### NOTICE-AND-ACCESS

Notice is also hereby given that ZTEST has decided to use the notice-and-access method of delivery of meeting materials for the 2017 Annual General Meeting of Shareholders. The notice-and-access method of delivery of meeting materials allows the Corporation to deliver the meeting materials over the internet in accordance with the notice-and-access rules adopted by the Ontario Securities Commission under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Under the notice-and-access system, shareholders still receive a proxy or voting instruction form (as applicable) enabling them to vote at the Meeting. However, instead of a paper copy of the Circular, the annual financial statements and related management’s discussion and analysis and other meeting materials (collectively the “**Meeting Materials**”), shareholders receive a notification (the “**Notice-and-Access Notification**”) with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing materials to shareholders. **Shareholders are reminded to view the Meeting Materials prior to voting.**
