

Web3 Ventures Marks Public Listing with Opening of Canadian Securities Exchange

NOT FOR DISSEMINATION IN THE UNITED STATES OR FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES AND DOES NOT CONSTITUTE AN OFFER OF THE SECURITIES DESCRIBED HEREIN

TORONTO, September 13, 2023 - Web3 Ventures Inc. (the “Company” or “Web3 Ventures”), a leading web 3.0 company specializing in blockchain solutions, decentralized applications, and strategic investments, announced today that the Company proudly opened the markets in collaboration with the Canadian Securities Exchange (“CSE”) to commemorate its successful listing under the symbol “WEBV”.

“We couldn't be happier about the opportunity to be featured in the market opening ceremony celebrating our recent public listing milestone on the Canadian Securities Exchange,” said Web3 Ventures CEO and Chairman, David Nikzad.

“This milestone is a testament to our team’s collective dedication and efforts”, quotes Jason Hobson, Web3 Ventures COO and Director. “We’re committed to fostering a community of collaboration and knowledge-sharing within the growing global tech community; Web3 Ventures will continue to be at the forefront as the web3.0 landscape evolves.”

To view the event, kindly access the live broadcast on CSE TV [here](#). Stay informed and connected by following Web3 Ventures on social media and subscribing to the Company’s mailing list to receive timely updates and stay abreast of the latest developments. Click [here](#) to subscribe.
