Common Shares representing approximately 5.75% of the issued and outstanding Common Shares and no options to purchase Common Shares (“**Options**”) issuable pursuant to the Company’s current option plan (the “**Option Plan**”).

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No director or executive officer or proposed director of the Company, or the associates or affiliates of such persons, has any material interest, direct or indirect, in any matter to be acted upon at the Meeting.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

No informed person of the Company, any proposed director of the Company, or any associate or affiliate of the foregoing has or has had any material interest in any transaction since the commencement of the Company’s last completed fiscal year or in any proposed transaction which has materially affected or will materially affect the Company.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No executive officer, director, employee of the Company or former executive officer, director or employee of the Company is indebted to the Company nor is the Company providing, or has provided, to any such persons, a guarantee, support agreement, letter of credit or other similar arrangement or understanding respecting any indebtedness of such persons, including indebtedness incurred for the purchase of securities of the Company.

The following is a summary of certain provisions of the Option Plan and is subject to, and qualified in its entirety by, the full text of the Option Plan. A copy of the Option Plan is available on SEDAR at www.sedar.com as Appendix B to the 2012 Management Information Circular.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

The purpose of this Compensation Discussion and Analysis is to provide information about the Company's philosophy, objectives and processes regarding compensation paid to those who acted as the Chief Executive Officer ("CEO") and the Chief Financial Officer ("CFO") of the Company (or in similar capacities) and each of the most highly compensated executive officers of the Company, other than the CEO and the CFO, whose total compensation was, individually, more than \$150,000 for the years ended April 30, 2014 and April 30, 2013 (each a "**Named Executive Officer**" and collectively, the "**Named Executive Officers**"). Except as otherwise disclosed hererin, the Company's philosophy, objectives and processes regarding compensation paid for the year ended April 30, 2013 was substantially similar to the year ended April 30, 2014.

For the year ended April 30, 2014, the Company had the following two Named Executive Officers:

- Dale Styner (President, CEO and Corporate Secretary); and
- David F. Campbell (CFO).

For the year ended April 30, 2013, the Company had the following three Named Executive Officers:

- Dale Styner (President and CEO); and
- David F. Campbell (CFO).
- Dennis Mee (former CFO and Corporate Secretary).

Given the small size of the Company, the Company's executive compensation program is administered by the Board and the Named Executive Officers. All compensation arrangements between the Company and any director or senior officer of the Company were considered and approved by Scott Cochlan, the Company's independent director at the time. Given the Company's early development stage, the Company is focused on limiting cash compensation to the extent appropriate. The following discussion is primarily related to Company's policy for executive compensation as the Company's balance sheet is strengthened and the business of the Company evolves from its current early stage development.

Compensation Philosophy and Objectives of the Compensation Program

The Company's compensation objectives is to create and maintain compensation programs that attract and retain committed, highly qualified personnel by providing appropriate rewards and incentives and that align the interest of the Named Executive Officers with those of the Shareholders to provide incentive to the Named Executive Officers to enhance shareholder value.

What the Compensation Program is Designed to Reward

The Company's compensation program is structured to be competitive with companies of comparable size and complexity and recognize individual and overall corporate performance. The compensation program is designed to reward the performance that contributes to the achievement of the Company's business strategy on both a short-term and long-term basis.

In addition, the Company strives to reward qualities that it believes help achieve its strategy such as teamwork, individual performance in light of general economic and industry specific conditions, performance that supports the Company's core values, integrity and resourcefulness, the ability to manage the Company's existing assets, the ability to identify and pursue new business opportunities, responsibility and accountability and tenure with the Company.

Each Element of Compensation and Why the Company Chooses to Pay Each Element

The Company compensates the Named Executive Officers through base salaries, cash bonuses and Options, at levels which the Company believes are reasonable in light of the performance of the Company under the leadership of the Named Executive Officers. The following table provides a broad overview of the elements of the Company's executive compensation program.

Element	Award Type Per Form 51-102F6	Objective	Key Features
Base Salaries	Salary	To recognize each Named Executive Officer's unique value and historical contribution to the success of the Company in light of salary norms in the industry and the general marketplace.	Non-discretionary fixed regular cash payments based upon the performance of day-to day executive level responsibilities.
Cash Bonuses	Non-equity incentive plan	To recognize each Named Executive Officer's superior performance or accomplishment.	Discretionary cash payment determined by the Board.
Options	Option-based award	To reward long-term performance by allowing Named Executive Officers to participate in the long-term market appreciation of the Common Shares.	Annual and special awards granted at market price, vesting ratably over several years and having a maximum term of five years.

How the Company Determines the Amount for Each Element

Compensation of the Named Executive Officers has been generally compared against compensation paid to companies of comparable size and complexity (the “**Peer Group**”). In reviewing comparative data, the Board does not engage in benchmarking for the purposes of establishing compensation levels relative to any predetermined point. In the Company’s view, external data provides an insight into external competitiveness, but is not an appropriate single basis for establishing compensation levels. The Company can and does exercise both positive and negative discretion in relation to the compensation awards and its allocation between cash and non cash awards.

Base Salaries

The Company believes that base salaries should be competitive with those for similar positions within the Peer Group and, as such, should provide the Named Executive Officers with an appropriate compensation that reflects their level of responsibility, industry experience, individual performance, tenure, and contribution to the growth of the Company.

Cash Bonuses

The Company believes that superior performance or attainment of significant objectives as described under “Executive Compensation - Compensation Discussion and Analysis” above should be rewarded with discretionary cash payments.

The Company does not assign any specific weight to any particular performance goal nor is any specific weight assigned to the performance goals in the aggregate. The Company considers not only the Company’s performance during the year with respect to the qualitative goals, but also with respect to market and economic trends and forces, extraordinary internal and market-driven events, unanticipated developments and other extenuating circumstances. In sum, the Company analyzes the total mix of available information on a qualitative, rather than quantitative basis, in making bonus determinations.

No cash bonuses were awarded to the Named Executive Officers during the years ended April 30, 2014 and April 30, 2013.

Options

Options are granted to Named Executive Officers at the Board’s discretion. The purpose of Option grants is to develop the interest of directors, employees, and consultants of the Company in the growth and development of the Company by providing them with the opportunity through such Options to acquire an increased proprietary interest in the Company. New Option grants may be made periodically to ensure that the number of Options granted to any particular individual is commensurate with the individual’s level of ongoing responsibility within the Company. In considering additional Option grants, the Board will evaluate the number of Options an individual has been granted, the exercise price and value of the Options and the term remaining on those Options.

No Options were granted to the Named Executive Officers during the years ended April 30, 2014 and April 30, 2013.

Compensation Policies and Risk Management

The Company does not specifically consider the implications of the risks associated with the Company’s compensation policies and practices. The Board does exercise regular oversight of internal decisions made by the Named Executive Officers and other officers of the Company and does exercise oversight of risks arising from the Company’s compensation policies and practices that are likely to have a material adverse effect on the Company. The ownership of securities of the Company by the CEO also serves to align the interests of those persons with the other Shareholders and mitigates any excessive risks that may be taken by the Named Executive Officers.

Hedging of Economic Risks in the Company's Securities

Named Executive Officers are not permitted to purchase any financial instrument that is designed to hedge or offset a decrease in market value of the Common Shares. However, the Company does not have any written policies which prohibit a Named Executive Officer or director from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director.

Compensation Governance

For a discussion on policies and practices by the Company to determine the compensation of the Company's directors and executive officers, see the above discussion under the title "Executive Compensation – Compensation Discussion and Analysis". The Company has not established a compensation committee and does not intend to do so given its current stage of development. In addition, for the years ended April 30, 2014 and April 30, 2013, the Company did not retain an independent compensation consultant or advisor to assist in determining the compensation for the Company's directors and executive officers.

Termination and Change of Control Benefits

Other than as provided for at common law, there is no contract, agreement, plan or arrangement that provides for payments to the Named Executive Officers at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the Company or a change in the Named Executive Officer's responsibilities.

Summary Compensation Table

The following table provides information concerning compensation of the Named Executive Officers for the years ended April 30, 2014, 2013, 2012 and 2011.
