Cautionary Note Regarding Forward-Looking Statements

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties, certain of which are beyond the

control of the Company. Forward-looking statements are frequently characterized by words such as "plan", "continue", "expect", "project", "intend", "believe", "anticipate", "estimate", "may", "will", "potential", "proposed" and other similar words, or statements that certain events or conditions "may" or "will" occur or be achieved and other similar expressions. Forward-looking statements are based on the estimates and opinions of management on the date the statements are made. In the news release, such forward-looking statements include, but are not limited to, statements regarding the Company's performance, business objectives, milestones and the potential outcomes from its development contained therein.

In making the forward-looking statements in this news release, the Company has applied several material assumptions, including without limitation: the Company's ability to comply with all applicable regulations and laws, including environmental, health and safety laws; the success of 4worlds as a metaverse universe and a DAO on the Bitcoin blockchain; the experience of Orthogonal's advisory board to oversee the project; the Company has sufficient working capital for future operating activities; the ability of the Company to achieve its business objectives and milestones and the anticipated timing of execution; the Company's ability to continue as a going concern; the Company's ability to achieve profitability in the 2024 fiscal year; the Company's ability to obtain additional financing for continued operations on terms acceptable to the Company outlined herein.

The above lists of forward-looking statements and assumptions are not exhaustive. Since forward-looking statements address future events and conditions, by their very nature, they involve inherent risks and uncertainties. Actual results may differ materially from those currently anticipated or implied by such forward-looking statements due to a number of factors and risks. These include: changes in general economic, business and political conditions, including changes in the financial markets; consents or authorizations required; changes in laws, regulations and policies affecting the Company's operations; currency fluctuations; environmental issues and liabilities; the inability of the Company to obtain additional financing for continued operations on terms acceptable to the Company; the lack of control over the Company's investees; risks relating to investing in the SVS; volatility in the market price of the Company's SVS; dilution of shareholders' holdings; negative operating cash flow; the negative effects of interest rate and exchange rate changes; the potential impact of health crises and market instability due to the COVID-19 pandemic; risks relating to the Company's reliance on key employees; limitations in the liquidity of the SVS; litigation risks; risks with the integration of new businesses and acquisitions; risks related to the Company's status as an "emerging growth company" under the U.S. securities laws; the Company's inability to expand into new business areas and geographic markets; management of growth; the risk of defaulting on existing debt; the Company's inability to continue as a going concern; and the Company's inability to achieve profitability in 2024.

Should one or more of these risks or uncertainties materialize, or should assumptions underlying the forward-looking statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated or expected. Although the Company has attempted to identify important risks, uncertainties, and factors that could cause actual results to differ materially, there may be others that cause results not to be as anticipated, estimated, or intended. The Company does not intend and does not assume any obligation to update this forward-looking information except as otherwise required by applicable law.
