NOTICE OF ANNUAL GENERAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that the Annual General Meeting of Shareholders (the “**Meeting**”) of ZTEST Electronics Inc. (“**ZTEST**” or the “**Corporation**”) will be held at **523 McNicoll Avenue, Toronto, Ontario, M2H 2C9, at the hour of 1:00 o'clock in the afternoon (Toronto time), on Friday, the 30th day of September, 2022,** for the following purposes:

1. to elect the directors as nominated by Management;
2. to appoint Wasserman Ramsay, Chartered Professional Accountants, as auditors of the Corporation for the ensuing year and to authorize the Directors to fix their remuneration; and
3. to transact such further and other business as may properly come before the said Meeting or any adjournment of adjournments thereof.

A copy of the Management Information Circular (the “**Circular**”), the Audited Financial Statements of the Corporation for the year ended June 30, 2021 and the Management Discussion and Analysis for the year ended June 30, 2021 accompany this Notice of Meeting.

Shareholders entitled to vote who do not expect to be present at the Meeting are urged to date, sign and return the form of Proxy or voting instruction form delivered to them with the Notice-and-Access Notification (defined below).

COVID-19 SAFETY PROTOCOLS

The Corporation will be following stringent safety protocols for the Meeting as a result of the coronavirus pandemic (“**COVID-19**”). Registered shareholders and properly appointed proxy holders who wish to attend the Meeting in person will be required to present their identification and a copy of their completed proxy or other proof of their status as a shareholder or valid proxy holder, complete the Company’s sign-in and COVID screening, not enter with any food or drink, wear masks covering their nose and chin at all times while inside the building, and maintain appropriate physical distancing at all times. The capacity of the Corporation’s offices is limited and those choosing to attend in person will be accommodated on a “first-come first-served” basis. No one other than registered shareholders and properly appointed proxy holders will be allowed to attend the Meeting in person to ensure adequate space is available for those registered shareholders and properly appointed proxy holders who wish to attend the Meeting. **All shareholders are strongly urged to send in their proxies in advance of the Meeting as set out in the Circular and as set out in the proxy or voting instruction form mailed to registered shareholders and Non-Objecting Beneficial Owners (“NOBO”) to ensure that their votes are counted at the Meeting.** The lockdown resulting from the outbreak of COVID-19 has created unprecedented disruptions in the global economy and required the Corporation to take all necessary precautions to ensure the health and safety of its officers, directors, employees and shareholders. Given the fact that the spread of COVID-19 in certain areas of the country has increased recently and new restrictions have been imposed resulting from the anticipated increase in COVID-19 cases, the Corporation needs to continue to take appropriate precautions while proceeding with the Meeting. In order to provide some accommodation to those shareholders unable or unwilling to attend in person, the Corporation has set up a conference call number for shareholders and guests to phone in and listen to the Meeting (the “**Conference Call**”), the particulars of which are set out below. The Scrutineer representing the Corporation’s transfer agent, TSX Trust Company, will be scrutineering the Meeting remotely and will be attending the Meeting via the Conference Call. Following the completion of the formal part of the Meeting, the President and CEO of the Corporation, Steve Smith, will be available to respond to any shareholder questions. Those shareholders and guests participating in the Conference Call will be able to ask questions of Mr. Smith. **Participation in the Conference Call will not constitute attendance at the Meeting and voting will not be permitted by telephone.** The Meeting

has not been set up as a “virtual meeting”. The Corporation is providing the Conference Call as a means for those participating in the Conference Call to ask questions of and receive responses from Steve Smith relating to the business of the Corporation.

Shareholders and guests may participate in the Conference Call by joining the Meeting from a PC, Mac, iPad, iPhone or Android device by clicking or entering the following URL into your web browser:

NOTICE-AND-ACCESS

Notice is also hereby given that ZTEST has decided to use the notice-and-access method of delivery of meeting materials for the Annual General Meeting of Shareholders. The notice-and-access method of delivery of meeting materials allows the Corporation to deliver the meeting materials over the internet in accordance with the notice-and-access rules adopted by the Ontario Securities Commission under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Under the notice-and-access system, shareholders still receive a proxy or voting instruction form (as applicable) enabling them to vote at the Meeting. However, instead of a paper copy of the Circular, the annual financial statements and related management’s discussion and analysis and other meeting materials (collectively the “**Meeting Materials**”), shareholders receive a notification (the “**Notice-and-Access Notification**”) with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce

the cost of printing and mailing materials to shareholders. **Shareholders are reminded to view the Meeting Materials prior to voting.**

Websites Where Meeting Materials Are Posted:

Meeting Materials can be viewed online under the Corporation's profile at www.sedar.com or on <https://docs.tsxtrust.com/2088>.

RECORD DATE AND PROXY DELIVERY DATE

MANAGEMENT SOLICITATION**

SOLICITATION OF PROXIES

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by and on behalf of the management (the “Management”) of ZTEST Electronics Inc. (the “Corporation”) for use at the Annual General Meeting of Shareholders (the “Meeting”) of the Corporation to be held at the offices of the Corporation located at 523 McNicoll Avenue, North York, Ontario, M2H 2C9, at the hour of 1:00 o’clock in the afternoon (Toronto time), on Friday, the 30th day of September, 2022, for the purposes set out in the accompanying Notice of Meeting. The cost of solicitation will be borne by the Corporation.

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally by the Directors and/or officers of the Corporation at nominal cost. Arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares (“**Common Shares**”) held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation.

COVID-19 SAFETY PROTOCOLS

The Corporation will be following stringent safety protocols for the Meeting as a result of the coronavirus pandemic (“**COVID-19**”). Registered shareholders and properly appointed proxy holders who wish to attend the Meeting in person will be required to present their identification and a copy of their completed proxy or other proof of their status as a shareholder or valid proxy holder, complete the Company’s sign-in and COVID screening, not enter with any food or drink, wear masks covering their nose and chin at all times while inside the building, and maintain appropriate physical distancing at all times. No one other than registered shareholders and properly appointed proxy holders will be allowed to attend the Meeting in person to ensure adequate space is available for those registered shareholders and properly appointed proxy holders who wish to attend the Meeting. **All shareholders are strongly urged to send in their proxies in advance of the Meeting as set out in the Circular below and as set out in the proxy or voting instruction form mailed to registered shareholders and Non-Objecting Beneficial Owners (“NOBO”) to ensure that their votes are counted at the Meeting.** The lockdown resulting from the outbreak of COVID-19 has created unprecedented disruptions in the global economy and required the Corporation to take all necessary precautions to ensure the health and safety of its officers, directors, employees and shareholders. Given the fact that the spread of COVID-19 in certain areas of the country has increased recently and new restrictions have been imposed resulting from the anticipated increase in COVID-19 cases, the Corporation needs to continue to take appropriate precautions while proceeding with the Meeting. The Scrutineer representing the Corporation’s transfer agent, TSX Trust Company, will be scrutineering the Meeting remotely and will be attending the Meeting via the Conference Call. Following the completion of the formal part of the Meeting, the President and CEO of the Corporation, Steve Smith, will be available to respond to any shareholder questions. Those shareholders and guests participating in the Conference Call will be able to ask questions of Mr. Smith. **Participation in the Conference Call will not constitute attendance at the Meeting and voting will not be permitted by telephone.** The Meeting has not been set up as a “virtual meeting”. NOTICE-AND-ACCESS

The Corporation has elected to use the “notice-and-access” process under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“**NI-54-101**”) and National Instrument 51-102 *Continuous Disclosure Obligations*, for distribution of this Circular and other meeting materials to registered Shareholders of the Corporation and non-registered Shareholders of the Corporation as set out in the “Advice to Non-Registered Shareholders” section below.

Notice-and-access allows issuers to post electronic versions of meeting materials, including circulars, annual financial statements and management discussion and analysis, online, via SEDAR and one other website, rather than mailing paper copies of such meeting materials to Shareholders. The Corporation anticipates that utilizing the notice-and-access process will substantially reduce both postage and printing costs.

The Corporation has posted the Circular, the Corporation's audited financial statements for the year ended June 30, 2021 (the "**Annual Financial Statements**") and the Corporation's management discussion and analysis for the year ended June 30, 2021 (the "**Annual MD&A**") on the websites www.sedar.com and <https://docs.tsxtrust.com/2088>.

Although the Circular, Annual Financial Statements and Annual MD&A (collectively, the "**Meeting Materials**") will be posted electronically online, as noted above, the registered and non-registered Shareholders (subject to the provisions set out below under the heading "Advice to Non-Registered Shareholders") (collectively the "**Notice-and-Access Shareholders**") will receive a "notice package" (the "**Notice-and-Access Notification**"), by prepaid mail, which includes the information prescribed by NI 54-101, and a proxy form or voting instruction form from their respective intermediaries. Notice-and-Access Shareholders should follow the instructions for completion and delivery contained in the proxy or voting instruction form. Notice-and-Access Shareholders are reminded to review the Circular before voting.

Notice-and-Access Shareholders will not receive a paper copy of the Meeting Materials unless they contact TSX Trust Company ("**TSX Trust**") in which case TSX Trust will mail the requested materials within three business days following receipt of any request provided the request is made prior to the Meeting. Notice-and-Access Shareholders with questions about notice-and-access may contact TSX Trust toll free at 1-866-600-5869 or by email at tsxtis@tmx.com. **In order to receive a paper copy of the Meeting Materials in time to vote before the Meeting, your request should be received by Wednesday, September 21, 2022.**

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the form of proxy or voting instruction form are officers or Directors of the Corporation (the "**Management Designees**"). **A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE CORPORATION, TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO** by inserting such other person's name in the blank space provided in the form of proxy or voting instruction form and depositing the completed proxy with the Transfer Agent of the Corporation, **TSX Trust Company, 100 Adelaide Street West, Suite 301, Toronto, Ontario, M5H 4H1**. A proxy can be executed by the Shareholder or his attorney duly authorized in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized.

In addition to any other manner permitted by law, the proxy may be revoked before it is exercised by instrument in writing executed and delivered in the same manner as the proxy at any time up to and including the second last business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used or delivered to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting and upon either such occurrence, the proxy is revoked.

Please note that Shareholders who receive their Notice-and-Access Notification from Broadridge Investor Communication Solutions, Canada ("**Broadridge**") or an Intermediary (as defined in the "Advice to Non-Registered Shareholders" section below) must return the proxy forms, once voted, to Broadridge or their Intermediary, as applicable, for the proxy to be dealt with.

DEPOSIT OF PROXY

By resolution of the Directors duly passed, **ALL PROXIES TO BE USED AT THE MEETING MUST BE DEPOSITED BY 1:00 P.M. (TORONTO TIME) ON WEDNESDAY, SEPTEMBER 28, 2022, BEING NOT LESS THAN FORTY EIGHT (48) HOURS, EXCLUDING SATURDAYS, SUNDAYS AND STATUTORY HOLIDAYS, PRECEDING THE DATE OF THE MEETING, OR ANY ADJOURNMENT THEREOF, WITH THE TRANSFER AGENT OF THE CORPORATION, TSX TRUST COMPANY**, provided that a proxy may be delivered to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time for voting to revoke a proxy previously delivered in accordance with the foregoing.

ADVICE TO NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares owned by a person are registered either (a) in the name of an intermediary (an “**Intermediary**”) that the non-registered holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered savings plans, registered retirement income funds, registered education savings plans and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant (a “**Non-Registered Holder**”).

The Corporation has decided to use Notice-and-Access in accordance with the requirement of NI 54-101 to deliver the Meeting Materials to Shareholders by posting the Meeting Materials on <https://docs.tsxtrust.com/2088>. The Meeting Materials will be available on the website on or before **August 30, 2022**, and will remain on the websites for a full year thereafter. The Meeting Materials will also be available on the Corporation’s profile on SEDAR at www.sedar.com. The Corporation will only be mailing the Notice-and-Access Notification to Non-Registered Holders as set out below.

Non-Registered Holders fall into two categories – those who object to their identity being made known to the issuers of securities which they own (“**Objecting Beneficial Owners**” or “**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**” or “**NOBOs**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries via their transfer agent. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly to such NOBOs.

If you are a Non-Objecting Beneficial Owner and the Corporation or its agent has sent the Notice-and-Access Notification directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you, and (ii) executing your proper voting instructions as specified in the request for voting instructions.

The Corporation’s decision to deliver proxy-related materials directly to its NOBOs will result in all NOBOs receiving a Voting Instruction Form (“**VIF**”) from TSX Trust Company. Please complete and return the VIF to TSX Trust Company in the envelope provided or by facsimile. In addition, instructions in respect of the procedure for internet voting can be found in the VIF. TSX Trust Company will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs received by TSX Trust Company.

*Non-Registered Shareholders who are NOBOs or OBOs may make their request for paper copies of the Meeting Materials **without charge** by calling TSX Trust toll free at 1-866-600-5869 or emailing TSX Trust at tsxtis@tmx.com on or before the day of the Meeting, or any adjournment thereof, or thereafter contact the Corporation at 416-297-5155 or by email at info@ztest.com.*

In order to receive a paper copy of the Meeting Materials in time to vote before the Meeting, your request should be received by Wednesday, September 21, 2022.

OBOs may expect to receive their materials related to the Meeting from Broadridge or other Intermediaries. If a reporting issuer does not intend to pay for an Intermediary to deliver materials to OBOs, OBOs will not receive the materials unless their Intermediary assumes the cost of delivery. The Corporation does not intend to pay for Intermediaries to deliver the proxy-related materials to OBOs.

Intermediaries are required to forward the Notice-and-Access Notification to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies such

as Broadridge to forward the Notice-and-Access Notification to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Notice-and-Access Notification will either:

- a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile stamped signature), which is restricted as to the number and class of securities beneficially owned by the Non-Registered Holder but which is not otherwise completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to vote by proxy should otherwise properly complete the form of proxy and deliver it as specified; or
- b) be given a form of proxy which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “**Voting Instruction Form**”) which the Intermediary must follow. Typically, the Non-Registered Holder will also be given a page of instructions which contains a removable label containing a bar code and other information. In order for the form of proxy to validly constitute a Voting Instruction Form, the Non-Registered Holder must remove the label from the instructions and affix it to the Voting Instruction Form, properly complete and sign the Voting Instruction Form and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In any case, the purpose of this procedure is to permit Non-Registered Holders including NOBOs to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder who receives a form of proxy or VIF wish to vote at the Meeting in person, the Non-Registered Holder should strike out the persons named in such form of proxy and insert the Non-Registered Holder’s name in the blank space provided. Non-Registered Holders should carefully follow the instructions on the VIF or the instructions received from their Intermediary including those regarding when and where the form of proxy, VIF is to be delivered.

All references to Shareholders in this Circular, the accompanying Notice of Meeting and any proxy or voting instruction form sent to Shareholders with the Notice-and-Access Notification are to Shareholders of record unless specifically stated otherwise.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the form of proxy or voting instruction form for use at the Meeting will vote the Common Shares in respect of which they are appointed in accordance with the directions of the Shareholders appointing them. **IN THE ABSENCE OF SUCH DIRECTIONS, SUCH SHARES SHALL BE VOTED “FOR”:**

- (a) the election of the Directors as nominated by Management;
- (b) the appointment of Wasserman Ramsay, Chartered Professional Accountants, as auditors of the Corporation for the ensuing year and authorizing the Directors to fix their remuneration; and
- (c) to transact such further or other business as may properly come before the said meeting or any adjournment or adjournments thereof.

ALL AS MORE PARTICULARLY DESCRIBED IN THIS CIRCULAR.

The form of proxy or voting instruction form confers discretionary authority upon the persons named therein with respect to any amendment, variation or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. **HOWEVER, IF ANY SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS WHICH ARE NOT NOW KNOWN TO THE MANAGEMENT DESIGNEES SHOULD PROPERLY COME BEFORE THE MEETING, THE COMMON SHARES REPRESENTED BY THE**

PROXIES HEREBY SOLICITED WILL BE VOTED THEREON IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSON OR PERSONS VOTING SUCH PROXIES.

EFFECTIVE DATE

The effective date of the Circular is September 15, 2022.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Each Shareholder of record will be entitled to one (1) vote for each Common Share held at the Meeting.

Holders of record of the Common Shares of the Corporation on August 15, 2022 (the “**Record Date**”) will be entitled either to attend and vote at the Meeting in person shares held by them or, provided a completed and executed proxy shall have been delivered to the Corporation as described herein, to attend and vote thereat by proxy the shares held by them.

The authorized capital of the Corporation presently consists of an unlimited number of Common Share of which 26,687,196 Common Shares are issued and outstanding as fully paid and non-assessable on the Record Date. The Common Shares of the Corporation are listed and posted for trading on the Canadian Securities Exchange (the “**CSE**”), under the symbol “**ZTE**”.

To the knowledge of the Directors and executive officers of the Corporation, there are no parties who beneficially own, directly or indirectly, or exercise control or direction over 10% or more of any class of outstanding voting securities of the Corporation.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the Directors or executive officers of the Corporation, no proposed nominee for election as a Director of the Corporation, none of the persons who have been Directors or executive officers of the Corporation since the commencement of the Corporation’s last completed financial year, and no associate or affiliate of any of the foregoing has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of Directors and the appointment of officers except as disclosed herein.

EXECUTIVE COMPENSATION

The information contained below is provided as required under Form 51-102F6 for Venture Issuers (the “**Form**”) as such term is defined in National Instrument 51-102.

Compensation Discussion and Analysis

This Compensation Discussion and Analysis provides information about the Corporation’s executive compensation objectives and processes and discusses compensation decisions relating to its named executive officers (“**Named Executive Officers**”) listed in the Summary Compensation Table that follows. During its fiscal year ended June 30, 2021 the following individuals were Named Executive Officers (as determined by applicable securities legislation) of the Corporation:

- Steve Smith, President and Chief Executive Officer; and
- Mike Kindy, CPA, CA, Chief Financial Officer and V.P. Finance

The Corporation does not employ or retain any other individuals who would qualify as a “Named Executive Officer” because no executive officer or employee of the Corporation receives total compensation (including without limitation salary and bonus) in excess of \$150,000.

The Corporation’s Compensation Committee, which comprised the full Board of Directors, with the CEO declaring his interest and abstaining from voting, is responsible for the compensation program for the Corporation’s Named Executive Officers.

Compensation Objectives and Principles

The Corporation is a manufacturing company with operations located in Ontario. The Corporation has limited revenue and financial resources. As a result, to ensure that funds are available for operations, the Compensation Committee has to consider not only the financial situation of the Corporation at the time of the determination of executive compensation, but also the estimated financial condition of the Corporation in the future.

Since the preservation of cash is an important goal of the Corporation, an important element of the compensation awarded to the Named Executive Officers is the granting of stock options, which do not require cash disbursement by the Corporation. The granting of stock options also helps to align the interests of the Named Executive Officers with the interests of the Corporation. The other element of the compensation the Corporation awards to its Named Executive Officers is base cash salary and/or consulting fees. The Corporation does not provide its Named Executive Officers with perquisites or personal benefits that are not otherwise available to all of its employees.

Compensation Processes and Goals

The deliberations of the Compensation Committee are conducted in a special session from which management is absent. These deliberations are intended to advance the key objectives of the compensation program for the Corporation’s Named Executive Officers. At the request of the Compensation Committee, the Named Executive Officers may, from time to time, provide advice to the Compensation Committee with respect to the compensation program for the Corporation’s Named Executive Officers. The Compensation Committee makes recommendations regarding the compensation to be awarded to the Named Executive Officers to the full Board of Directors (either on its own volition or based upon the advice it receives from the Named Executive Officers).

The Corporation relies on its Compensation Committee and its Board of Directors, through discussion without any formal objectives, targets, criteria or analysis, in determining the compensation of its Named Executive Officers. The Board of Directors is responsible for determining all forms of compensation, including the provision of long-term incentives through the granting of stock options to the Named Executive Officers of the Corporation, and to others, including, without limitation, to the Corporation’s Directors, and for reviewing the Compensation Committee’s recommendations regarding the compensation to be awarded to any other officers of the Corporation from time to time, to ensure such arrangements reflect the responsibilities and risks associated with each such officer’s position. The Board of Directors incorporates the following goals when it makes its compensation decisions with respect to the Corporation’s Named Executive Officers: (i) the recruiting and retaining of executives who are critical both to the success of the Corporation and to the enhancement of Shareholder value; (ii) the provision of fair and competitive compensation; (iii) the balancing of the interests of Management with the interests of the Corporation’s Shareholders; (iv) the rewarding of performance, both on an individual basis and with respect to the operations of the Corporation as a whole; and (v) the preservation of available financial resources.

The Implementation of the Corporation’s Compensation Policies

Base Employment/Consulting Fee

Pursuant to a resolution of the board of directors, the Chief Executive Officer was entitled to receive \$10,000 per month commencing July 1, 2018. The terms of this compensation were amended January 1, 2020 to \$5,000 per month. The CEO is paid as a consultant. This amount was agreed upon between the Chief Executive Officer and the Corporation taking into account the following considerations:

- the Chief Executive Officer's public company and regulatory experience; and
- the financing raised by the Corporation while the Chief Executive Officer has been in office.

The payment of this salary was not dependent on the Chief Executive Officer's fulfillment of any specific performance goals or similar criteria.

During the year ended June 30, 2021, the Corporation paid the Chief Financial Officer a consulting fee at a per hour rate based upon the number of hours of service provided by the Chief Financial Officer. This amount was agreed upon between the Chief Financial Officer and the Corporation taking into account the following considerations:

- the Chief Financial Officer's prior public company and specialized financial reporting experience gained through his senior financial management roles at a number of public companies;
- the Chief Financial Officer's experience as a Chartered Professional Accountant for over 30 years; and
- the Chief Financial Officer's previous record of success with junior public companies in creating value for Shareholders.

The payment of this consulting fee was not dependent on the Chief Financial Officer's fulfillment of any specific performance goals or similar criteria.

Stock Options

The granting of options to the Named Executive Officers under the Corporation's Stock Option Plan provides an appropriate long-term incentive to management to create Shareholder value. The number of options the Corporation grants to each Named Executive Officer reasonably reflects the Named Executive Officer's specific contribution to the Corporation in the execution of such person's responsibilities. However, the number of options granted does not depend upon nor does it reflect the fulfillment of any specific performance goals or similar conditions. Previous grants of options to Named Executive Officers are taken into consideration by the Compensation Committee in developing its recommendations with respect to the granting of new options. No options were granted to the Named Executive Officers in the year ended June 30, 2021.

The granting of options to the non-management Directors of the Corporation under the Corporation's Stock Option Plan provides an appropriate long-term incentive to these Directors to provide proper independent oversight to the Corporation with a view to maximizing Shareholder value. The number of options the Corporation grants to each of these Directors reasonably reflects each Director's contributions to the Corporation in his capacity as a Director and as a member of one or more committees of the Board of Directors (if applicable), including without limitation the Audit Committee. Previous grants of options awarded to the independent Directors of the Corporation are taken into consideration when the Corporation considers the granting of new options to the independent Directors. No stock options were granted to the independent Directors during the year ended June 30, 2021.

In addition, to the granting of options under the Stock Option Plan, the compensation of Directors, in fiscal, 2021, includes a Director's fee of \$1,000 per month for independent Directors, plus \$500 per month for an independent director acting as Chair of a sub-committee, plus \$250 per month for an independent director sitting as a ZTEST nominee on another board, and \$250 per month for independent Directors of the Company's subsidiary. These fees are determined by the Board of Directors of the Company and Permtech. The payment of the Directors' fees to the independent Directors recognizes their contributions to the Corporation in their capacities as independent Directors and members of one or more committees of the Board of Directors (if applicable), including without limitation the Audit Committee.

Total	550,000	\$0.62	2,444,739

Note:

⁽¹⁾ Currently, the only applicable plan is the Plan (as defined under the heading “Stock Option Plan”).

STOCK OPTION PLAN

The Directors of the Corporation adopted a Stock Option Plan (the “**Plan**”) to encourage Common Share ownership in the Corporation by Directors, officers, employees (full or part-time) and consultants of the Corporation or its subsidiaries from time to time which was approved by the majority of disinterested Shareholders at the annual and special meeting of Shareholders held on June 28, 1996. The Plan permits the number of shares reserved for issuance pursuant to stock options granted to insiders to exceed 10% of the outstanding issue and the issuance to insiders within a one (1) year period of a number of shares to exceed 10% of the outstanding issue. The maximum number of options that can be granted to any person in any twelve (12) month period cannot exceed 5% of outstanding capital. Options granted to any one consultant in any twelve (12) month period cannot exceed 2% of the

Corporation's issued and outstanding shares. Options granted to persons providing investor relations services cannot exceed more than 2% of the Corporation's issued and outstanding capital in any twelve (12) month period. Options granted to persons providing investor relation activities must vest over a twelve (12) month period with no more than 25% of the options vesting in any quarter.

The Plan provides that eligible persons thereunder include any Director, employee, (full-time or part-time), officer or consultant of the Corporation or any subsidiary thereof. A consultant means an individual (including an individual whose services are contracted through a personal holding corporation) with whom the Corporation or a subsidiary has a contract for substantial services. The Plan allows the Corporation to attract new officers and Directors by allowing it to offer stock options as inducements to join the Corporation.

The Plan is administered by the Board of Directors of the Corporation. The Board of Directors has the authority to determine, among other things, subject to the terms and conditions of the Plan, the terms, limitations, restrictions and conditions respecting the grant of stock options under the Plan.

Pursuant to Shareholder approval on June 28, 1996, Shareholders of the Corporation authorized the reservation of up to 20% of outstanding capital for stock options based upon a fixed number of shares reserved under the Plan. On December 19, 2017, the Shareholders approved amendments to certain terms of the Plan and approved an increase in the Plan to a total of 3,494,739 Common Shares (being approximately 20% of outstanding capital) reserved under the Plan, by returning 700,000 previously exercised options to the Plan and by adding an additional 1,365,011 Common Shares to the Plan. The principal changes in the plan include the addition of a provision automatically extending the expiry date of an option, which would otherwise expire during a blackout period, for ten (10) days following the end of the blackout period in accordance with the provisions of TSX Venture Exchange Policy 4.4 Section 3.8 and minor administrative and wording changes. Any options granted subject to the Plan that are cancelled or terminated without having been exercised shall again be available to be granted under the Plan.

The Board of Directors has the authority under the Plan to establish the option price at the time each stock option is granted which shall in all cases be not less than the closing price of the Common Shares on the trading day immediately preceding the date of the grant. Common shares of the Corporation currently trade on the CSE. Any repricing of stock options granted to insiders must be approved by a majority of the disinterested Shareholders of the Corporation.

Options granted under the Plan must be exercised no later than ten (10) years after the date of grant and options are not transferable other than by will or the laws of descent and distribution. If an optionee ceases to be an eligible person for any reason whatsoever other than death, each option held by such optionee will cease to be exercisable in a period not exceeding one hundred and eighty (180) days following the termination of the optionee's position with the Corporation. If an optionee dies, the legal representative of the optionee may exercise the optionee's options for a period of one (1) year after the date of the optionee's death but only up to and including the original option expiry date.

The Corporation will not provide any optionee with financial assistance in order to enable such optionee to exercise stock options granted under the Plan.

There are currently 350,000 stock options outstanding under the Plan and 2,444,739 options are available to be granted under the Plan. The details of the stock options granted under the Plan that remain outstanding are as follows:

Name and Position	Common Shares Under Option	Exercise Price Range (per Common Share)	Expiry Date
Directors	50,000	\$0.95	January 12, 2023
Directors who are also Executive Officers	200,000	\$0.95	January 12, 2023

ELECTION OF THE BOARD OF DIRECTORS

The Board of Directors of the Corporation currently consists of five (5) Directors. The Directors have passed a resolution fixing the number of Directors to be elected at five (5). The persons named in the enclosed form of proxy intend to vote for the election as Directors of each of the five (5) nominees of management whose names are set forth in the table below. The Board of Directors has adopted a majority voting policy in order to promote enhanced Director accountability. Each Shareholder is entitled to cast their votes for, or withhold their votes from, the election of each Director. If the number of shares "withheld" for any nominee exceeds the number of shares voted "for" the nominee, then, notwithstanding that such Director was duly elected as a matter of corporate law, he shall tender his written resignation to the Corporation. The Board will consider such offer of resignation and the Director's suitability to continue to serve as a Board member after considering, among other things, the stated reasons, if any, why certain Shareholders "withheld" votes for the Director, the qualifications of the Director and whether the Director's resignation from the Board would be in the best interests of the Corporation.

These nominees have consented to being named in this Circular and to serve if elected. The Corporation's management does not contemplate that any of the nominees will be unable or unwilling to serve as a Director, but if that should occur for any reason prior to the Meeting, the Common Shares represented by properly submitted

proxies given in favour of such nominee(s) may be voted by the persons whose names are printed in the form of proxy, in their discretion, in favour of another nominee.

The following table and notes thereto state the names of all the persons proposed to be nominated for election as Directors, all of the positions and offices with the Corporation now held by them, their present principal occupations or employments for the last five (5) years and the number of shares of the Corporation beneficially owned, directly or indirectly, or over which control or direction is exercised, by each of them as of August 15, 2022. AUDIT COMMITTEE CHARTER

Purpose of the Audit Committee

The purpose of the Audit Committee (the “**Committee**”) of the Board of Directors (the “**Board**”) of the Corporation is to assist the Board in fulfilling its responsibility for the oversight of the financial reporting process. The purpose of this Charter is to ensure that the Corporation maintains a strong, effective and independent audit committee, to enhance the quality of financial disclosure made by the Corporation and to foster increased investor confidence in both the Corporation and Canada’s capital markets. It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Corporation’s Management to ensure that the independent auditors serve the interests of shareholders rather than the interests of Management of the Corporation. The Committee will act as a liaison to provide better communication between the Board and the external auditors. The Committee will review financial reports or other financial information provided by the Corporation to regulatory authorities and shareholders and review the integrity, adequacy and timeliness of the financial reporting and disclosure practices of the Corporation. The Committee will monitor the independence and performance of the Corporation’s independent auditors.

Composition and Procedures of the Audit Committee

The Committee shall consist of at least three (3) directors. Members of the Committee shall be appointed by the Board and may be removed by the Board in its discretion. While the Board may recommend a Chairman for the Committee, the Committee shall have the discretion to appoint the Chairman from amongst its members. The Committee shall establish procedures for quorum, notice and timing of meetings subject to the proviso that a quorum shall be no less than two (2) Committee members. Meetings shall be held no less regularly than once per quarter to review the audited financial statements and interim financial statements of the Corporation. At least one (1) member of the Committee shall be independent and the Board and the Committee shall endeavor to appoint a majority of independent directors to the Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Committee members’ independent judgment. At least one (1) member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the Corporation. For the purposes of this Charter, an individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation’s financial statements.
